She noted that while the financial update was positive, financial challenges existed for the FY 2015 Budget Cycle. She explained that 80% of the additional CPS Energy Revenue was attributed to unseasonably cold weather and the CPS Rate Increase. She indicated that the Police Department estimated $2.6 Million in more expenses for FY 2014 due to overtime and less attrition.

Mrs. Sculley stated that in September, the FY 2015 Budget Plan projected a $30 Million Budget Challenge not including potential increases for Collective Bargaining and Civilian Pay Increases. She noted that rising Healthcare Costs in FY 2014 have resulted in a

projected deficit of $15 Million in the Employee Benefits Fund. She stated that 1st Quarter Revenues for the Airport Fund were received on budget while expenses were below budget. She noted that Solid Waste Fund Revenues were $132,000 below budget but savings in expenses would offset the lesser revenue. She highlighted the FY 2015 Budget Calendar which would conclude with Budget Adoption on September 11th.

Maria Villagomez indicated that a status of Budget Initiatives and Performance Measures was included in the binder provided to the City Council. She highlighted the expansion of the District 2 and District 6 Senior Centers that were on schedule and budget.
