RECOMMENDATION:

Staff Analysis and Recommendation: Staff recommends Denial.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on approval criteria below.

1. **Consistency:** The subject property is not located within a Neighborhood, Community, or Sector Plan therefore a finding of consistency is based on existing and surrounding zoning and uses.
2. **Adverse Impacts on Neighboring Lands:** Staff does find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed use is inconsistent with the established development pattern of the surrounding area. Surrounding properties are “C-2NA” Commercial Non-Alcoholic Sales District, “C-2” Commercial District, “C-1” Light Commercial District, “O-1” Office District, “R-5” Residential Single-Family District, “R-6” Residential Single-Family District, and “RM-4” Residential Mixed District.
3. **Suitability as Presently Zoned:** The existing “C-2NA” Commercial Nonalcoholic Sales District is an appropriate zoning for the property and surrounding area. The proposed “C-2” Commercial District is not appropriate. Many of the commercial properties along the General McMullen corridor were rezoned in 2023 with the “NA”, which prohibits alcohol sales. The request to change to “C-2” would introduce alcohol sales within close proximity to established single-family residential and reverse the goal from the recent rezoning.
4. **Health, Safety and Welfare:** Staff has found indication of likely adverse effects on the public health, safety, or welfare.
5. **Public Policy:** The request does appear to conflict with any public policy. Relevant Goals and Policies of the SA Tomorrow Comprehensive Plan may include:
 - GCF Goal 5: Growth and city form support improved livability in existing and future neighborhoods.
 - GCF Goal 6: Growth and city form support community health and wellness.
 - GCF P14: Establish appropriate buffers and transitions (land use, form and/or landscaping) between residential neighborhoods and surrounding higher-density development.
6. **Size of Tract:** The 0.496 acres site is of sufficient size to accommodate the proposed commercial development.

7. **Other Factors:** The proposed zoning is to allow for alcohol sales. The requested use is for a package store/liquor store.

The subject property is located within the Lackland AFB Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, JBSA was notified of the proposed request. The Military has indicated that there are no objection to this request.
