RECOMMENDATION:

Staff Analysis and Recommendation: Staff recommends Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on approval criteria below.

1. **Consistency:** x
2. **Adverse Impacts on Neighboring Lands:** x
3. **Suitability as Presently Zoned:** x
4. **Health, Safety and Welfare:** x
5. **Public Policy:** x. Relevant Goals and Policies of the Comprehensive Plan may include:
 - GCF P7: Ensure employment centers provide a variety of land uses and infrastructure that will allow the city to remain economically competitive.

- H Goal 2: A variety of housing types (single-family detached, single-family attached, multifamily, as well as ownership and rental opportunities) is available at a variety of price and rent levels.
- H P10: Ensure land use designations and other policies allow for and encourage a mixture of housing types and densities of housing within development projects.
- H P17: Encourage development projects to have a mixture of uses.
- H P18: Encourage housing to be built with, near or adjacent to retail uses.
- JEC Goal 1: Employment is focused in the city's 13 Regional Centers, in site-specific locations in Urban Centers and along mobility corridors, providing easy connectivity for San Antonio's residents and businesses.

Relevant Goals, Recommendations and Strategies of the Texas A&M Regional Center Plan may include:

- Housing Recommendation #1: Support a wider range of housing products attractive to workers and students at the major employers and institutions in the regional center.
- Economic Development Strategy 1.2: Provide opportunities for mixed-use developments to encourage retail uses that offer support to the Texas A&M University-San Antonio campus and the planned residential developments in the VIDA San Antonio project.
- Land Use Strategy 1.1: Properties north of Jaguar Parkway should be zoned to allow for vertical mixed-use projects including multi-family and community-scaled commercial uses.
- Land Use Strategy 3.3: Encourage a mixture of housing types, including townhouses, vertical mixed-use development, and single-family neighborhoods in areas near the Texas A&M University-San Antonio campus so that the area can support a true campus lifestyle, where students and employees can live, work, and play.

6. **Size of Tract:** x

7. **Other Factors:** The applicant has submitted a site plan in accordance with the requirements of the code. The site plan indicates residential and commercial uses, with a maximum density of 5 units per acre.

The subject site is entirely within the FEMA 100-year effective floodplain. Residential development is strictly prohibited per Appendix F of the UDC. It is imperative that any planned improvements for this site be coordinated with Public Works Department. Please contact Sabrina Santiago at 210.207.0182 or via email Sabrina.santiago@sanantonio.gov to coordinate future plans for this site.

The subject property is located within the Lackland AFB Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, JBSA was notified of the proposed request. The Military has indicated that there are no objections to this request.

In addition to having ponds of water and being in the floodplain, the property does not appear to have street access, which will be required for development.
