SUBJECT:

FY 2026-2028 Department Wide Call for Panelists (Briefing)

SUMMARY:

Staff will present a briefing on the City of San Antonio Department of Arts and Culture's shift to consolidate and simplify panelist recruitment across Department. Benefits to consolidation include: clear messaging to the community on the panelist opportunity, a master panelist roster, and consistent panelist terms across fiscal years.

BACKGROUND INFORMATION:

The City of San Antonio Department of Arts and Culture uses panelists to review applications for awards across divisions. Panelist recruitment and management has historically been siloed within each division. A Department Wide Call for Panelists for the upcoming FY 2026-2028 term will take place from mid-December 2024 through late January 2025. Panelist applications will be reviewed by a Review Subcommittee with representatives from the Arts

Funding Committee, Performing Arts Film and Music Committee, and the Public Art Committee. Panelist recommendations will move through Committees with final approval from the San Antonio Arts Commission.
