**Agenda Item Number:** {{item.number}}

**Agenda Date:** September 6, 2024

**In Control:** Building-Related and Fire Codes Appeals and Advisory Board Meeting

---

**DEPARTMENT:** Development Services Department

**DEPARTMENT HEAD:** Amin Tohmaz, Interim Director

**COUNCIL DISTRICTS IMPACTED:** Citywide

**SUBJECT:**

Presentation and possible action on the applications to join sub-committees as non-board members to review the 2024 International Code Council Building-related codes and 2023 National Fire Protection Association National Electrical Code and propose amendments to the full Building-Related and Fire Codes Appeals and Advisory Board. Action would be to review and possibly approve the waiver of the requirement to reside in the City of San Antonio for any applicant that does not meet the requirement.

**SUMMARY:**

The City of San Antonio prioritizes adopting the most recent building codes to meet the latest safety standards. These codes are updated every three years, and the Development Services Department (DSD) leads the process to ensure that our adopted building-related codes align with national safety standards, the latest industry practices, and state laws. We are now ready to begin meetings with committee members and stakeholders to review and propose changes to the current codes. Applications can be submitted through the SASpeakUp webpage [www.saspeakup.com/a5424](http://www.saspeakup.com/a5424)
