Briefing on the FY 2024 Annual Homeless Report

SUMMARY:

Staff will provide a briefing on the FY 2024 Annual Homeless Report.

BACKGROUND INFORMATION:

In January 2025, the Department of Human Services issued the first-ever FY 2024 Homeless Annual Report, which reviews the City of San Antonio's homeless response efforts for Fiscal Year 2024 (October 1, 2023, to September 30, 2024). The report emphasizes the accomplishments of City investments in the homeless response system, including how City funds were allocated and spent.

The report provides an update on the work done in alignment with the community's homeless strategic plan, San Antonio: Together to End Homelessness, and City priorities and highlights the accomplishments of the response system in FY 2024. The response system has proven that it works effectively: the count of unsheltered individuals has decreased by 25% in the last five years, and relative to total population, the homeless count has remained nearly flat, growing only 0.4% since

2015.
