Item #16 – Contract Award: Bitters Road & Silverhorn Drive Retaining Wall Replacement

December 12, 2024

Razi Hosseini, P.E., R.P.L.S., Director/City Engineer, Public Works Department

Background

- In March 2022, Public Works completed improvements to the Bitters Road Intersection and Savannah Pass 2017 Bond project.
- During construction, it was identified that a segment of the existing retaining wall needed replacement.
- Public Works installed a temporary water barrier until the retaining wall could be replaced.

Location:

District 9

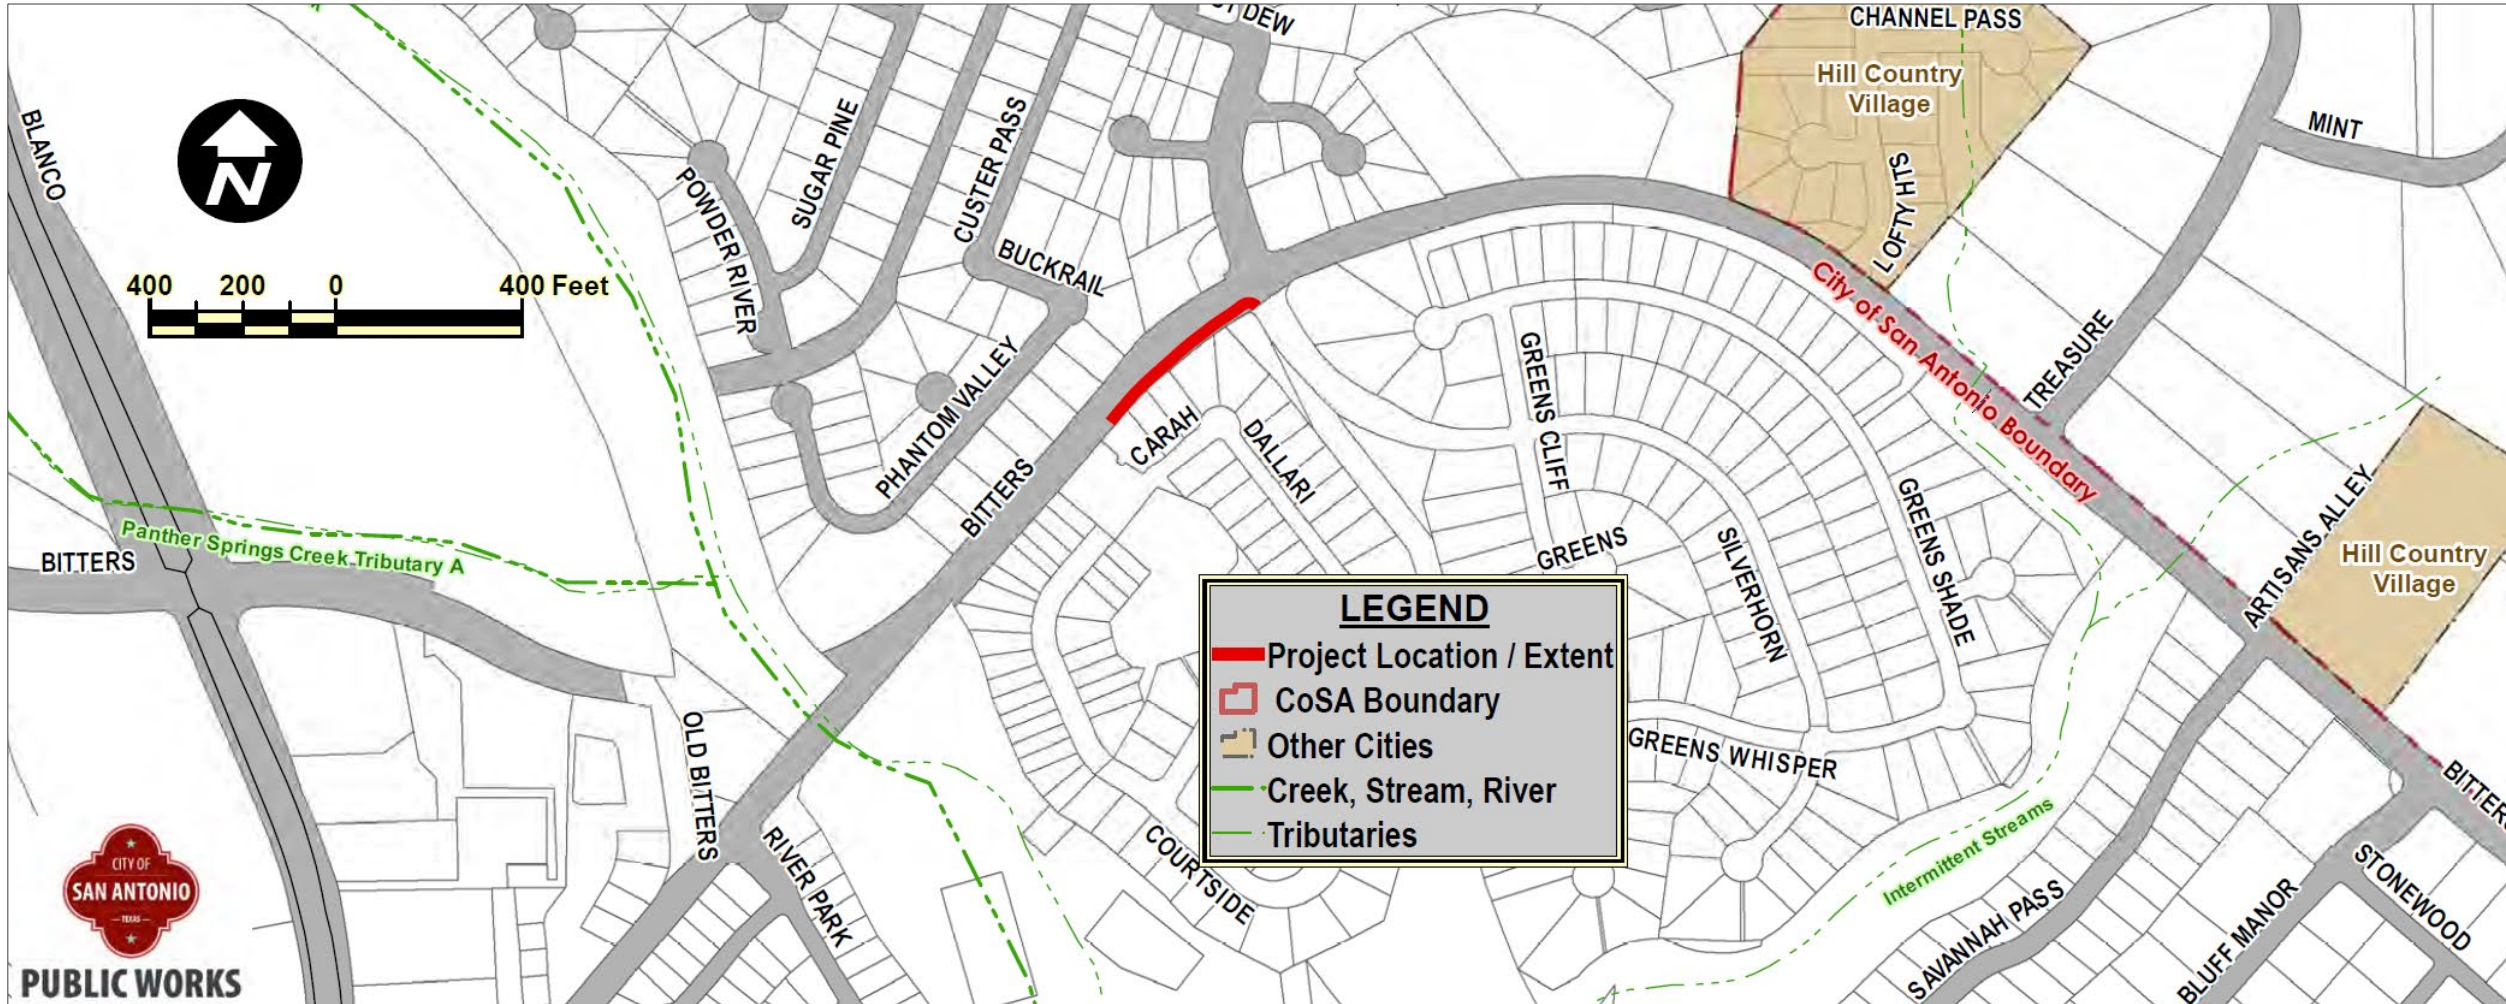

Funding:

2017 Bond

Eroded crib-lock retaining wall

Project Map

Scope of Work

Project improvements at the southwest corner of Bitters Road and Silverhorn including:

- Remove and replace existing retaining wall with concrete block system
- New sidewalk and curb
- Metal beam guard fence

Schedule

Construction Completion:

- January 2025 – Spring 2025

Recommendation

Approval of a construction contract to D&S Concrete Contractors in an amount not to exceed \$597,113.00 for construction of the Bitters Road Wall Replacement Project.
