

City Council A Session, Item # 13

October 17, 2024

**Presented by: Josephine Valencia, Interim Director
Solid Waste Management Department**

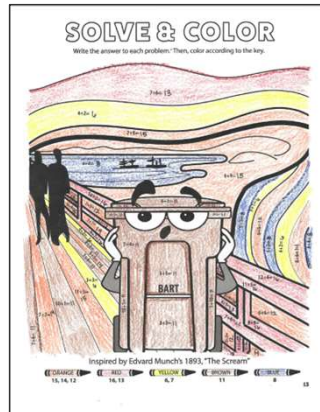

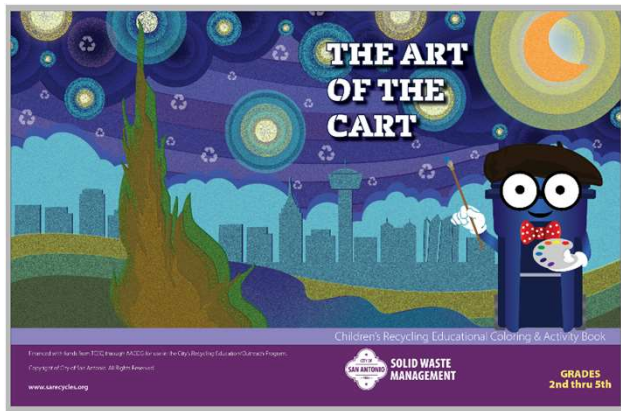

Background

- Since 1996, TCEQ has funded grants to Councils of Government for distribution; funds generated by solid waste landfill tip fees
- Alamo Area Council of Government (AACOG) manages these grants for the San Antonio region
- CoSA has received over \$5 million in funding through these grants
- Grants are funded following the State's two-year biennial cycle, covering the 2024-2025 State of Texas Biennium

Projects

Funds will be used to purchase items encouraging recycling in San Antonio

Activity books for children

Recycling bins for businesses

Printing new services guides
