**SUMMARY:**

This item presents the following from the Department of Human Services (DHS) Head Start, Early Head Start, and Early Head Start-Child Care Partnership programs for action by the Head Start Policy Council

**BACKGROUND INFORMATION:**

On March 23, 2024, President Biden signed the Further Consolidated Appropriations Act, 2024 (Public Law 118-47), which provides fiscal year (FY) 2024 appropriations for several federal departments and agencies. This spending bill funds Head Start programs through the remainder of the fiscal year. The Office of Head Start (OHS) funding changes for FY 2024 are detailed in a separate Program Instruction (PI), ACF-OHS-PI-24-02. This PI describes changes to eligibility

requirements for Region XII, Migrant and Seasonal Head Start (MSHS) recipients in Section 239 of the Further Consolidated Appropriations Act, 2024.

The new provision expands opportunities for MSHS programs to more effectively serve the families they were designed to serve. Our nation's rich agricultural history has always featured the incredible resilience of farmworkers and their families. MSHS programs take great pride in supporting the legacy of these families and offering new opportunities for future generations.
