

# SAFD Needs Assessment

Fire

Item 12

# COUNCIL CONSIDERATION REQUEST

## Background & Purpose

- Council District 2 submitted a request for a comprehensive Fire Department Needs Assessment through 2040.
- Supported by Council Districts 1, 6, 7 & 10 recognizing the need for proactive planning.
- To align fire service delivery with projected growth and evolving community risks.

## Request

- Evaluate current operations and forecast staffing, facilities, apparatus, and service demands through 2040 – ensuring the San Antonio Fire Department (SAFD) can effectively meet community needs amid growth and evolving risks.

# Staff Recommendation

Staff recommends this CCR for consideration in the next budget goal setting process.
