

Water & Sewer Lateral Improvements Program

Neighborhood & Housing Services Department

Item 6

Council Consideration Request

Submitted April 2, 2024 by Council District 5

Background

The CCR aims to establish a Water & Sewer Lateral Improvements Program

Request

The CCR requests staff to:

- 1) Develop COSA sponsored Water & Sewer Lateral Installation Pilot
- 2) Review and update Division 2 Article V
- 3) Map residential properties with missing laterals

Staff Recommendation

- Engage SAWS and Development Services Department
- Review best practices and applicability to establish and implement program
- Staff recommends discussion and briefing at Planning & Community Development Committee meeting
