PART A

Submission of Proposals. Respondents must submit proposals electronically. Respondent must comply with the Restrictions on Communication section of this RFCSP and shall not provide full or partial copies of its proposal submission to City officials or City employees, as defined by that section. Failure to submit a full proposal in accordance with the prescribed process will result in Respondent's proposal being disqualified from consideration.

Proposals sent to City by facsimile or email shall be rejected.

Modified Proposals. Proposals may be modified provided such modifications are received prior to the time and date set for submission of proposals. A modified proposal will automatically replace a prior proposal submission. See below for information on submitting Alternate Proposals.

City shall not be responsible for lost or misdirected proposals or modifications.

Forms Requiring Signatures.

Signature Page. Respondent's electronic submission constitutes a binding signature for all purposes.

All Other Documents. All other forms in this solicitation which require a signature must have a signature affixed thereto by manually signing the document prior to scanning it and uploading it with your submission.

Respondents are cautioned that they are responsible for the security of their log-on ID and password, since unauthorized use could result in Respondent's being held liable for the submission.

Vendor Registration. Respondent is required to register as a vendor with the City prior to the due date for submission of proposals. Respondent may register at the following site: <http://www.sanantonio.gov/purchasing/saeps>. Respondents must identify the correct name of the entity that will be providing the goods and/or services under the contract. No nicknames, abbreviations (unless part of the legal title), shortened or short-hand names will be accepted in place of the full, true and correct legal name of the entity.

Alternate Proposals. Alternate proposals may be allowed at the sole discretion of City.

Electronic Alternate Proposals Submitted Through the Portal. All alternate proposals submitted electronically are recorded with original proposals when submitted electronically.

Catalog Pricing. (This section applies to proposals using catalog pricing.)

The proposal will be based on manufacturer's latest dated price list(s). Said price list(s) must denote the manufacturer, latest effective date and price.

Respondents shall be responsible for providing one copy of the manufacturer's catalog for each manufacturer for which a proposal is submitted. Respondent shall provide said catalog at the time of submission of its proposal. Manufacturers' catalogs may be submitted in in any of the following formats: paper copy, flash drive, or CD ROM. Specified items identified herein, if any, are for overall proposal evaluation and represent the commonly and most used items. Net prices entered for those specified items must reflect the actual price derived from quoted price list less all discounts offered.

Restrictions on Communication.

In accordance with and as authorized by Section 2-61 of the City Code, the following restrictions on communications apply to this solicitation: Respondents are prohibited from contacting 1) City officials, as defined by §2-62 of the City Code of the City of San Antonio, regarding the RFCSP or proposal from the time the RFCSP has been released until the

Restrictions extend to “thank you” letters, phone calls, emails and any contact that results in the direct or indirect discussion of the RFCSP and/or proposal submitted by Respondent.

Violation of this provision by Respondent and/or its agent may lead to disqualification of Respondent’s proposal from consideration.

Exceptions to the restrictions on communication with City employees include:

Respondents may ask verbal questions concerning this RFCSP at the Pre-Submittal Conference.

Respondents may submit written questions, or objections to specifications, concerning this RFCSP to the Staff Contact Person listed on the Cover Page on or before **September 6, 2023 until 4:00 p.m.** Questions received after the stated deadline will not be answered. Questions submitted and City’s responses will be posted with this solicitation. All questions shall be sent by e-mail.

Respondents may provide responses to questions asked of them by the Staff Contact Person after proposals are received and opened. The Staff Contact Person may request clarification to assist in evaluating Respondent’s response. The information provided is not intended to change the proposal response in any fashion. Such additional information must be provided within two business days from City’s request. Respondents may also respond to requests by the Staff Contact Person for best and final offers, which do allow respondents to change their proposals. Requests for best and final offers will be clearly designated as such. During interviews, if any, verbal questions and explanations will be permitted. If interviews are conducted, respondents shall not bring lobbyists. The City reserves the right to exclude any persons from interviews as it deems in its best interests.

Respondents and/or their agents are encouraged to contact the Small Business Office of the Economic Development Department for assistance or clarification with issues specifically related to the City’s Small Business Economic Development Advocacy (SBEDA) Program policy and/or completion of the required SBEDA forms. The point of contact may be reached by telephone at (210) 207-3922 or by e-mail at SBEDAdocs@sanantonio.gov. Upon completion of the evaluation process, Respondents shall receive a notification letter indicating the recommended firm, anticipated City Council agenda date, and a review of the solicitation process.

Pre-Submittal Conference.

If a Pre-Submittal Conference is scheduled, it will be held at the time and place noted on the Cover Page. Respondents are encouraged to prepare and submit their questions in writing in advance of the Pre-Submittal Conference in order to expedite the proceedings. Pre-Submittal Conference participation is optional, but highly encouraged.

Any oral response given at the Pre-Submittal Conference that is not confirmed in writing and posted with this solicitation shall not be official or binding on the City.

Changes to RFCSP.

Changes to this RFCSP made prior to the due date for proposals shall be made directly to the original RFCSP. Changes are captured by creating a replacement version each time the RFCSP is changed. It is Respondent’s responsibility to check for new versions until the proposal due date. City will assume that all proposals received are based on the final version of the RFCSP as it exists on the day proposals are due.

No oral statement of any person shall modify or otherwise change or affect the terms, conditions or specifications stated in the RFCSP.

Preparation of Proposals.

All information required by the RFCSP must be furnished or the proposal may be deemed non-responsive and rejected. Any ambiguity in the proposal as a result of omission, error, unintelligible or illegible wording shall be construed in the favor of City.

Proposal Format. Websites or URLs shall not be submitted in lieu of the electronic submission through City's portal. **ELECTRONIC** proposals must include **ALL** the sections and attachments in the sequence listed in the RFCSP Section 003, Part B, Submission Requirements, and each section and attachment must be indexed in a Table of Contents page. For electronic submissions, each separate section should be attached as a separate file. Failure to meet the above conditions may result in disqualification of the proposal or may negatively affect scoring.

Correct Legal Name. If Respondent is found to have incorrectly or incompletely stated the name of the entity that will provide goods and/or services, the proposal may be rejected.

Line-Item Proposals. Any proposal that is considered for award by each unit or line item must include a price for each unit or line item for which Respondent wishes to be considered. Scoring of pricing for proposals is on the basis of low line item, low total line items, or in any other combination that serves the best interest of City, unless City designates this solicitation as an "all or none" proposal in the Supplemental Terms & Conditions.

All or None Bid. Any proposal that is considered for award on an "all or none" basis must include a price for all units or line items. In an "All or None" bid, a unit price left blank shall result in the proposal being deemed nonresponsive and disqualified from consideration. An "All or None" bid is one in which City will award the entire contract to one respondent only. City reserves the right to delete line items prior to award.

Delivery Dates. Proposed delivery dates must be shown in the proposal where required and shall include weekends and holidays, unless specified otherwise in this RFCSP. Proposed delivery times must be specific. Phrases such as "as required", "as soon as possible" or "prompt" may result in disqualification of the proposal. Special delivery instructions, if any, may be found in the Specifications / Scope of Services section of this document, or in the Purchase Order.

Tax Exemption. The City of San Antonio is exempt from payment of federal taxes, and State of Texas limited sales excise and use taxes. Respondents must not include such taxes in proposal prices. An exemption certificate will be signed by City where applicable upon request by Respondent after contract award.

Description of Supplies.

Any brand names, catalog or manufacturer's reference used in describing an item is merely descriptive, and not restrictive, unless otherwise noted, and is used only to indicate quality and capability desired.

Proposals submitted for comparable items must clearly identify the proposed product, model, and type, as applicable, and shall include manufacturer specification sheet(s) for each proposed item with proposal response. Product specifications shall be the most current available and be sufficiently detailed and descriptive so as to permit City to determine the item's suitability and compliance with proposal specifications. City shall be the sole judge of equality and suitability of comparable items.

Pro-rata adjustments to packaging and pricing may be allowed at the sole discretion of City.

Samples, Demonstrations and Pre-award Testing. If requested by City, Respondent shall provide product samples, demonstrations, and/or testing of items proposed to ensure compliance with specifications prior to award of the contract. Samples, demonstrations and/or testing must be provided within 7 calendar days of City's request. Failure to comply with City's request may result in rejection of a proposal. All samples (including return thereof), demonstrations, and/or testing shall be at Respondent's expense. Samples will be returned upon written request. Requests for return of samples must be made in writing at the time the samples are provided. Otherwise, samples will become property of City at no cost to City. Samples that are consumed or destroyed during demonstrations or testing will not be returned.

Estimated Quantities for Annual Contracts.

Designation as an "annual" contract is found in the contract's title on the Cover Page of this document. The quantities stated are estimates only and are in no way binding upon City. Estimated quantities are used for the purpose of

evaluation. City may increase or decrease quantities as needed. Where a contract is awarded on a unit price basis, payment shall be based on the actual quantities supplied.

Respondent's Due Diligence.

Respondents shall thoroughly examine the drawings, specifications, schedule(s), instructions and all other contract documents.

Respondents shall make all investigations necessary to thoroughly inform themselves regarding plant and facilities for delivery of material and equipment, or conditions and sites/locations for providing goods and services as required by this RFCSP. No plea of ignorance by Respondent will be accepted as a basis for varying the requirements of City or the compensation to Respondent.

Confidential or Proprietary Information. All proposals become the property of City upon receipt and will not be returned. Any information deemed to be confidential by Respondent should be clearly noted; however, City cannot guarantee that it will not be compelled to disclose all or part of any public record under the Texas Public Information Act, since information deemed to be confidential by Respondent may not be considered confidential under Texas law, or pursuant to a Court order.

Interlocal Participation.

City may engage in cooperative purchasing with other governmental entities or governmental cooperatives ("Entity" or "Entities") to enhance City's purchasing power. At City's sole discretion and option, City may inform other Entities that they may acquire items listed in this RFCSP. If this contract will be subject to cooperative purchasing, such fact will be indicated in the Supplemental Terms and Conditions portion of this RFCSP. Such acquisition(s) shall be at the prices stated in the proposal and shall be subject to Respondent's acceptance. Entities desiring to acquire items listed in this RFCSP shall be listed on a rider attached hereto, if known at the time of issuance of the RFCSP. City may issue subsequent riders after contract award setting forth additional Entities desiring to utilize this proposal.

Respondent must sign and submit the rider, if attached to this RFCSP, with its proposal, indicating whether Respondent wishes to allow other Entities to use its proposal. Respondent shall sign and return any subsequently issued riders within ten calendar days of receipt. Respondent's decision on whether to allow other Entities to use the proposal shall not be a factor in awarding this RFCSP.

Costs of Proposing. Respondent shall bear any and all costs that are associated with the preparation of the Proposal, attendance at the Pre-Submittal conference, if any, or during any phase of the selection process.

Rejection of Proposals.

City may reject any and all proposals, in whole or in part, cancel the RFCSP and reissue the solicitation. City may reject a proposal if:

Respondent misstates or conceals any material fact in the proposal; or

The proposal does not strictly conform to law or the requirements of the solicitation;

The proposal is conditional; or

Any other reason that would lead City to believe that the proposal is non-responsive or Respondent is not responsible.

City, in its sole discretion, may also waive any minor informalities or irregularities in any proposal, such as failure to submit sufficient proposal copies, failure to submit literature or similar attachments, or business affiliation information.

Variances and Exceptions to Proposal Terms. In order to comply with State law, respondents must submit proposals on the same material terms and conditions. Proposals that contain material variances or exceptions to the terms and conditions, including additional terms and conditions, will be rejected.

Changes to Proposal Form. Proposals must be submitted on the forms furnished, where forms are provided. Proposals that change the format or content of City's RFCSP will be rejected.

Withdrawal of Proposals. Proposals may be withdrawn prior to the due date for submission. Proposals submitted electronically may be withdrawn electronically.

Proposal Opening. The names of the respondents will be publicly read aloud online through WebEx at 2:30 P.M. on the day the proposals are due. In accordance with state law, the contents will not be revealed until after the contract is awarded.

However, in accordance with state law, the contents will not be revealed until the contract is awarded.

Evaluation and Award of Contract.

Per Section §252.043 of the Texas Local Government Code, the contract will be awarded to the responsible offeror whose proposal is determined to be the most advantageous to City, considering the relative importance of price and the other evaluation factors included in this RFCSP.

City reserves the right to evaluate pricing on the basis of low line item, low total line items, or in any other combination that serves the best interest of City, unless City designates this solicitation as an "all or none" proposal in the Supplemental Terms & Conditions.

A written award of acceptance (manifested by a City Ordinance) and Purchase Order furnished to Respondent results in a binding contract without further action by either party. City shall not be liable for any costs, claims, fees, expenses, damages, or lost profits if no Purchase Order is issued.

City reserves the right to utilize historical usage data as a basis for evaluation of proposals when future usages are unable to be determined.

City reserves the right to delete items prior to the awarding of the contract, and purchase said items by other means.

Inspection of Facilities/Equipment.

Depending on the nature of the RFCSP, Respondent's facilities and equipment may be a determining factor in making the proposal award. All respondents may be subject to inspection of their facilities and equipment.

Prospective respondents must prove beyond any doubt to City that they are qualified and capable of performing the contract's requirements.

Prompt Payment Discount.

Provided Respondent meets the requirements stated herein, City shall take Respondent's offered prompt payment discount into consideration. The evaluation will not be based on the discount percentage alone, but rather the net price as determined by applying the discount to the proposal price, either per line item or total proposal amount. However, City reserves the right to reject a discount if the percentage is too low to be of value to City, all things considered. City may also reject a discount if the percentage is so high as to create an overly large disparity between the price City would pay if it is able to take advantage of the discount and the price City would pay if it were unable to pay within the discount period. City may always reject the discount and pay within the 30 day period, at City's sole option.

City will not consider discounts that provide fewer than 10 days to pay in order to receive the discount.

For example, payment terms of 2% 5, Net 30 will NOT be considered in proposal evaluations or in the payment of invoices. However, payment terms of 2% 10, Net 30 will result in a two percent reduction in the proposal price during proposal evaluation, and City will take the 2% discount if the invoice is paid within the 10 day time period.

Prohibited Financial Interest.

The Charter of the City of San Antonio and the City of San Antonio Code of Ethics prohibit a City officer or employee, as those terms are defined in §§ 2-42 and 2-52 of the Code of Ethics, from having a direct or indirect financial interest in any contract with City. An officer or employee has a "prohibited financial interest" in a contract with City or in the sale to City of land materials, supplies or service, if any of the following individual(s) or entities is a party to the contract or sale:

- A City officer or employee; his or her spouse, sibling, parent, child, or other family member within the first degree of consanguinity or affinity;
- An entity in which the officer or employee, or his or her parent, child or spouse directly or indirectly owns (i) 10% or more of the voting stock or shares of the entity, or 10% or more of the fair market value of the entity; or
- An entity in which any individual or entity listed above is (i) a subcontractor on a City contract, (ii) a partner or (iii) a parent or subsidiary entity.

By submitting a bid, Bidder warrants and certifies, and a contract awarded pursuant to this RFCSP is made in reliance thereon, that it, its officers, employees and agents are neither officers nor employees of the City.

Unfair Advancement of Private Interests. Pricing and discounts contained in this contract are for use by City departments conducting City business. City employees may not use their positions to obtain special treatment or prices that are not available to the general public.

State of Texas Conflict of Interest.

Questionnaire (Form CIQ). Chapter 176 of the Texas Local Government Code requires that persons, or their agents, who seek to contract for the sale or purchase of property, goods, or services with the City, shall file a completed Form CIQ with the City Clerk if those persons meet the requirements under §176.006(a) of the statute.

005 - SUPPLEMENTAL TERMS & CONDITIONS

Original Contract Term:

This contract shall begin upon the effective date of the ordinance awarding the contract or January 1, 2024, whichever is later. This contract shall begin upon the date specified in the award letter, if it does not exceed \$50,000. The contract shall terminate on December 31, 2026.

Renewals:

At City's option, this Contract may be renewed under the same terms and conditions for two (2) additional (1) year period(s). Renewals shall be in writing and signed by Director, without further action by the San Antonio City Council, subject to and contingent upon appropriation of funding, therefore.

Temporary Short-Term Extensions.

City shall have the right to extend this contract under the same terms and conditions beyond the original term or any renewal thereof, on a month-to-month basis, not to exceed three months. Said month to month extensions shall be in writing, signed by Director, and shall not require City Council approval, subject to and contingent upon appropriation of funding.

Temporary Contract Pending Award of Contract by City Council

Occasionally, the City has a need for goods or services prior to the date set for the San Antonio City Council to consider a contract for award. If such a situation arises with regard to this solicitation, and if City intends to recommend Vendor's bid to the City Council for award of a contract, City may require Vendor to provide goods or services prior to the date set for City Council to consider the bid for award of a contract. City shall provide Vendor advance written notice if such occasion arises.

In such event, City's written notice shall constitute acceptance of Vendor's bid and shall result in a temporary contract to provide goods and/or services until City Council considers and awards the contract contemplated in this solicitation. The total expenditure under the temporary contract shall not exceed \$50,000. The temporary contract shall begin on the date set forth in City's written notice and shall terminate when the total expenditure reaches \$50,000, or upon subsequent written notice from City, whichever shall occur sooner. Should City Council authorize award of a contract to Vendor pursuant to this solicitation, said award shall automatically terminate the temporary contract upon the effective date of the newly awarded contract.

During the term of the temporary contract, all goods or services shall be provided in accordance with the terms and conditions contained in this solicitation, with the exception of the Original Contract Term, which is modified as indicated above for the temporary contract.

Acceptance of Vendor's bid for the purposes of award of a temporary contract does not constitute award of the full contract with the Original Contract Term. Such a contract may only be awarded by the San Antonio City Council by passage of an ordinance. Neither does award of a temporary contract obligate City to recommend Vendor's bid for award to the City Council or guarantee that the City Council will award the contract to Vendor.

Internal / External Catalog.

San Antonio e-Procurement. The City is using an "e-Procurement" system (SAePS) based on SAP's Supplier Relationship Management (SRM) software. SAePS is a secure, web browser-based system that gives City employees the ability to shop for items from online catalogs and brings the items back automatically into SAePS. Online catalogs include both a SAePS internal catalog and externally hosted catalogs on supplier websites.

SAePS Electronic Catalog Options. Vendor shall furnish an electronic catalog that contains only the items awarded by City and displays pricing proposed under this contract. Vendor may choose either Option 1 or Option 2 below as the method for furnishing the catalog.

Option 1. Vendor shall host an online catalog (Punch Out Catalog) with Open Catalog Interface (OCI) compliant integration to the SAePS system. This Punch Out Catalog shall have e-commerce functions, including, but not limited

to, cataloging, searching and shopping cart functionality. Integration includes linking to the online catalog from SAePS, shopping, and electronically returning the data back to SAePS.

Option 2. Internal Catalog. Vendor shall provide a list of products and services awarded under this contract for uploading into the COSA e-Procurement system in an electronic format as specified by City. The electronic submission may be through email, unless it exceeds City's maximum allowable file size limit. In such case, Vendor shall provide the submission on a CD or other means approved by City.

Paper Catalog. If a Punch Out Catalog is not available and Vendor elects to provide an Internal Catalog, City, at its sole option, may require Vendor to provide its Internal Catalog in paper form in addition to the electronic form.

Catalog Content. All catalogs, regardless of the form in which they are provided, must include these elements, at a minimum.

- Your part number
- Short and long descriptions
- Units of measure
- Pricing, contract pricing, tiered pricing
- Classification of parts
- Manufacturer and Manufacturer part number
- Keywords, tags

Time to Provide Catalog. Catalogs required under this provision must be provided within 10 business days of request by City, and no later than 5 business days from the date of contract award.

Catalog Updates.

If this contract allows for increases in price, Vendor must provide timely updates to the City. For Punch Out catalogs, Vendor must update pricing on their website and provide City a notification and detailed explanation of the price updates. For Internal Catalogs, Vendor must provide an updated pricing file with details of the pricing updates. If paper catalogs have been requested, updated paper catalogs must be provided concurrently with Internal Catalog files, or as soon thereafter as printed catalogs become available.

CONTRACTOR shall provide CITY with subcontractor certificates and endorsements before the subcontractor starts work.

If a loss results in litigation, then the CITY is entitled, upon request and without expense to the City, to receive copies of the policies, declaration page and all endorsements. Nothing contained in this Agreement shall be construed as limiting the extent to which CONTRACTOR may be held responsible for payments of damages to persons or property resulting from CONTRACTOR'S or its subcontractors' performance of the work covered under this Agreement.

CONTRACTOR'S insurance shall be deemed primary and non-contributory with respect to any insurance or self - insurance carried by City for liability arising out of operations under this Agreement.

The insurance required is in addition to and separate from any other obligation contained in this Agreement and no claim or action by or on behalf of City shall be limited to insurance coverage provided.

Any required documentation in support of the invoice should be compiled directly behind the invoice in the same .pdf file. Each electronically submitted file must have a unique identifying name that is not the same as any other file name.

Invoices submitted by electronic submission are only considered "original" when the submission comes directly from the Vendor to Accounts Payable using this e-mail address. Vendor may courtesy copy the ordering City department personnel on the e-mail.

Vendors not able to submit invoices with the required file formatting above may mail original invoices, on white paper only, to: City of San Antonio, Attn: Accounts Payable, P.O. Box 839976, San Antonio, Texas 78283-3976.

Information Required on Invoice.

All invoices must be in a form and content approved by the City. City may require modification of invoices if necessary in order to satisfy City that all billing is proper and pursuant to the terms of the contract. Invoices are required to show each City Purchase Order Number. Invoices must be legible. Items billed on invoices must be specific as to applicable stock, manufacturer, catalog or part number (if any). All invoices must show unit prices for each item being billed, the quantity of items being billed and the total for each item, as well as the total for all items on the invoice. If prices are based on list prices basis, then the list prices, the percentage discount or percentage surcharge, net unit prices, extensions and net total prices must be shown. Prompt payment discounts offered shall be shown separately on the invoice.

Payment by City.

NECESSITY OF TIMELY INVOICE / WAIVER OF PAYMENT. NOTWITHSTANDING THE FORGOING, THE CITY CANNOT PAY FOR ANY GOODS OR SERVICES WITHOUT AN INVOICE. VENDOR MUST INVOICE CITY NO LATER THAN 90 CALENDAR DAYS FROM THE DATE GOODS ARE DELIVERED OR SERVICES RENDERED. The total price for all goods and/or services is shown on the Price Schedule. No additional fees or expenses of Vendor shall be charged by Vendor nor be payable by City. The parties hereby agree that all compensable expenses of Vendor are shown on the Price Schedule. If there is a discrepancy on the Price Schedule between the unit price for an item, and the extended price, the unit price shall govern. Unless otherwise provided in the Supplemental Terms and Conditions section of this document, all prices shown on the Price Schedule shall remain firm for the duration of the contract. Vendor's price stated on the Price Schedule shall be deemed a maximum price. CERTIFICATE OF INTERESTED PARTIES (Form 1295)

Texas Government Code §2252.908, and the rules issued by the Texas Ethics Commission found in Title 1, Sections 46.1, 46.3 and 46.5 of the Texas Administrative Code, require a business entity to submit a completed Form 1295 to the City before the City may enter into a contract with that business entity.

Form 1295 must be completed online. It is available from the Texas Ethics Commission by accessing the following web address: <https://www.ethics.state.tx.us/filinginfo/1295>

Print and sign your completed Form 1295. Submit your signed Form 1295 with your response to this solicitation. Where requested to provide the name of the public entity with whom you are contracting, insert “City of San Antonio”. Where requested to provide the contract number, provide the RFP number shown on the cover page of this solicitation (e.g. IFB 6100001234, RFO 6100001234, or RFCSP 6100001234).

The following definitions found in the statute and Texas Ethics Commission rules may be helpful in completing Form 1295.

“Business entity” includes an entity through which business is conducted with a governmental entity or state agency, regardless of whether the entity is a for-profit or nonprofit entity. The term does not include a governmental entity or state agency. (NOTE: The City of San Antonio should never be listed as the “Business entity”.)

“Controlling interest” means: (1) an ownership interest or participating interest in a business entity by virtue of units, percentage, shares, stock, or otherwise that exceeds 10 percent; (2) membership on the board of directors or other governing body of a business entity of which the board or other governing body is composed of not more than 10 members; or (3) service as an officer of a business entity that has four or fewer officers, or service as one of the four officers most highly compensated by a business entity that has more than four officers. Subsection (3) of this section does not apply to an officer of a publicly held business entity or its wholly owned subsidiaries.

“Interested party” means: (1) a person who has a controlling interest in a business entity with whom a governmental entity or state agency contracts; or (2) an intermediary.

“Intermediary,” for purposes of this rule, means, a person who actively participates in the facilitation of the contract or negotiating the contract, including a broker, adviser, attorney, or representative of or agent for the business entity who:

- (1) receives compensation from the business entity for the person’s participation;
- (2) communicates directly with the governmental entity or state agency on behalf of the business entity regarding the contract; and
- (3) is not an employee of the business entity or of an entity with a controlling interest in the business entity.

Publicly traded business entities, including their wholly owned subsidiaries, are exempt from this requirement and are not required to submit Form 1295.
