Any oral response given at the Pre-Submittal Conference that is not confirmed in writing and posted with this solicitation shall not be official or binding on the City.

Changes to RFCSP.

Changes to this RFCSP made prior to the due date for proposals shall be made directly to the original RFCSP. Changes are captured by creating a replacement version each time the RFCSP is changed. It is Respondent's responsibility to check for new versions until the proposal due date. City will assume that all proposals received are based on the final version of the RFCSP as it exists on the day proposals are due.

No oral statement of any person shall modify or otherwise change or affect the terms, conditions or specifications stated in the RFCSP.

Preparation of Proposals.

All information required by the RFCSP must be furnished or the proposal may be deemed non-responsive and rejected. Any ambiguity in the proposal as a result of omission, error, unintelligible or illegible wording shall be construed in the favor of City.

Proposal Format. Websites or URLs shall not be submitted in lieu of the electronic submission through City's portal. **ELECTRONIC** proposals must include **ALL** the sections and attachments in the sequence listed in the RFCSP Section 003, Part B, Submission Requirements, and each section and attachment must be indexed in a Table of Contents page. For electronic submissions, each separate section should be attached as a separate file. Failure to meet the above conditions may result in disqualification of the proposal or may negatively affect scoring.

Correct Legal Name. If Respondent is found to have incorrectly or incompletely stated the name of the entity that will provide goods and/or services, the proposal may be rejected.

Line Item Proposals. Any proposal that is considered for award by each unit or line item must include a price for each unit or line item for which Respondent wishes to be considered. Scoring of pricing for proposals is on the basis of low line item, low total line items, or in any other combination that serves the best interest of City, unless City designates this solicitation as an "all or none" proposal in the Supplemental Terms & Conditions.

All or None Bid. Any proposal that is considered for award on an "all or none" basis must include a price for all units or line items. In an "All or None" bid, a unit price left blank shall result in the proposal being deemed nonresponsive and disqualified from consideration. An "All or None" bid is one in which City will award the entire contract to one respondent only. City reserves the right to delete line items prior to award.

Delivery Dates. Proposed delivery dates must be shown in the proposal where required and shall include weekends and holidays, unless specified otherwise in this RFCSP. Proposed delivery times must be specific. Phrases such as "as required", "as soon as possible" or "prompt" may result in disqualification of the proposal. Special delivery instructions, if any, may be found in the Specifications / Scope of Services section of this document, or in the Purchase Order.

Tax Exemption. The City of San Antonio is exempt from payment of federal taxes, and State of Texas limited sales excise and use taxes. Respondents must not include such taxes in proposal prices. An exemption certificate will be signed by City where applicable upon request by Respondent after contract award.

Description of Supplies.

Any brand names, catalog or manufacturer's reference used in describing an item is merely descriptive, and not restrictive, unless otherwise noted, and is used only to indicate quality and capability desired.

Proposals submitted for comparable items must clearly identify the proposed product, model, and type, as applicable, and shall include manufacturer specification sheet(s) for each proposed item with proposal response. Product specifications shall be the most current available and be sufficiently detailed and descriptive so as to permit City to determine the item's suitability and compliance with proposal specifications. City shall be the sole judge of equality and suitability of comparable items.

Pro-rata adjustments to packaging and pricing may be allowed at the sole discretion of City.

Samples, Demonstrations and Pre-award Testing. If requested by City, Respondent shall provide product samples, demonstrations, and/or testing of items proposed to ensure compliance with specifications prior to award of the contract. Samples, demonstrations and/or testing must be provided within seven (7) calendar days of City's request. Failure to comply with City's request may result in rejection of a proposal. All samples (including return thereof), demonstrations, and/or testing shall be at Respondent's expense. Samples will be returned upon written request. Requests for return of samples must be made in writing at the time the samples are provided. Otherwise, samples will become property of City at no cost to City. Samples that are consumed or destroyed during demonstrations or testing will not be returned.

Estimated Quantities for Annual Contracts.

Designation as an "annual" contract is found in the contract's title on the Cover Page of this document. The quantities stated are estimates only and are in no way binding upon City. Estimated quantities are used for the purpose of evaluation. City may increase or decrease quantities as needed. Where a contract is awarded on a unit price basis, payment shall be based on the actual quantities supplied.

Respondent's Due Diligence.

Respondents shall thoroughly examine the drawings, specifications, schedule(s), instructions and all other contract documents.

Respondents shall make all investigations necessary to thoroughly inform themselves regarding plant and facilities for delivery of material and equipment, or conditions and sites/locations for providing goods and services as required by this RFCSP. No plea of ignorance by Respondent will be accepted as a basis for varying the requirements of City or the compensation to Respondent.

Confidential or Proprietary Information. All proposals become the property of City upon receipt and will not be returned. Any information deemed to be confidential by Respondent should be clearly noted; however, City cannot guarantee that it will not be compelled to disclose all or part of any public record under the Texas Public Information Act, since information deemed to be confidential by Respondent may not be considered confidential under Texas law, or pursuant to a Court order.

Interlocal Participation.

City may engage in cooperative purchasing with other governmental entities or governmental cooperatives ("Entity" or "Entities") to enhance City's purchasing power. At City's sole discretion and option, City may inform other Entities that they may acquire items listed in this RFCSP. If this contract will be subject to cooperative purchasing, such fact will be indicated in the Supplemental Terms and Conditions portion of this RFCSP. Such acquisition(s) shall be at the prices stated in the proposal and shall be subject to Respondent's acceptance. Entities desiring to acquire items listed in this RFCSP shall be listed on a rider attached hereto, if known at the time of issuance of the RFCSP. City may issue subsequent riders after contract award setting forth additional Entities desiring to utilize this proposal.

Respondent must sign and submit the rider, if attached to this RFCSP, with its proposal, indicating whether Respondent wishes to allow other Entities to use its proposal. Respondent

shall sign and return any subsequently issued riders within ten calendar days of receipt. Respondent's decision on whether to allow other Entities to use the proposal shall not be a factor in awarding this RFCSP.

Costs of Proposing. Respondent shall bear any and all costs that are associated with the preparation of the Proposal, attendance at the Pre-Submittal conference, if any, or during any phase of the selection process.

Rejection of Proposals.

City may reject any and all proposals, in whole or in part, cancel the RFCSP and reissue the solicitation. City may reject a proposal if:

Respondent misstates or conceals any material fact in the proposal; or

The proposal does not strictly conform to law or the requirements of the solicitation;

The proposal is conditional; or

Any other reason that would lead City to believe that the proposal is non-responsive, or Respondent is not responsible.

City, in its sole discretion, may also waive any minor informalities or irregularities in any proposal, such as failure to submit sufficient proposal copies, failure to submit literature or similar attachments, or business affiliation information.

Variances and Exceptions to Proposal Terms. In order to comply with State law, respondents must submit proposals on the same material terms and conditions. Proposals that contain material variances or exceptions to the terms and conditions, including additional terms and conditions, will be rejected.

Changes to Proposal Form. Proposals must be submitted on the forms furnished, where forms are provided. Proposals that change the format or content of City's RFCSP will be rejected.

Withdrawal of Proposals. Proposals may be withdrawn prior to the due date for submission. Proposals submitted electronically may be withdrawn electronically.

Proposal Opening. The names of the respondents will be publicly read aloud online through WebEx at 11:30 p.m. CT on the day the proposals are due. In accordance with state law, the contents will not be revealed until after the contract is awarded.

Evaluation and Award of Contract.

Per Section §252.043 of the Texas Local Government Code, the contract will be awarded to the responsible offeror whose proposal is determined to be the most advantageous to City, considering the relative importance of price and the other evaluation factors included in this RFCSP.

City reserves the right to evaluate pricing on the basis of low line item, low total line items, or in any other combination that serves the best interest of City, unless City designates this solicitation as an “all or none” proposal in the Supplemental Terms & Conditions.

A written award of acceptance (manifested by a City Ordinance) and Purchase Order furnished to Respondent results in a binding contract without further action by either party. City shall not be liable for any costs, claims, fees, expenses, damages, or lost profits if no Purchase Order is issued. City reserves the right to utilize historical usage data as a basis for evaluation of proposals when future usages are unable to be determined.

City reserves the right to delete items prior to the awarding of the contract, and purchase said items by other means.

Inspection of Facilities/Equipment.

Depending on the nature of the RFCSP, Respondent's facilities and equipment may be a determining factor in making the proposal award. All respondents may be subject to inspection of their facilities and equipment.

Prospective respondents must prove beyond any doubt to City that they are qualified and capable of performing the contract's requirements.

Prompt Payment Discount.

Provided Respondent meets the requirements stated herein, City shall take Respondent's offered prompt payment discount into consideration. The evaluation will not be based on the discount percentage alone, but rather the net price as determined by applying the discount to the proposal price, either per line item or total proposal amount. However, City reserves the right to reject a discount if the percentage is too low to be of value to City, all things considered. City may also reject a discount if the percentage is so high as to create an overly large disparity between the price City would pay if it is able to take advantage of the discount and the price City would pay if it were unable to pay within the discount period. City may always reject the discount and pay within the 30 day period, at City's sole option.

City will not consider discounts that provide fewer than ten (10) days to pay in order to receive the discount.

For example, payment terms of 2% 5, Net 30 will NOT be considered in proposal evaluations or in the payment of invoices. However, payment terms of 2% 10, Net 30 will result in a two percent reduction in the proposal price during proposal evaluation, and City will take the 2% discount if the invoice is paid within the 10-day time period.

Prohibited Financial Interest.

The Charter of the City of San Antonio and the City of San Antonio Code of Ethics prohibit a City officer or employee, as those terms are defined in §§ 2-42 and 2-52 of the Code of Ethics, from having a direct or indirect financial interest in any contract with City. An officer or employee has a “prohibited financial interest” in a contract with City or in the sale to City of land materials, supplies or service, if any of the following individual(s) or entities is a party to the contract or sale:

- A City officer or employee; his or her spouse, sibling, parent, child, or other family member within the first degree of consanguinity or affinity;

- An entity in which the officer or employee, or his or her parent, child or spouse directly or indirectly owns (i) 10% or more of the voting stock or shares of the entity, or 10% or more of the fair market value of the entity; or
- An entity in which any individual or entity listed above is (i) a subcontractor on a City contract, (ii) a partner or (iii) a parent or subsidiary entity.

By submitting a bid, Bidder warrants and certifies, and a contract awarded pursuant to this RFCSP is made in reliance thereon, that it, its officers, employees and agents are neither officers nor employees of the City.

Unfair Advancement of Private Interests. Pricing and discounts contained in this contract are for use by City departments conducting City business. City employees may not use their positions to obtain special treatment or prices that are not available to the general public.

State of Texas Conflict of Interest.

Questionnaire (Form CIQ). Chapter 176 of the Texas Local Government Code requires that persons, or their agents, who seek to contract for the sale or purchase of property, goods, or services with the City, shall file a completed Form CIQ with the City Clerk if those persons meet the requirements under §176.006(a) of the statute.

When delivery is not met as provided for in the contract, the City may make the purchase on the open market, with any cost in excess of the contract price paid by Vendor, in addition to any other direct, indirect, consequential or incidental damages incurred by the City as a result thereof. In addition, Vendor may be removed from the City's list of eligible Respondents.

Purchase Orders. Each time a City department wishes to place an order against this contract, it will issue Vendor a purchase order. Vendor must have the purchase order before making any delivery.

Acceptance by City. City shall have a reasonable time (but not less than 30 days) after receipt to inspect the goods and services tendered by Vendor. City at its option may reject all or any portion of such goods or services which do not, in City's sole discretion, comply in every respect with all terms and conditions of the contract. City may elect to reject the entire goods and services tendered even if only a portion thereof is nonconforming. If the City elects to accept nonconforming goods and services, the City, in addition to its other remedies, shall be entitled to deduct a reasonable amount from the price thereof to compensate the City for the nonconformity. Any acceptance by the City, even if non-conditional, shall not be deemed a waiver or settlement of any defect in such goods and services.

However, if the product does not to meet specifications, Vendor shall reimburse City for the costs of testing. location. The warranty shall be effective from the date of acceptance of the merchandise, or completion of the service, as applicable.

REJECTION OF DISCLAIMERS OF WARRANTIES & LIMITATIONS OF LIABILITY. ANY TERM OR CONDITION IN ANY DOCUMENT FURNISHED BY VENDOR, DISCLAIMING THE IMPLIED WARRANTY OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE, OR ATTEMPTING TO LIMIT VENDOR'S LIABILITY SHALL BE OF NO FORCE OR EFFECT, AND SHALL BE STRICKEN FROM THE CONTRACT DOCUMENTS AS IF NEVER CONTAINED THEREIN.

Invoicing and Payment.

Invoice Submissions. City requires all original first-time invoices to be submitted directly to the Accounts Payable section of the Finance Department. The preferred method of delivery is electronically to the following e-mail address:

accounts.payable@sanantonio.gov

Invoices submitted electronically to the e-mail address above must be in separate .pdf format file. Multiple invoices cannot be submitted in a single .pdf file; however, Vendor may submit multiple, separate invoice files in a single e-mail. Any required documentation in support of the invoice should be compiled directly behind the invoice in the same .pdf file. Each electronically submitted file must have a unique identifying name that is not the same as any other file name.

Invoices submitted by electronic submission are only considered "original" when the submission comes directly from the Vendor to Accounts Payable using this e-mail address. Vendor may courtesy copy the ordering City department personnel on the e-mail.

Vendors not able to submit invoices with the required file formatting above may mail original invoices, on white paper only, to: City of San Antonio, ATTN: Accounts Payable, P.O. Box 839976, San Antonio, Texas 78283-3976.

Information Required on Invoice.

All invoices must be in a form and content approved by the City. The City may require modification of invoices, if necessary, in order to satisfy the City that all billing is proper and pursuant to the terms of the contract. Invoices are required to show each City Purchase Order Number. Invoices must be legible. Items billed on invoices must be specific as to applicable stock, manufacturer, catalog or part number (if any). All invoices must show unit prices for each item being billed, the quantity of items being billed and the total for each item, as well as the total for all items on the invoice. If prices are based on list prices basis, then the list prices, the percentage discount or percentage surcharge, net unit prices, extensions and net total prices must be shown. Prompt payment discounts offered shall be shown separately on the invoice.

Payment by City.

In accordance with the Texas Prompt Payment Act, City shall have not less than 30 days to pay for goods or services. Time for payment, including payment under discount terms, will be computed from the later of: (1) the date the City receives conforming goods under the contract; (2) the date performance of the service under the contract is completed; or (3) the date the City

receives a correct and valid invoice for the goods or services. Payment is deemed to be made on the date of mailing of the check. Payment is made in US dollars only.

This provision shall not apply where there is a bona fide dispute between the City and Vendor about the goods delivered or the service performed that causes the payment to be late, or where the invoice is not mailed to the address provided herein.

The payment amount due on invoices may not be manually altered by City personnel. Once disputed items are reconciled, Vendor must submit a corrected invoice or a credit memorandum for the disputed amount.

NECESSITY OF TIMELY INVOICE / WAIVER OF PAYMENT. NOTWITHSTANDING THE FORGOING, THE CITY CANNOT PAY FOR ANY GOODS OR SERVICES WITHOUT AN INVOICE. VENDOR MUST INVOICE CITY NO LATER THAN 90 CALENDAR DAYS FROM THE DATE GOODS ARE DELIVERED OR SERVICES RENDERED. FAILURE TO SUBMIT AN INVOICE WITHIN SAID 90 DAY SHALL NEGATE ANY LIABILITY ON THE PART OF CITY AND CONSTITUTE A **WAIVER** BY VENDOR OF ANY AND ALL RIGHT OR CLAIMS TO COLLECT MONEYS THAT VENDOR MAY RIGHTFULLY BE OTHERWISE ENTITLED TO FOR GOODS OR SERVICES PERFORMED.

The total price for all goods and/or services is shown on the Price Schedule. No additional fees or expenses of Vendor shall be charged by Vendor nor be payable by City. The parties hereby agree that all compensable expenses of Vendor are shown on the Price Schedule. If there is a discrepancy on the Price Schedule between the unit price for an item, and the extended price, the unit price shall govern. Unless otherwise provided in the Supplemental Terms and Conditions section of this document, all prices shown on the Price Schedule shall remain firm for the duration of the contract. Vendor's price stated on the Price Schedule shall be deemed a maximum price. Vendor may provide a lower price at any time during the contract period for reasons deemed appropriate by Vendor, such as volume discount pricing for large orders.

Change Orders. In order to comply with Texas law governing purchases made by municipalities, the following rules shall govern all change orders made under this contract.

Any change orders that become necessary during the term of this contract as a result of changes in plans, specifications, quantity of work to be performed, materials, equipment or supplies to be must be in writing and conform to the requirements of City Ordinance 2011-12-08-1014, as hereafter amended.

Any other change will require approval of the City Council, City of San Antonio.

Changes that do not involve an increase in contract price may, however, be made by the Director.

No oral statement of any person shall modify or otherwise change, or affect the terms, conditions or specifications stated herein.

Should Vendor fail to fulfill in a timely and proper manner, as determined solely by the Director, its material obligations under this contract, or violate any of the material terms of this contract, the City shall have the right to immediately terminate the contract in whole or in part. Notice of termination shall be provided in writing to Vendor, effective upon the date set forth in the

If City elects to offer an opportunity to cure, City shall provide notice to Vendor specifying the matters in default and the cure period. If Vendor fails to cure the default within the cure period, City shall have the right, without further notice, to terminate the contract in whole or in part. Such termination shall not relieve Vendor of any liability to the City for damages sustained by virtue of any breach by Vendor.

Termination-Notice. City may terminate this contract, in whole or in part, without cause. City shall be required to give Vendor notice ten days prior to the date of termination of the contract without cause.

Termination-Funding. City retains the right to terminate this contract at the expiration of each of City's budget periods. This contract is conditioned on a best effort attempt by City to obtain and appropriate funds for payment of any debt due by City herein.

IN THE EVENT VENDOR AND CITY ARE FOUND JOINTLY LIABLE BY A COURT OF COMPETENT JURISDICTION, LIABILITY SHALL BE APPORTIONED COMPARATIVELY IN ACCORDANCE WITH THE LAWS FOR THE STATE OF TEXAS, WITHOUT, HOWEVER, WAIVING ANY GOVERNMENTAL IMMUNITY AVAILABLE TO THE CITY UNDER TEXAS LAW AND WITHOUT WAIVING ANY DEFENSES OF THE PARTIES UNDER TEXAS LAW. In addition, Vendor agrees to indemnify, defend, and hold the City harmless from any claim involving patent infringement, trademarks, trade secrets, and copyrights on goods supplied.

The provisions of this INDEMNITY are solely for the benefit of the parties hereto and not intended to create or grant any rights, contractual or otherwise, to any other person or entity. VENDOR shall advise CITY in writing within 24-hours of any claim or demand against CITY or VENDOR known to VENDOR related to or arising out of VENDOR's activities under this AGREEMENT and shall see

to the investigation and defense of such claim or demand at VENDOR's cost. CITY shall have the right, at its option and at its own expense, to participate in such defense without relieving VENDOR of any of its obligations under this paragraph.

Except as otherwise stated herein, Vendor may not sell, assign, pledge, transfer or convey any interest in this contract, nor delegate the performance of any duties hereunder, by transfer, by subcontracting or any other means, without the consent of Director. As a condition of such consent, if such consent is granted, Vendor shall remain liable for completion of the services and provision of goods outlined in this contract in the event of default by the successor vendor, assignee, transferee or subcontractor. Any attempt to transfer, pledge or otherwise assign this Contract without said written approval, shall be void ab initio and shall confer no rights upon any third person.

Non-waiver of Performance. Unless otherwise specifically provided for in this Agreement, a waiver by either Party of a breach of any of the terms, conditions, covenants or guarantees of this Agreement shall not be construed or held to be a waiver of any succeeding or preceding breach of the same or any other term, condition, covenant or guarantee herein contained. Further, any failure of either Party to insist in any one or more cases upon the strict performance of any of the covenants of this Agreement, or to exercise any option herein contained, shall in no event be construed as a waiver or relinquishment for the future of such covenant or option. In fact, no waiver, change, modification or discharge by either party hereto of any provision of this Agreement shall be deemed to have been made or shall be effective unless expressed in writing and signed by the party to be charged. No act or omission by a Party shall in any manner impair or prejudice any right, power, privilege, or remedy available to that Party hereunder or by law or in equity, such rights, powers, privileges, or remedies to be always specifically preserved hereby.

HEAT ILLNESS PREVENTION ORDINANCE NO. 2023-08-31-0585

Effective August 31, 2023, the Heat Illness Prevention Ordinance implemented requirements to certain City-funded contracts involving activities in outdoor and unconditioned spaces.

Respondent, as an employer, is currently responsible under the General Duty Clause, Section 5(a)(1) of the Occupational Safety and Health Act of 1970 (the "Act") to provide their employees with a place of employment that "is free from recognized hazards that are causing or likely to cause death or serious harm to employees", including heat-related hazards that are likely to cause death or serious bodily harm.

The San Antonio City Council approved an ordinance on August 31, 2023, to provide criteria to further guide contractors in San Antonio heat conditions to better protect its residents and contractor employees working in San Antonio (the "Heat Illness Prevention Ordinance"), which provides:

When the heat index for San Antonio, Texas equals or exceeds 95 degrees Fahrenheit, Contractor is required to take all of the following actions for all onsite workers working outdoors or unconditioned spaces (without air conditioning):

- a) Mandate at least a fifteen (15) minute rest break for every four (4) hours worked. No employee may be required to work more than 3.75 continuous hours without a rest break. These rest breaks are in addition to and shall not take the place of other required or otherwise provided rest breaks.
- b) Provide a heat relief station at the Site with a shaded area and water.
- c) Train supervisors and workers to recognize heat hazards and take appropriate actions.
- d) Post signage with City requirements in both English and Spanish within the Site where notices to employees are customarily posted. City will prescribe the size, content, and location of signs within applicable design guidance manuals.
- e) Contractor shall submit a "heat safety plan" as part of Contractor's proposal.

By submitting a proposal to or executing contract documents with the City of San Antonio, Respondent hereby verifies that it agrees to adhere to the City's Heat Illness Prevention Ordinance during the term of the contract. City hereby relies on Company's verification. If found to be false, City may terminate the contract for material breach.

A. SBEDA Program

The CITY has adopted a Small Business Economic Development Advocacy Ordinance (Ordinance No. 2016-05-19-0367 and as amended, also referred to as “SBEDA” or “the SBEDA Program”), which is posted on the City’s Economic Development Department (EDD) website page and is also available in hard copy format upon request to the CITY. The SBEDA Ordinance Compliance Provisions contained in this section of the Agreement are governed by the terms of the SBEDA Ordinance, as well as by the terms of the SBEDA Ordinance Policy & Procedure Manual established by the CITY pursuant to this Ordinance, and any subsequent amendments to this referenced SBEDA Ordinance and SBEDA Policy & Procedure Manual that are effective as of the date of the execution of this Agreement. Unless defined in a contrary manner herein, terms used in this section of the Agreement shall be subject to the same expanded definitions and meanings as given those terms in the SBEDA Ordinance and as further interpreted in the SBEDA Policy & Procedure Manual.

B. SBEDA Program Compliance – Affirmative Procurement Initiatives

The CITY has applied the following contract-specific Affirmative Procurement Initiatives (API) to this contract. CONTRACTOR hereby acknowledges and agrees that the selected API requirement shall also be extended to any change order or subsequent contract modification and, absent SBO’s granting of a waiver, that its full compliance with the following API terms and conditions are necessary to attain satisfactory performance under this Agreement:

Please note that failure to meet the subcontracting API requirements (when applicable) will deem the response non-responsive. To be SBEDA eligible a Prime or Subcontractor must be certified as a Small Business Enterprise (SBE) through the South Central Texas Regional Certification Agency AND must be headquartered or have a significant business presence in the San Antonio Metropolitan Statistical Area. The guidelines and steps to be certified by SCTRCA are available at: <https://sctrca.org/get-certified/>.

ESBE Prime Contract Program. In accordance with the SBEDA Ordinance, Section III. D. 7. (b), this contract is being awarded pursuant to the ESBE Prime Contract Program, and as such, RESPONDENT affirms that if it is presently certified as an ESBE (see *Emerging Small Business Enterprise* definition), RESPONDENT agrees not to subcontract more than 49% of the contract value to a non-ESBE firm.

M/WBE Prime Contract Program. In accordance with the SBEDA Ordinance, Section III. D. 8. (b), this contract is being awarded pursuant to the M/WBE Prime Contract Program and as such, RESPONDENT affirms that if it is presently certified as an M/WBE (see *Minority/Women Business Enterprise* definition), RESPONDENT agrees not to subcontract more than 49% of the contract value to a non-M/WBE firm.

The **Subcontractor/Supplier Utilization Plan** which CONTRACTOR submitted to City with its response for this contract and that contains the names of the certified SBE, M/WBE and AABE Subcontractors to be used by CONTRACTOR on this contract, the respective percentages of the total prime contract dollar value to be awarded and performed by each SBE, M/WBE and AABE Subcontractor, and documentation including a description of each SBE, M/WBE and AABE Subcontractor's scope of work and confirmation of each SBE, M/WBE and AABE Subcontractor's commitment to perform such scope of work for an agreed upon dollar amount is hereby attached and incorporated by reference into the material terms of this Agreement.

In the absence of a waiver granted by the SBO, failure of a Prime CONTRACTOR to attain this SBE, M/WBE and AABE subcontracting goal as required in the solicitation shall render its response non-Responsive. Also, in the absence of a waiver granted by the SBO, failure of a Prime CONTRACTOR to attain a subcontracting goal for SBE, M/WBE and AABE participation in the performance of its contract or otherwise comply with the provisions of this API shall be considered a material breach of contract, grounds for termination of that contract with the City and shall be subject to any penalties and sanctions available under the terms of the SBEDA Ordinance, its contract with the City or by law.

Subcontractor Diversity: The City of San Antonio strongly encourages each bidder to be as inclusive as possible, and to reach out to all segments of the M/WBE community. While the relative availability of ready, willing, and able firms within various ethnic and gender categories will vary significantly from contract to contract based upon the particular trades that are involved, overall in the San Antonio **Other Services** industry, as reflected in the City's Centralized Vendor Registration system for the month of December 2023, African-American owned firms represent approximately 3.25% of available subcontractors, Hispanic-American firms represent approximately 7.96%, Asian-American firms represent approximately 0.53%, Native American firms represent approximately 0.06%, and Women-owned firms represent approximately 2.76% of available **Other Services** subcontractors

H. Definitions

Affirmative Procurement Initiatives (API) – Refers to various S/M/WBE Program tools and Solicitation Incentives that are used to encourage greater prime and subcontract participation by S/M/WBE firms, including bonding assistance, evaluation preferences, subcontracting goals and joint venture incentives. (For full descriptions of these and other S/M/WBE Program tools, see Section III.D of Attachment A to the SBEDA Ordinance). To be eligible for the benefits of race- and gender-conscious APIs as provided in the SBEDA Ordinance, M/WBE firms must also satisfy the size standards for being a Small Business Enterprise or SBE as defined herein.

Annual Aspirational Goal – a non-mandatory annual aspirational percentage goal for overall M/WBE Prime and subcontract participation in City of San Antonio contracts is established each year for Construction, Architectural & Engineering, Professional Services, Other Services, and Goods & Supplies contract Industry Categories. This Annual Aspirational Goal is to be set (and thereafter adjusted) by the Goal Setting Committee (GSC) based upon the M/WBE availability by industry in accordance with the City's 2015 Disparity Study findings, along with relative M/WBE availability data to be collected by the City through its CVR system, and the utilization of M/WBEs. Any adjusted Annual Aspirational Goals for a given industry should not exceed the Expected Availability for award dollar weights as found in the 2015 Disparity Study. Annual Aspirational Goals are not to be routinely applied to individual contracts, but are intended to serve as a benchmark against which to measure the overall effectiveness of the S/M/WBE Program on an annual basis, and to gauge the need for future adjustments to the degree of aggressiveness of remedies being applied under the Program. Percentage Goals for S/M/WBE participation may be established by the GSC on a contract-by-contract basis based upon similar data and analysis for the particular goods and services being purchased in a given contract.

Award – the final selection of a Respondent for a specified Prime Contract or subcontract dollar amount. Contract awards are made by the City to Prime Contractors or vendors and by Prime Contractors or vendors to Subcontractor or sub-vendors, usually pursuant to a solicitation process. (Contract awards are distinguished from contract payments, the first, only reflect the anticipated dollar amounts the second, reflect actual dollar amounts that are paid to a contractor under an awarded contract).

Best Value Contracting – a purchasing solicitation process through which the Originating Department may evaluate factors other than price. Evaluation criteria for selection may include a Respondent's previous experience and quality of product or services procured, and other factors identified in the applicable statute.

Centralized Vendor Registration System (CVR) – a mandatory electronic system of hardware and software programs by which the City recommends all prospective Respondents and Subcontractors that are ready, willing and able to sell goods or services to the City to register. All businesses awarded a City contract shall be required to register in the CVR. The CVR system assigns a unique identifier to each registrant that is then required for the purpose of submitting solicitation responses and invoices, and for receiving payments from the City. The CVR-assigned identifiers are also used by the Goal

Setting Committee for measuring relative availability and tracking utilization of SBE and M/WBE firms by Industry or commodity codes, and for establishing Annual Aspirational Goals and Contract-by-Contract Subcontracting Goals.

Certification – the process by which the Small Business Office (SBO) staff determines a firm to be a bona-fide small, minority-, women-owned, or emerging small business enterprise. Emerging Small Business Enterprises (ESBEs) are automatically eligible for Certification as SBEs. Any firm may apply for multiple Certifications that cover each and every status category (e.g., SBE, ESBE, MBE, or WBE) for which it is able to satisfy eligibility standards. The SBO staff may contract these certification services to a regional Certification agency or other entity. For purposes of Certification, the City may accept any firm that is certified by local government entities and other organizations identified herein that have adopted Certification standards and procedures similar to those followed by the SBO, provided the prospective firm satisfies the eligibility requirements set forth in the Ordinance No. 2016-05-19-0367 Section III.E.6.

City – refers to the City of San Antonio, Texas.

Commercially Useful Function – an S/M/WBE firm performs a Commercially Useful Function when it is responsible for execution of the work of the contract and is carrying out its responsibilities by actually performing, staffing, managing and supervising the work involved. To perform a Commercially Useful Function, the S/M/WBE firm must also be responsible, with respect to materials and supplies used on the contract, for negotiating price, determining quantity and quality, ordering the material, and installing (where applicable) and paying for the material itself. To determine whether an S/M/WBE firm is performing a Commercially Useful Function, an evaluation must be performed of the amount of work subcontracted, normal industry practices, whether the amount the S/M/WBE firm is to be paid under the contract is commensurate with the work it is actually performing and the S/M/WBE credit claimed for its performance of the work, and other relevant factors. Specifically, an S/M/WBE firm does not perform a Commercially Useful Function if its role is limited to that of an extra participant in a transaction, contract or project through which funds are passed in order to obtain the appearance of meaningful and useful S/M/WBE participation, when in similar transactions in which S/M/WBE firms do not participate, there is no such role performed.

Such subcontracting goals may be set and applied by the GSC on a contract-by-contract basis to those types of contracts that provide subcontract opportunities for performing Commercially Useful Functions wherein:

- (1) There have been ongoing disparities in the utilization of available M/WBE Subcontractors; or
- (2) Race-Neutral efforts have failed to eliminate persistent and significant disparities in the award of prime contracts to M/WBEs in a particular Industry Category or industry segment (e.g., Construction contracts, Professional Services contracts, and Architectural and Engineering contracts), and subcontract opportunities are limited outside of City contracts.

When specified by the GSC, the M/WBE Subcontracting Program may also be required to reflect Good Faith Efforts that a Prime Contractor or vendor has taken (or commits to taking in the case of solicitations that do not include a detailed scope of work or those in which price cannot be considered a factor in evaluation), toward attainment of subcontracting goals for M/WBE firms.
