In Control: Municipal Utilities Committee

DEPARTMENT: Finance Department

DEPARTMENT HEAD: Troy Elliott

COUNCIL DISTRICTS IMPACTED: Citywide

SUBJECT:

CPS Energy on its proactive transmission approach to meet expected load growth.

SUMMARY:

CPS Energy on the impacts of load growth within the Electric Reliability Council of Texas (ERCOT) market, and local load growth, to transmission planning.

BACKGROUND INFORMATION:

ERCOT, the organization that oversees the Texas power grid, has predicted a significant increase in power demand by 2030 across the state. CPS Energy expects proportionate load growth in its service territory from a variety of growth drivers and is making the necessary investments to fulfill its obligation to serve all customers. This includes investments in transmission infrastructure and strategies for supporting load growth from residential and commercial large load customers.

ISSUE:

CPS Energy on the transmission impacts of load growth in ERCOT and locally.
