Overlay District Information:

The “AHOD” Airport Hazard Overlay District, due to the location of the property and its proximity to an airport or approach path, does not restrict permitted uses, but can require additional review of construction plans by both the Development Services Department and the Federal Aviation Administration.

The “HL” Historic Landmark, “HS” Historic Significant or “HE” Historic Exceptional overlay district designation signifies the historic architectural character or cultural significance of the structure or location. Historic Landmark designations do not affect the possible uses of the property but do regulate the exterior aesthetic of the structure. Building plans and permit

applications will be subject to review by the Office of Historic Preservation and the Historic and Design Review Commission (HDRC) prior to any permits being issued.

The Beacon Hill Neighborhood Conservation District (NCD-5) is an overlay zoning district that contains design guidelines for rehabilitation of existing residential and commercial development. Property owners, together with the Department of Planning and Community Development staff, develop the design guidelines. These guidelines can address building materials, height, size, massing, signage, sidewalk location, etc. A zoning review is performed by the Zoning Section of the Development Services Department.

RECOMMENDATION:

Staff Analysis and Recommendation: Staff and Zoning Commission recommend Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on approval criteria below.

1. **Consistency:** The subject property is located within the Midtown Neighborhood Land Use Plan, adopted October 2000, and is currently designated as “Low Density Residential” in the use component of the plan. Application of the historic landmark is consistent with the goals and objectives of the adopted plan.
2. **Adverse Impacts on Neighboring Lands:** Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed rezoning is for the application of historic designation and does not change the current use or base zoning designation.
3. **Suitability as Presently Zoned:** The proposed rezoning is for the application of “HL” Historic Landmark Overlay designation and does not change the current base zoning designation.
4. **Health, Safety and Welfare:** Staff has not found indication of likely adverse effects on the public health, safety, or welfare.
5. **Public Policy:** The request does not appear to conflict with any public policy objective. Relevant principles and goals of the Midtown Neighborhoods Plan
 - Goal 1: Economic Development- Revitalize and enhance the neighborhoods’ historic commercial centers.
 - Objective 1.1: Historic Character - Preserve the historic character of the neighborhood commercial centers along Blanco, Fredericksburg, Hildebrand, Flores, and San Pedro.
6. **Size of Tract:** The 0.3390-acre site is of sufficient size to accommodate the existing residential development and historic designation.
7. **Other Factors:** The request for landmark designation was initiated by the owner. The application is for an “HL” Historic Landmark designation for a “R-5” Residential Single-Family District.

On November 1, 2023, the Historic and Design Review Commission (HDRC) approved a Finding of Historic Significance, identifying the property as historically significant based on criteria listed in Section 35-607 (b) of the Unified Development Code. The criteria identified

as being applicable to the subject property are specified below. HDRC concurred with the applicant that 930 and 934 West Lullwood Avenue met UDC criterion [35-607(b)5], [35-607(b)8], and [35-607(b)13] for a finding of historic significance in the process of seeking designation as a local historic landmark.

In order to be eligible for landmark designation, a property must meet at least three of the criteria; 930 and 934 West Lullwood Avenue meets three.
