- **Call to Order** - The meeting was called to order by Chair, Katie Wilson, at 11:27 AM.
- **Roll Call** – Sara Wamsley Estrada, Housing Policy Administrator, called the roll. At the time when roll call was conducted, seven (7) members were present representing a quorum.
- 1. **Public Comments** – Wilson announced there were thirteen (13) residents signed up for public comment. (*Video timestamp: 41:00*)
  - 1. **Item #6e:** Sunny Davila, District 4 resident and President-elect for the San Antonio Apartment Association (SAAA), read a statement noting that SAAA supports veterans and believes that veterans should have access to safe and stable housing. Davila stated the Veterans Affairs Supportive Housing (VASH) Program is meant to be voluntary. Where large housing providers are able to navigate through the program requirements, many private owner-operators opt to not participate due to costly regulatory barriers and coordination. SAAA asked the Commission to consider policy changes for removing barriers through collaborative stakeholder engagement to ensure housing for veterans.
  - 2. **Item #6e:** Jose Arzola, Commander of the American GI Forum (AGIF) Miguel Hernandez, Jr. Chapter, stated his support of ending source of income discrimination (SOID) against veterans. Arzola noted from his experience working with the VASH

Program through his non-profit, that the process needed to be streamlined and that we should not be satisfied with the status quo. He emphasized the need to ensure veterans do not stay homeless.

3. **Item #6e:** Pete Bernal stated his support of a policy to end housing voucher discrimination against veterans. Bernal stated many veterans are better served residing close to support facilities and need the VASH Program to help them live near those facilities. He requested Commissioners consider the policy as a hand up, not a handout, for veterans to reclaim a meaningful purpose in the community.
4. **Item #6e and #2:** Roman Pena, Commander of the AGIF of Bexar County and Chairman of Our Casas, stated his support of ending SOID for veterans. Pena noted that landlords in the northside oppose housing vouchers where many of the veteran hospitals and facilities are located. Pena also noted his support for the Community Land Trust model and was pleased to see the Mexican American Unity Council (MAUC) and Esperanza Peace and Justice Center's involvement.
5. **Item #6e:** Rich Acosta, President of My City is My Home; Treasurer of AGIF of Bexar County; Housing Chair of VSW 9186, stated his support of ending SOID for veterans. Acosta also noted support from YWCA and the Abundant Life Christian Fellowship Church. He stated Fort Worth passed a policy for veterans and joined with an organization to do third party inspections and assist in reducing the wait time for veterans.
6. **Item #6e:** Marlana Stricker, representative of My City is My Home and Stricker Relocation Services, stated her support of ending SOID for veterans. She noted there are several programs and resources in place to assist property owners and operators if damage does occur to rented property.
7. **Item #6e:** Steven Price, representative of the Voices of Our Veterans, stated his support of ending SOID for veterans. Price read a press release regarding U.S. Representatives Scott Peters and Adam Shift reintroduction of the Fair Housing Improvement Act of 2023 to protect veterans and low-income families from housing discrimination and requested that the legislation be introduced and passed in San Antonio.
8. **Item #6e:** Laurence Romo, retired Lieutenant Colonel from the US Air Force, stated his support of ending SOID for veterans. Romo noted that Fort Worth increased their support of veterans by creating new programs with direct services to veterans experiencing homelessness and an ordinance amending discrimination against veteran's lawful source of income.
9. **Item #2:** Graciela Sanchez noted Rene Gonzales, Ray Morales and Leticia Sanchez were present and representatives of the Esperanza Community Land Trust (CLT). She shared the CLT has the same boundaries as the Historic Westside Residents Association. Sanchez noted the journey for the Esperanza CLT and is awaiting amendments to the City's CLT policies to ensure their CLT is able to function correctly at all levels of government.
10. **Item #2, 3, and 5:** Leticia Sanchez, Co-chair of the Historic Westside Residents Association, stated the City was not making large enough strides for affordability and requested the Housing Bond funding be used to increase units at or below 30% AMI (area median income). Sanchez noted the Esperanza CLT had already assisted one resident that was in danger of foreclosure. She also requested an audience with the Removing Barriers to Affordable Housing Preservation and Development subcommittee (RBSC) as one of the planned Transit-Oriented Development (TOD) lines runs through their community and they are worried they would be priced out from their houses.
11. **Item #3 and 6e:** Kayla Miranda, housing advocate and resident of Alazan-Apache Courts, noted the precedent that the Esperanza CLT has created for San Antonio.

Miranda also noted her support for ending SOID for low-income families.

12. **Item #3:** Ana Polanco, a coalition member from the Westside, stated she is more aware of the resources available to the community through these meetings. She is also aware of the growing needs in the community and supports increased funding to address housing that provides dignity to people. Polanco requested more help in distributing the information for resources to the community. Polanco stated families receiving resources or assistance would have a great impact in their wellbeing.
