RECOMMENDATION:

Staff Analysis and Recommendation: Staff Recommends Approval.

The proposed Plan Amendment from “Neighborhood Commercial” to “Community Commercial” is requested to rezone the property to “C-2NA CD” Commercial Non-Alcoholic Sales District with a Conditional Use for Office Warehouse (Flex Space). While “Neighborhood Commercial” is an appropriate land use designation for the subject property, “Community Commercial” is also in alignment with the existing development pattern. The subject property fronts a local street but is located near the intersection of a local street and a secondary arterial, where commercial zoning is already established. This aligns with the location criteria described in the description of the “Community Commercial” land use category. The surrounding properties have future land use designations of “Neighborhood Commercial”, “Community Commercial” and “Low Density Residential”, the requested “Community Commercial” is consistent with the land use of surrounding properties.
