A. SBEDA Program

City has adopted a Small Business Economic Development Advocacy Ordinance (Ordinance No. 2016-05-19-0367 and as amended, also referred to as “SBEDA” or “the SBEDA Program”), which is posted on City’s Economic Development (hereafter referred to as “EDD”) website page and also is available in hard copy form upon request to City. The SBEDA Ordinance Compliance Provisions contained in this Exhibit 1 are governed by the terms of said Ordinance, as well as by the terms of the SBEDA Ordinance Policy & Procedure Manual established by City, pursuant to said Ordinance, and any subsequent amendments to this referenced SBEDA Ordinance and SBEDA Policy & Procedure Manual in effect as of the date of the execution of this Agreement. Unless defined in a contrary manner herein, terms used in this Exhibit 1 shall be subject to the same expanded definitions and meanings as given those terms in the SBEDA Ordinance and as further interpreted in the SBEDA Policy & Procedure Manual.

B. SBEDA Program Compliance – Affirmative Procurement Initiatives

City has applied the following contract-specific Affirmative Procurement Initiatives to this Agreement. Grantee hereby acknowledges and agrees the selected API requirement also shall be extended to any change order or subsequent contract modification and, absent SBO’s granting of a waiver, that its full compliance with the following API terms and conditions are material to its satisfactory performance under this Agreement:

SBE Subcontracting Program. In accordance with SBEDA Ordinance Section III. D. 1. (d), this contract is being awarded pursuant to the SBE Subcontracting Program. The Grantee agrees to subcontract at least **sixteen percent (16%)** of its prime contract value to certified SBE firms headquartered or having a Significant Business Presence within the San Antonio Metropolitan Statistical Area (SAMSA).

Grantee shall submit a **Subcontractor/Supplier Commitment Form** to the City with this funding agreement. Failure to include a completed, signed copy of the Subcontractor/Supplier Commitment Form acknowledging the subcontracting goal(s) for this funding will render this contract voidable. *As the comprehensive scope of work is established*, Grantee agrees to submit a **Subcontractor/Supplier Utilization Plan** with the names of the certified SBE, M/WBE, and AABE Subcontractors to be used by Grantee on this contract, the respective percentages of the total prime contract dollar value to be awarded and performed by each SBE, M/WBE, and AABE Subcontractor, and documentation including a description of each SBE, M/WBE, and AABE Subcontractor’s scope of work and confirmation of each SBE, M/WBE, and AABE Subcontractor’s

commitment to perform such scope of work for an agreed upon dollar amount is to be attached and incorporated by reference into the material terms of this Agreement.

In the absence of a waiver granted by the SBO, the failure of the Grantee to attain this subcontracting goal for SBE, M/WBE, and AABE firm participation in the performance of a Commercially Useful Function under the terms of its contract shall be a material breach and grounds for termination of the contract with the CITY, and may result in debarment from performing future CITY contracts, withholding of payment for retainage equal to the dollar amount of the underutilization below the agreed upon SBE, M/WBE, and AABE subcontracting goal, and/or shall be subject to any other remedies available under the terms of this Agreement for violations of the SBEDA Ordinance, or under any other law.

C. Contract Requirements and Commitment

Grantee understands and agrees the following provisions shall be requirements of this Funding Agreement and Grantee, in acknowledging these requirements, commits to comply with these provisions.

Waiver Request - Grantee may request, for good cause, a full or partial Waiver of **specified subcontracting goal(s)** by submitting the *Respondent/ Vendor Subcontracting Waiver Request* form (available at <http://www.sanantonio.gov/SBO/Forms.aspx>). Grantee's Waiver request fully must document Consultant, Sub-Consultant, Contractor, Subcontractor and/or Supplier unavailability despite Grantee's good faith efforts to comply with the goal. Such documentation shall include all good faith efforts made by Grantee including, but not limited to, which Consultants, Sub-Consultants, Contractors, Subcontractors and/or Suppliers were contacted (with phone numbers, e-mail addresses and mailing addresses, as applicable) and the method of contact.

D. SBEDA Program Compliance – General Provisions

Grantee acknowledges and accepts the terms of City's SBEDA Ordinance, as amended, together with all requirements, guidelines and procedures set forth in City's SBEDA Policy & Procedure Manual, are in furtherance of City's efforts at economic inclusion and, moreover, such terms are part of Grantee's Scope of Work, as referenced in City's Funding Agreement, forming the basis for a Funding Agreement award and subsequent execution of this Agreement. These SBEDA Ordinance requirements, guidelines and procedures hereby are incorporated by reference into this Agreement and are considered by the Parties hereto to be material terms. Grantee's agreement fully to comply with these SBEDA program terms is a material condition for being awarded this Funding Agreement by City. Without limitation, Grantee further agrees to the following terms as part of its contract compliance responsibilities under City's SBEDA Program:

1. 7. In instances wherein the SBO determines that a Commercially Useful Function is not actually being performed by the applicable S/M/WBE or HUBZone firms listed in a GRANTEE's Subcontractor / Supplier Utilization Plan, the GRANTEE shall not be given credit for the participation of its S/M/WBE or HUBZone Subcontractor(s) or joint venture partner(s) toward attainment of S/M/WBE or HUBZone firm utilization goals, and the GRANTEE and its listed S/M/WBE firms or HUBZone firms may be subject to sanctions and penalties in accordance with the SBEDA Ordinance.

C. 1. of the SBEDA Ordinance. As part of such compliance, Grantee shall not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation or, on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring or commercial treatment of Consultant(s), Sub-Consultant(s), Contractor(s), Subcontractor(s), Suppliers vendors or commercial customers, nor shall Grantee retaliate against any person for reporting instances of such discrimination. In the event of Grantee's noncompliance with these prompt payment provisions, no new City contracts shall be issued to Grantee until City's audit of previous subcontract payments is complete and payments are verified to be in accordance with the specifications of the Agreement.

H. Definitions

Affirmative Procurement Initiatives (hereafter referred to as “API”) – refers to various Small Business Enterprise, Minority Business Enterprise, and/or Women Business Enterprise (hereafter referred to as “S/M/WBE”) Program tools and Solicitation Incentives that are used to encourage greater prime contract and subcontract participation by S/M/WBE firms, including bonding assistance, evaluation preferences, subcontracting goals and joint venture incentives. (For full descriptions of these and other S/M/WBE program tools, see Section III. D. of Attachment A to the SBEDA Ordinance).

Centralized Vendor Registration System (hereafter referred to as “CVR”) – refers to a mandatory electronic system wherein City requires all prospective Consultants, Sub-Consultants, Contractors and Subcontractors ready, willing and able to sell goods or services to City to register. The CVR system assigns a unique identifier to each registrant that is then required for the purpose of submitting solicitation responses and invoices and for receiving payments from City. The CVR-assigned identifiers also are used by City’s Goal Setting Committee for measuring relative availability and tracking utilization of SBE and M/WBE (as defined herein) firms by Industry or commodity codes and for establishing annual aspirational Goals and contract-by-contract Subcontracting Goals.

Certification or “Certified” – refers to the process by which City’s Small Business Office (hereafter referred to as “SBO”) staff determines a firm to be a bona-fide small, minority-, women-owned or emerging small business enterprise. Emerging Small Business Enterprises (hereafter referred to as “ESBEs”) automatically are eligible for Certification as SBEs. Any firm may apply for multiple Certifications covering each and every status category (e.g., SBE, ESBE, MBE, or WBE) for which it is able to satisfy eligibility standards. The SBO staff may contract these services to a regional Certification agency or other entity. For purposes of Certification, City accepts any firm that is certified by local government entities and/or other organizations identified herein that have adopted Certification standards and procedures similar to those followed by the SBO, provided the prospective firm satisfies the eligibility requirements set forth in this Ordinance in Section III.E.6 of Attachment A.

Commercially Useful Function – means a S/M/WBE firm performs a Commercially Useful Function when it is responsible for execution of a distinct element of the work of the contract and is carrying out its responsibilities by actually performing, staffing, managing and supervising the work involved. To perform a Commercially Useful Function, the S/M/WBE firm also must be responsible, with respect to materials and supplies used on the contract, for negotiating price, determining quantity and quality, ordering the material and installing (where applicable) and paying for the material itself. To determine whether an S/M/WBE firm is performing a Commercially Useful Function, an evaluation must be performed of the amount of work subcontracted, normal industry practices, whether the amount the S/M/WBE firm is to be paid under the contract is commensurate with the work it actually is performing, the S/M/WBE credit claimed for its performance of the work and other relevant factors. Specifically, an S/M/WBE firm does

not perform a Commercially Useful Function if its role is limited to that of an extra participant in a transaction, contract or project through which funds are passed in order to obtain the appearance of meaningful and useful S/M/WBE participation when, in similar transactions in which S/M/WBE firms do not participate, there is no such role performed. The use of S/M/WBE firms by Grantee to perform such “pass-through” or “conduit” functions that are not commercially useful shall be viewed by City as fraudulent, if Grantee attempts to obtain credit for such S/M/WBE participation towards the satisfaction of S/M/WBE participation goals or other API participation requirements. As such, under such circumstances where a commercially useful function is not actually performed by the S/M/WBE firm, Grantee shall not be given credit for the participation of its S/M/WBE Consultant(s), Sub-Consultant(s), Contractor(s), Subcontractor(s), Suppliers or joint venture partner towards attainment of S/M/WBE utilization goals, and Grantee and S/M/WBE firm may be subject to sanctions and penalties in accordance with the SBEDA Ordinance.

Good Faith Efforts – means the documentation of Grantee’s intent to comply with S/M/WBE Program Goals and procedures including, but are not limited to, the following:

(1) documentation reflecting Grantee’s commitment to comply with SBE or M/WBE Program Goals as established by the GSC for a particular contract; or

(2) documentation of efforts made toward achieving the SBE or M/WBE Program Goals (e.g., timely advertisements in appropriate trade publications and publications of wide general circulation; timely posting of SBE or M/WBE subcontract opportunities on the City of San Antonio website; solicitations of bids/proposals/qualification statements from all qualified SBE or M/WBE firms listed in the Small Business Office’s directory of certified SBE or M/WBE firms; correspondence from qualified SBE or M/WBE firms documenting their unavailability to perform SBE or M/WBE contracts; documentation of efforts to subdivide work into smaller quantities for subcontracting purposes, to enhance opportunities for SBE or M/WBE firms; documentation of a Prime Consultant’s posting of a bond covering the work of SBE or M/WBE Consultant(s), Sub-Consultant(s), Contractor(s), Subcontractor(s) and/or Suppliers; documentation of efforts to assist SBE or M/WBE firms with obtaining financing, bonding or insurance required by Grantee and the solicitation; and documentation of consultations with trade associations and Consultant(s), Sub-Consultant(s), Contractor(s), Subcontractor(s) and/or Suppliers representing the interests of SBE and/or M/WBEs in order to identify qualified and available SBE or M/WBE Consultant(s), Sub-Consultant(s), Contractor(s), Subcontractor(s) and/or Suppliers). The appropriate form and content of Grantee’s Good Faith Efforts documentation shall be in accordance with the SBEDA Ordinance as interpreted in the SBEDA Policy & Procedure Manual.

****** Workers in this classification may be entitled to a higher minimum wage under Executive Order 14026 (\$17.75) or 13658 (\$13.30). Please see the Note at the top of the wage determination for more information. Please also note that the minimum wage requirements of Executive Order 14026 are not currently being enforced as to any contract or subcontract to which the states of Texas, Louisiana, or Mississippi, including their agencies, are a party. Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at <https://www.dol.gov/agencies/whd/government-contracts>.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (iii)).

The body of each wage determination lists the classifications and wage rates that have been found to be prevailing for the type(s) of construction and geographic area covered by the wage determination. The classifications are listed in alphabetical order under rate identifiers indicating whether the particular rate is a union rate (current union negotiated rate), a survey rate, a weighted union average rate, a state adopted rate, or a supplemental classification rate.

Union Rate Identifiers

A four-letter identifier beginning with characters other than ""SU"", ""UAVG"", ?SA?, or ?SC? denotes that a union rate was prevailing for that classification in the survey.

Example:

PLUM0198-005 07/01/2024. PLUM is an identifier of the union whose collectively bargained rate prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. The date, 07/01/2024 in the example, is the effective date of the most current negotiated rate.

Union prevailing wage rates are updated to reflect all changes over time that are reported to WHD in the rates in the collective bargaining agreement (CBA) governing the classification.

Union Average Rate Identifiers

The UAVG identifier indicates that no single rate prevailed for those classifications, but that 100% of the data reported for the classifications reflected union rates.

EXAMPLE:UAVG-OH-0010 01/01/2024. UAVG indicates that the rate is a weighted union average rate. OH indicates the State of Ohio. The next number, 0010 in the example, is an internal number used in producing the wage determination. The date, 01/01/2024 in the example, indicates the date the wage determination was updated to reflect the most current union average rate. A UAVG rate will be updated once a year, usually in January, to reflect a weighted average of the current rates in the collective bargaining agreements on which the rate is based.

Survey Rate Identifiers

The ""SU"" identifier indicates that either a single non-union rate prevailed (as defined in 29 CFR 1.2) for this classification in the survey or that the rate was derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As a weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SUFL2022-007 6/27/2024. SU indicates the rate is a single non-union prevailing rate or a weighted average of survey data for that classification. FL indicates the State of Florida. 2022 is the year of the survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. The date, 6/27/2024 in the example, indicates the survey completion date for the classifications and rates under that identifier. ?SU? wage rates typically remain in effect until a new survey is conducted. However, the Wage and Hour Division (WHD) has the discretion to update such rates under 29 CFR 1.6(c)(1).

State Adopted Rate Identifiers

The ""SA"" identifier indicates that the classifications and prevailing wage rates set by a state (or local) government were adopted under 29 C.F.R 1.3(g)-(h). Example: SAME2023-007 01/03/2024. SA reflects that the rates are state adopted. ME refers to the State of Maine. 2023 is the year during which the state completed the survey on which the listed classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. The date, 01/03/2024 in the example, reflects the date on which the classifications and rates under the ?SA? identifier took effect under state law in the state from which the rates were adopted.

----- WAGE DETERMINATION APPEALS PROCESS

- 1) Has there been an initial decision in the matter? This can be:
 - a) a survey underlying a wage determination
 - b) an existing published wage determination

- c) an initial WHD letter setting forth a position on a wage determination matter
- d) an initial conformance (additional classification and rate) determination

On survey related matters, initial contact, including requests for summaries of surveys, should be directed to the WHD Branch of Wage Surveys. Requests can be submitted via email to davisbaconinfo@dol.gov or by mail to:

Branch of Wage Surveys
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

Regarding any other wage determination matter such as conformance decisions, requests for initial decisions should be directed to the WHD Branch of Construction Wage Determinations. Requests can be submitted via email to BCWD-Office@dol.gov or by mail to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.

2) If an initial decision has been issued, then any interested party (those affected by the action) that disagrees with the decision can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Requests for review and reconsideration can be submitted via email to dba.reconsideration@dol.gov or by mail to:

Wage and Hour Administrator

The request should be accompanied by a full statement of the interested party's position and any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:
