SUMMARY:

Pedcor Investments-2024-CCVIII, LP is seeking a Resolution of No Objection for its application to the Texas Department of Housing and Community Affairs (TDHCA) for the 2025 or 2026 Non-Competitive 4% Housing Tax Credits (HTC) program for the construction of a 312-unit affordable multi-family rental housing development named West Dell Apartment Homes, located at approximately 11400 Alamo Ranch Parkway in San Antonio's ETJ.

BACKGROUND INFORMATION:

The Texas Department of Housing and Community Affairs' (TDHCA) Housing Tax Credit (HTC) program is one of the primary means of directing private capital toward the development and preservation of affordable rental housing for low-income households in the state of Texas. HTCs are awarded to eligible participants to offset a portion of their federal tax liability in exchange for the production or preservation of affordable rental housing.

The TDHCA administers two HTC programs: a Competitive 9% and a Non-Competitive 4%. This application is for the Non-Competitive 4% HTC Program, which is available year-round and requires a Resolution of No Objection from the local governing body to satisfy requirements of the TDHCA's Uniform Multifamily Rules.

On November 18, 2021, City Council updated the Housing Tax Credit (HTC) Policy for the issuance of Resolutions of Support and Resolutions of No Objection. The policy included an increased focus on deeper affordability, proximity to transit, inclusion of sustainable or green features, and working with local businesses. Under the City's application process, developers submit applications for Resolutions of Support or Resolutions of No Objection to the City on behalf of their affiliated entity that will apply to TDHCA for HTCs.
