BACKGROUND INFORMATION:

Digital Media and Arts Pilot Program

In January 2022, members of Outfront Media and the Urban Activation Institute approached the City of San Antonio Development Services Department (DSD) with a proposal for San Antonio to create one or more urban and entertainment districts using outdoor media platforms. In January 2024, the Planning and Community Development Committee (PCDC) directed DSD to bring back a proposal outlining options for a pilot program.

National Poetry Month

Launched by the Academy of American Poets in 1996, National Poetry Month is one of the largest literary celebrations in the world. The City of San Antonio joined National Poetry Month in 2009 to raise awareness about the importance of poetry and celebrate the spoken and written word. The 2025 National Poetry Calendar coordinated by the Department of Arts and Culture includes more than 40 poetry events throughout the city.

Confluence of Cultures: Nuestra Gente, Cultura y Comida Poetry Night

This event is in part of the programming for the *Confluence of Culture: Nuestra Gente, Cultura y Comida* exhibition currently on view at the Culture Commons Gallery. This exhibition was organized in collaboration with the City of San Antonio World Heritage Office and brings together 20 San Antonio-based artists who explore the merging of cultures that made their home and shaped their people. Through paintings, drawings, prints, sculptures and installation pieces, San Antonio artists explore the legacy that has created a City of Gastronomy and World-Heritage-designated missions. The exhibition will be on view until January 16, 2026. Culture Commons is located in the Plaza de Armas Building and is managed by the Department of Arts and Culture. It consists of a storefront gallery located on the first and second floors as well as a 1,500 sq. ft. exhibit hall that features visual art exhibits, performances, invited speakers and workshops. The vision for Culture Commons is to serve as the City of San Antonio's cultural space that integrates the arts into our civic conversation by encouraging creativity, supporting local culture and engaging our community in transforming the future.
