

# Strategic Partnership Agreement Public Hearing 1

## **POSTING LANGUAGE:**

First public hearing on the Strategic Partnership Agreement between the City of San Antonio and the Boerne Stage Road Public Improvement District, generally located southwest of Interstate Highway 10 West and Highway 46, and west of Boerne Stage Road, in the extraterritorial jurisdiction of the City of San Antonio in Bexar County. [John Peterek, Interim Assistant City Manager; Bridgett White, Director, Planning]

**DEPARTMENT:** Planning

**DEPARTMENT HEAD** Bridgett White

**COUNCIL DISTRICTS IMPACTED:** ETJ near City Council District 8

## **SUBJECT:**

First public hearing on the Strategic Partnership Agreement between the City of San Antonio and the Boerne Stage Road Special Improvement District.

## **SUMMARY:**

First public hearing regarding the Strategic Partnership Agreement between the City of San Antonio and the Boerne Stage Road Special Improvement District, generally located southwest of Interstate Highway 10 West and Highway 46 and west of Boerne Stage Road, in the City of San Antonio's extraterritorial jurisdiction in Bexar County.

## **BACKGROUND**

The City of San Antonio (City) provided its consent to the creation by Bexar County of the Boerne Stage Road Special Improvement District (District), also known as a public improvement district, and approved the execution of a Development Agreement with the Owners of the District property (Owners) on April 20, 2023. The Bexar County Commissioner's Court created the District on May 2, 2023. The District consists of 167.73 acres and is generally located southwest of the intersection of Interstate Highway 10 and Highway 46, and west of Boerne Stage Road in the City's extraterritorial jurisdiction (ETJ) in northwest Bexar County. City Council District 8 is the closest to the District.

As a condition of the City's consent, the Owners and the City entered into a Development Agreement. The Owners agreed to comply with the City's development and land use regulations, voluntary annexation terms for the District land, and other provisions. In addition, the Development Agreement included the framework of a Strategic Partnership Agreement (SPA) between the City and the District. City staff negotiated the SPA's conditions with the Board of Directors of the District (Board). The SPA binds each Owner and future Owners of land included in the District property on the date the SPA becomes effective.

# Strategic Partnership Agreement Public Hearing 1

## **ISSUE**

This is the first public hearing on the SPA between the City and the Boerne Stage Road Special Improvement District (District). The second public hearing and consideration of the SPA will be held on October 3, 2024. The City provided notices for two public hearings on the SPA, published in the San Antonio Express newspaper on September 13, 2024. The City's public hearings and publication of the public hearing notices are required by State Law. The Board held its public hearings on November 13, 2023, and December 11, 2023, in advance of the City's public hearings, as required by State law.

The proposed SPA includes the following provisions:

- The District provides its consent to limited purpose annexation by the City of the commercial properties in the District for the purpose of imposing and collecting sales and use taxes in commercial properties effective upon the second plat application in the District. [The City cannot levy property taxes on these properties.]
- Future annexation terms and other provisions, which would bind each Owner and future Owners of land included within the territory of the District on the date the SPA becomes effective.
- The District will pay for costs related to the SPA and future limited purpose annexation and will reimburse the City for legal recordings of the SPA with Bexar County Real Property Records.
- After the effective date of the limited purpose annexation of the commercial property, the City will begin sales tax collections in the annexed properties in the District. In the annexed properties, up to a two percent sales tax will be levied.
- The City will remit to the District an amount equal to 25% of the sales tax revenues collected within the annexed commercial property.

Currently, the District property is undeveloped and there are no residents in the commercial areas in the District. The City is not required to provide any services in the proposed limited purpose annexation areas.

## **ALTERNATIVES:**

There is no alternative associated with this public hearing.

## **FISCAL IMPACT:**

This public hearing does not have any fiscal impact to the City. The City will prepare a financial impact study when the City annexes the commercial properties in the District for limited purposes.

## **RECOMMENDATION:**

Action will be required at the consideration of the Ordinance authorizing the execution of the SPA with the Boerne Stage Road Special Improvement District.
