April 3, 2024

MAKING SAN ANTONIO
WATERFUL

Leading Utility of the World

Partnerships & Sustainability

Internationally Recognized

Technical Innovation

2023 Fastest Growing Large City in the Nation

Impact Fees

- One-time payment made by developers to cover the capital costs of infrastructure needed for growth
- Allows growth to pay for itself, not ratepayers

Impact Fee Review Process

Texas Local Government Code 395 Statutory Requirements

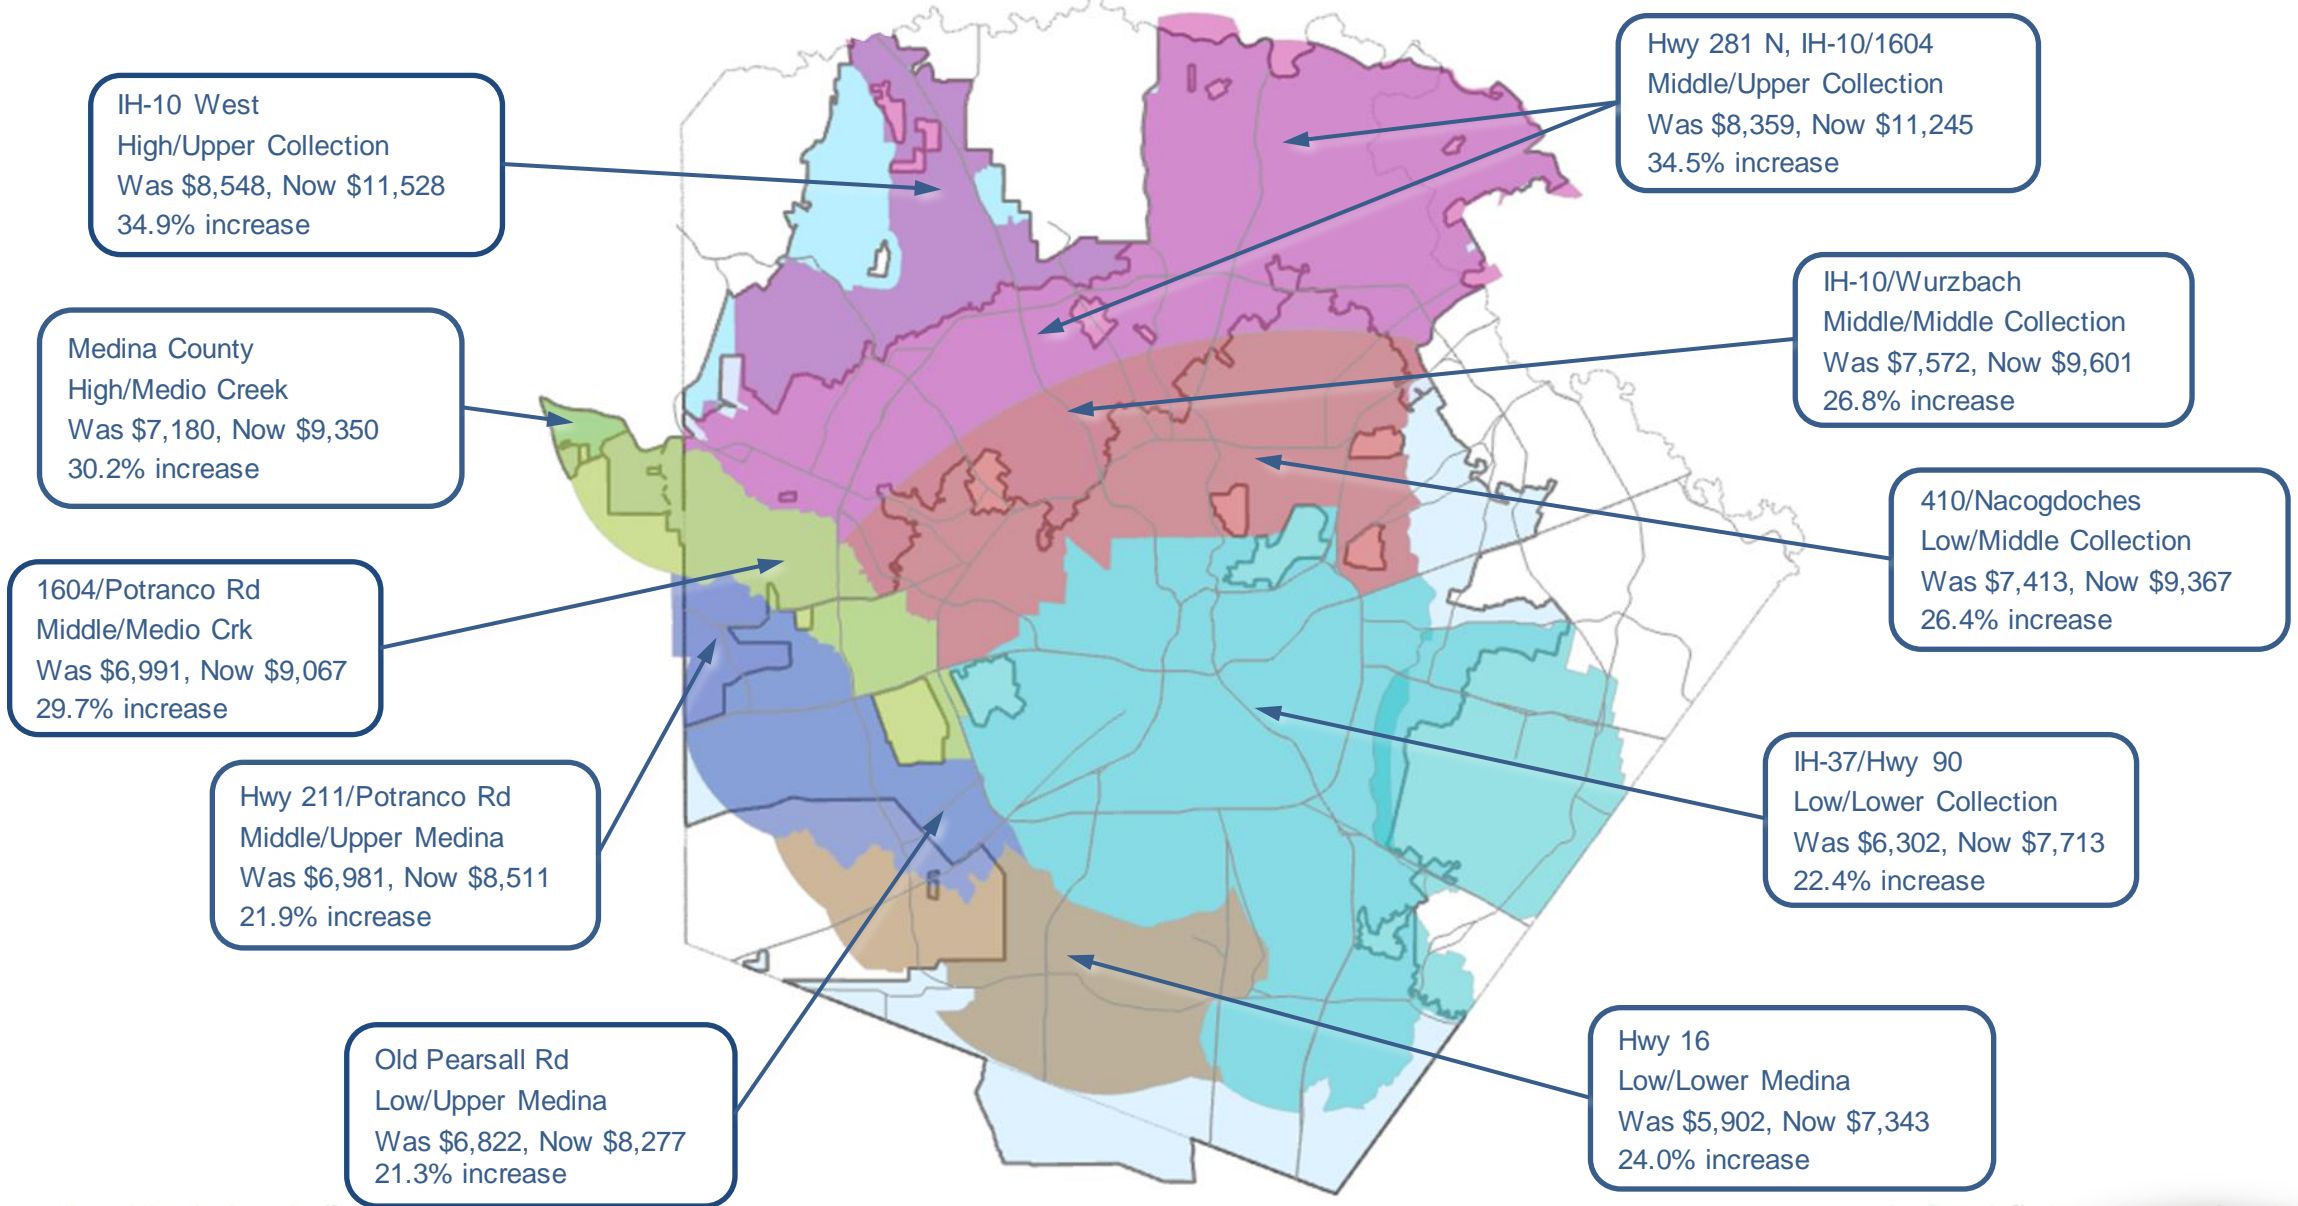

- Updated every 5 years
- Council appointed Capital Improvements Advisory Committee (CIAC) reviews and approves
 - Land Use Assumptions Plan (LUAP)
 - Impact Fee Capital Improvements Plan (CIP)
 - Calculation of Maximum Impact Fee
- 40% of members represent real estate/building industry

CIAC Findings and Recommendation

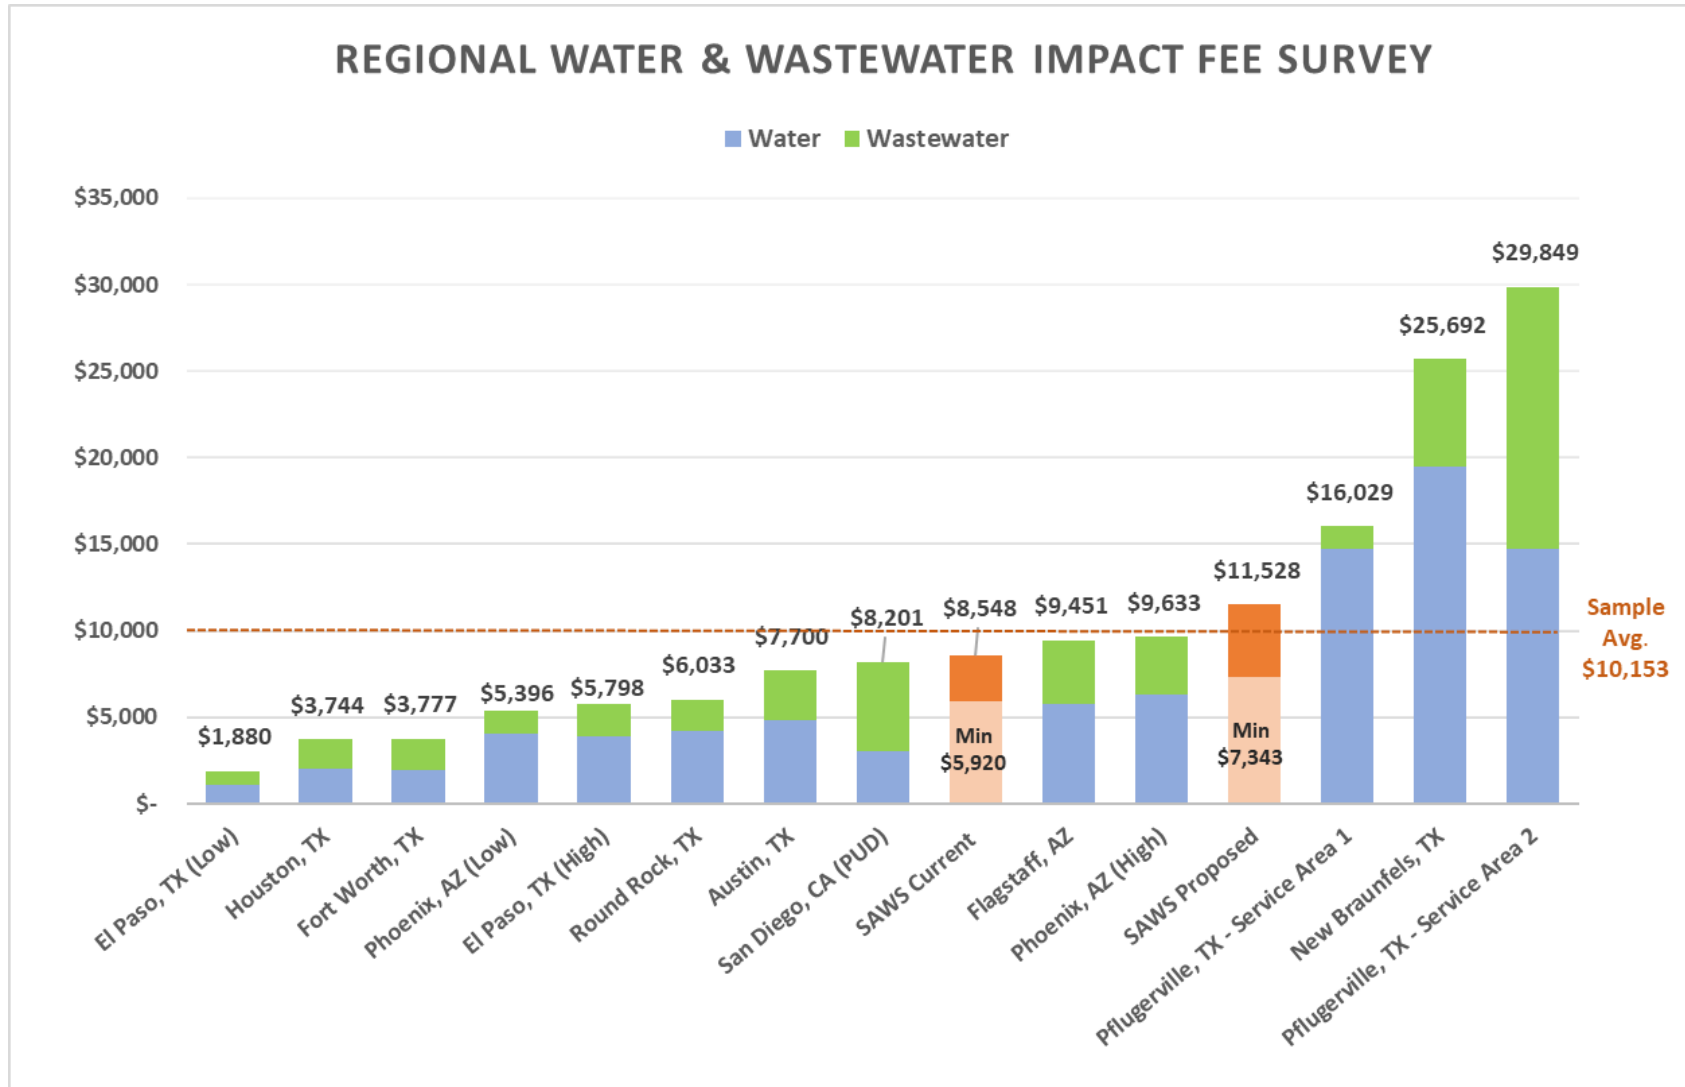

In Accordance with Texas Local Government Code 395

- LUAP 2024-2033
 - 161,030 new water EDUs
 - 148,129 new wastewater EDUs
- Growth related CIP
 - \$1.5 billion in projects over next 10 years
- Maximum impact fee calculation
 - Water supply, water delivery and wastewater

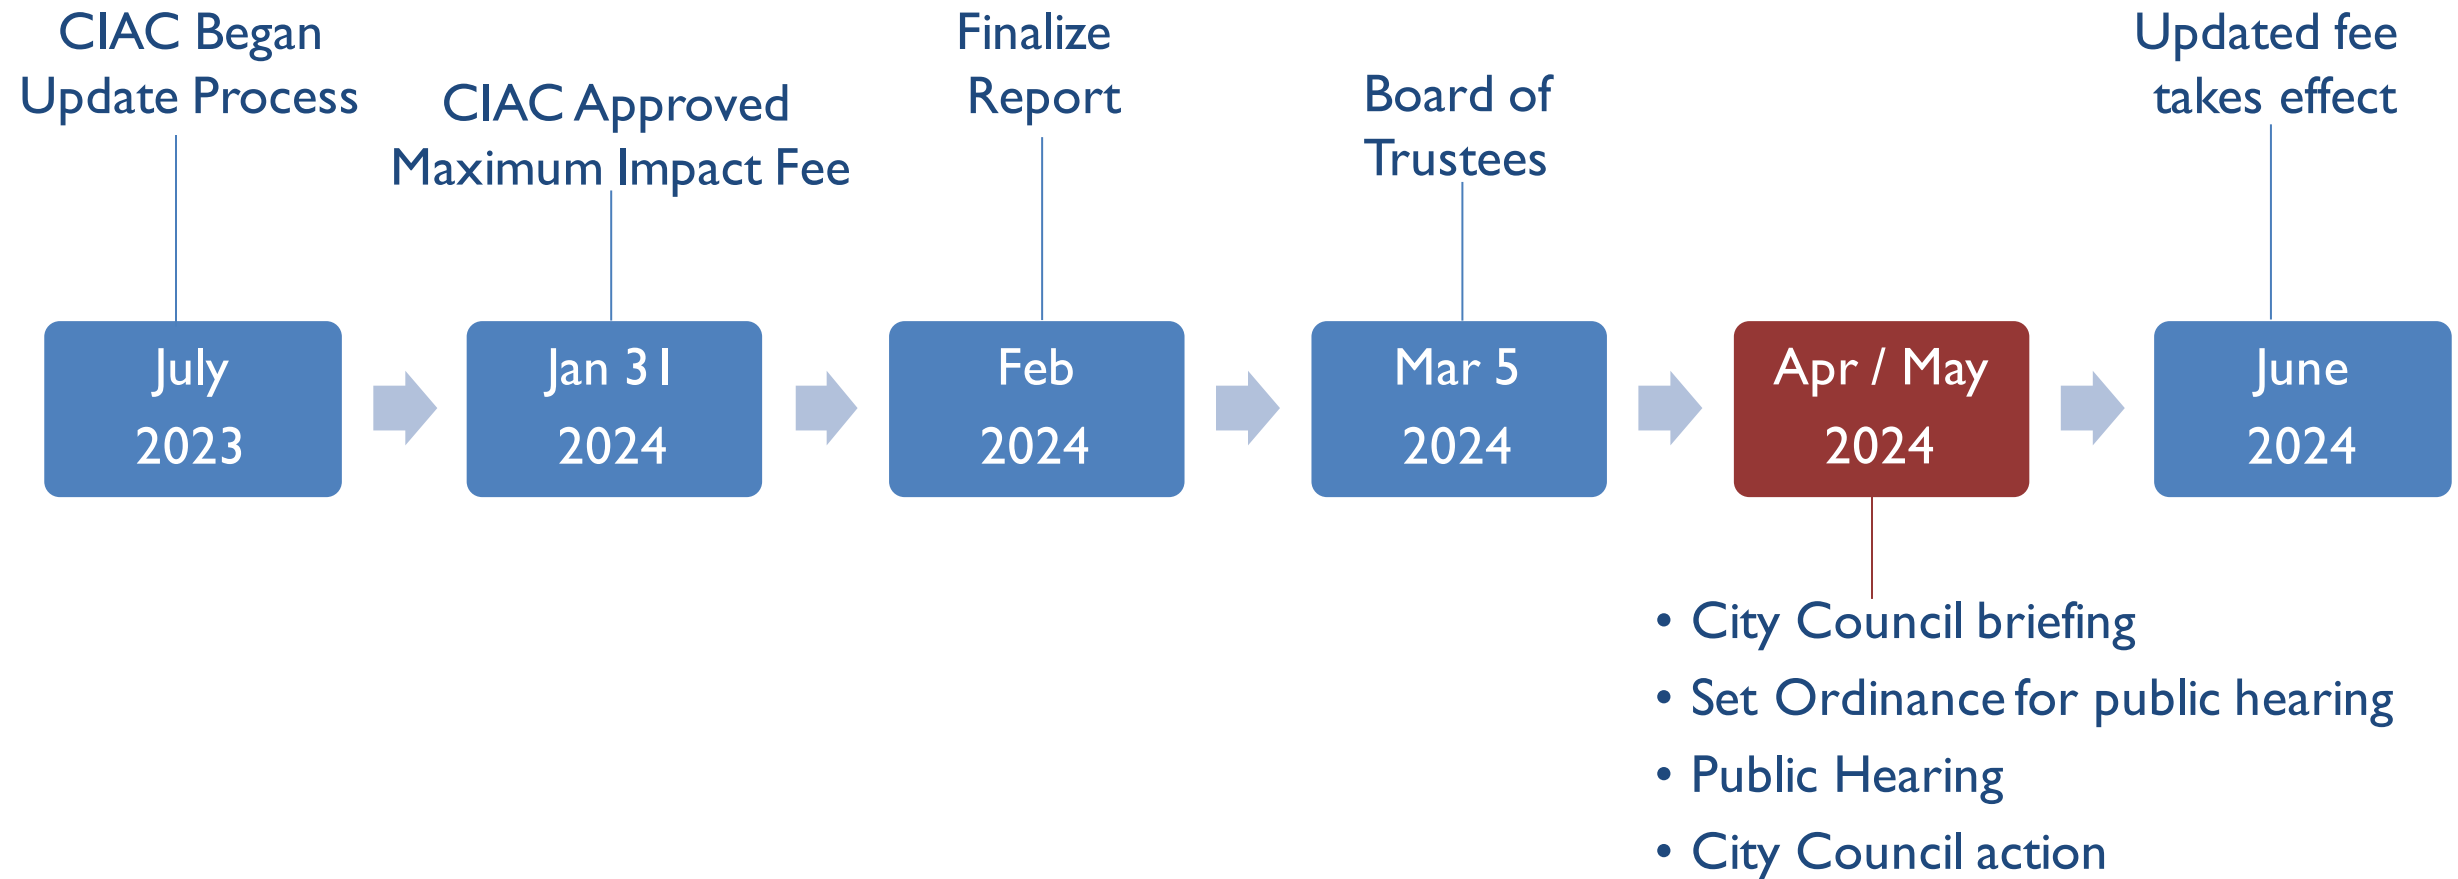

Comparison to Other Utilities

Community Outreach
