CITY OF SAN ANTONIO
ELECTRIC VEHICLE-for-HIRE (EV) RULES AND REGULATIONS

SECTION 5100. ELECTRIC VEHICLE for HIRE (EV) PERMITTING

5100. The number of vehicle permits shall be limited to 15 permits standard permits

~~**5101.** 5 limited permits may be issued during the year 2024 and shall expire six months from the date of the signed permit agreement, with the terms, conditions, and limitations to be determined by the director.~~

~~**5101.** The Director is authorized to issue up to 5 permits to be utilized in the operation through VIA Links/Little Runner. These permits shall be issued to the company awarded the contract with VIA/Little Runner and remain in effect for the duration of said contract.~~

~~a. A company that is awarded the VIA Links contract shall provide the City with a copy of the fully executed contract as evidence of the award including, but not limited to, contract length, requirements, and events of termination as outlined in the contract.~~

~~b. The number of permits shall equal the required number of vehicles outlined in the VIA Links/Little Runner contract, not to exceed 5 permits.~~

~~c. These permits shall meet all Electric Vehicle-for-Hire requirements outlined in Chapter 33 and the Rules and Regulations.~~

~~d. These Permits shall not be transferable to any other contract or use outside of said contract.~~

~~e. These Permits shall become void upon the conclusion, cancellation, or termination of said contract.~~

~~f. The Director may suspend or revoke these permits for failure to meet the requirements outlined in Chapter 33 or the Rules and Regulations without notification.~~

5102. Permits will be issued on a first-come, first-serve basis.

5103 - 5199. Reserved
