Dear Mr. Hairell:

On August 2, 2022, the Aquifer Protection and Evaluation Section of the San Antonio Water System (SAWS) received a letter issued by your office requesting a category determination for the above-referenced project. Based on a review of the documentation submitted and in accordance with Chapter 34, Article VI, Division 6, Section 34-925 of the City Code, Category 1 classification of Hidden Canyon Unit 2A, approximately 29.06 acres, is confirmed.

Please be aware that the occurrence of a "substantial alteration", as identified in Section 34-926 of the City Code, may result in a loss of Category 1 status and may cause a recategorization of the property or portion(s) thereof. Upon the expiration of the application(s) or permit(s) causing the property to be designated Category 1; the property will automatically be placed in its appropriate category as of the date of expiration.

If you have any questions regarding this matter, please contact Bruce Keels at (210) 233-3173.
