**DEPARTMENT:** Public Works Department

**DEPARTMENT HEAD:** Razi Hosseini

**COUNCIL DISTRICTS IMPACTED:** District 3

**SUBJECT:**

Utility Reimbursement: Mission Road (SE Military Drive to San Antonio River)

**SUMMARY:**

An ordinance authorizing the City of San Antonio to accept reimbursement from CPS Energy in the amount of \$780,027.62 related to the construction of street lighting on the Mission Road (SE Military Drive to San Antonio River) Street Project, a 2017 Bond Program funded project, located in Council District 3.

**BACKGROUND INFORMATION:**

On May 6, 2017, voters approved the 2017 Bond Program, which authorized \$2,000,000.00 for the Mission Road Project located in Council District 3. This project included the construction of continuous street illumination assemblies, electrical service, and underground infrastructure along both sides of Mission Road from S.E. Military Drive to the San Antonio River and along Acequia Road from Mission Road to Ashley Road. Project construction was completed on December 1, 2022.

CPS Energy is reimbursing the City in the amount of \$780,027.62 for the construction of continuous street illumination assemblies, electrical service, and underground infrastructure along

both sides of Mission Road from S.E. Military Drive to the San Antonio River and along Acequia Road from Mission Road to Ashley Road.

**ISSUE:**

This ordinance authorizes the City of San Antonio to accept reimbursement from CPS Energy in the amount of \$780,027.62 related to the construction of street lighting on the Mission Road (SE Military Drive to San Antonio River) Street Project, a 2017 Bond Program funded projects, located in Council District 3.

This reimbursement of \$780,027.62 from CPS Energy is for the construction of continuous street illumination assemblies, electrical service, and underground infrastructure along both sides of Mission Road from S.E. Military Drive to the San Antonio River and along Acequia Road from Mission Road to Ashley Road. Project construction was completed on December 1, 2022.

**ALTERNATIVES:**

City Council could choose not to approve this reimbursement of funds; however, this will deviate from established City illumination design and construction procedures. The most cost-effective option would be to approve the reimbursement of funds from CPS Energy.

**FISCAL IMPACT:**

This ordinance authorizes the acceptance of funds in the amount of \$780,027.62 from CPS Energy for related expenses towards the construction of continuous street illumination assemblies, electrical service, and underground infrastructure along both sides of Mission Road from S.E. Military Drive to the San Antonio River and along Acequia Road from Mission Road to Ashley Road related to Mission Road (SE Military Drive to San Antonio River) Street Project, a 2017 Bond Program funded project.

**RECOMMENDATION:**

Staff recommends approval of this ordinance authorizing the acceptance of reimbursement from CPS Energy in the amount of \$780,027.62 related to the construction of street lighting on the Mission Road (SE Military Drive to San Antonio River) Street Project.
