**ORDINANCE**

**AUTHORIZING A SECOND AMENDMENT TO THE AGREEMENT  
WITH OMNI LA MANSION DEL RIO, INC. FOR PARKING SPACES  
IN THE HOUSTON STREET GARAGE TO ADJUST THE LEASE  
RATES AND THE NUMBER OF PARKING SPACES. REVENUE  
FROM THIS AMENDMENT WILL BE DEPOSITED IN THE

**WHEREAS**, on February 12, 2004, the City entered into a 25-year lease agreement with La Mansion del Rio, Inc. for 125 parking spaces in the Houston Street Garage to provide valet parking for Mokara Hotel patrons and for other needs of the hotel; and

**WHEREAS**, the monthly rate outlined in the current agreement escalates when year-over-year revenue increases at the Houston Street Garage. There is also a charge to offset City staffing costs related to operating the garage. During the pandemic, many businesses closed or reduced services and many workers were allowed to work from home; and

**WHEREAS**, this reduced revenue generated at the garage; however, the contract stipulated that the rate would never decrease – even as revenues for the garage decreased dramatically. As a result, the annual rate as outlined in the agreement remained constant during the pandemic and then escalated by approximately 78% between contract years 2021 and 2024, as revenues from the garage began to recover; and

**WHEREAS**, this large rate increase was inconsistent with the spirit and intent of the agreement. Staff recognized this inconsistency and billed an annual escalation of roughly 4.75% during this period, while understanding that the contract would require a future amendment to reflect this change; and

**WHEREAS**, an amendment in 2020 stipulated that the number of spaces would decrease to 100 spaces from 125 spaces for a one-year period and then then revert back to 125 on October 21, 2021. The hotel did not require this return to 125 contracted spaces and City staff accommodated a request to remain at 100 spaces.

**WHEREAS**, the amendment will set the number of spaces under contract at 100 from October 2021 through the end of the agreement and reflects the amount actually billed to Mokara and sets future annual escalations on a fixed schedule for the remainder of the term.

**NOW THEREFORE:**
