

City of San Antonio

Agenda Memorandum

File Number:

POSTING LANGUAGE: Ordinance amending the Design Services Agreement with WGI, Inc. in the increased amount of \$93,180, for a total contract amount of \$1,511,788, for additional civil engineering services funded by San Antonio Water System for a shared use path for pedestrians and bikes to provide connectivity from Avenue B and Maverick Park to Lockwood Dignowity Park (Hays Street Bridge Connections, 2022 General Obligation Bond Linear Greenway Trails Project). [John Peterek, Assistant City Manager; Razi Hosseini, Director, Public Works]

Agenda Item Number: 7

Agenda Date: June 26, 2025

In Control: City Council A Session

DEPARTMENT: Public Works Department

DEPARTMENT HEAD: Razi Hosseini

COUNCIL DISTRICTS IMPACTED: District 1, District 2

SUMMARY:

Project Background

On May 7, 2022, voters approved the 2022 Bond Program, which authorized \$103,530,000 for the Linear Greenway Trail Improvements to acquire and preserve open space for the development of multi-use trails along San Antonio creekways, greenways, and urban corridors. The Hays Street Bridge Connections, a 2022 Bond Linear Greenway Project, is part of this project. It is currently under design and anticipated to be complete with design by Spring 2025.

During the design process, SAWS reviewed the proposed infrastructure intended for the tree wells along the east side of the project and decided that the infrastructure may inhibit their ability in the future to perform maintenance along their water main alignment. WGI, Inc. provided a proposal to modify the design to meet the needs of SAWS future maintenance.

This project will construct a 12-foot shared use path for pedestrians and bikes to provide connectivity to Downtown, Maverick Park, and Hays Street Bridge. Other proposed improvement will include pedestrian lighting, trees, and tree cells along the shared use path, and roadway improvements as necessary.

Previous City Council Action

On November 10, 2022, the City Council approved the professional services agreement with WGI, Inc., in the amount of \$1,341,728.64 for civil engineering services for the Hays Street Bridge Connections, a 2022 Bond Linear Greenway Project. This proposed amendment will increase the contract capacity by \$93,180 to a revised contract amount of \$1,511,788.64.

The following table illustrates the proposed amendment since the execution of this agreement:

Item	Amount
Original Contract Capacity	\$1,341,728.64
Previous Amendments	\$76,880.00
Proposed Amendment	\$93,180.00
New Contract Capacity	\$1,511,788.64

This amendment authorizes and compensates WGI, Inc., for additional civil engineering services related to the Hays Street Bridge Connections, a 2022 Bond Linear Greenway Project.

FISCAL IMPACT:

An ordinance authorizing a contract amendment in the amount of \$93,180 payable to WGI, Inc., for additional civil engineering services funded by San Antonio Water System for a shared use path for pedestrians and bikes to provide connectivity from Avenue B and Maverick Park to Lockwood Dignowity Park (Hays Street Bridge Connections) a 2022 General Obligation Bond Linear Greenway Project. Funding of \$93,180 will be reimbursed by San Antonio Water System and deposited into the Linear Greenway Trails project.
