  - GCF P5: Invest in needed amenities and infrastructure that will facilitate higher-density development in the city’s priority growth areas.Relevant Goals and Objectives of the Heritage South Sector Plan may include:
  - Goal LU-1: Land uses that are compatible with neighboring properties that preserve natural and cultural resources, neighborhood character, and economic viability.
  - Goal LU-2: Design guidelines for non-residential uses to encourage compatibility of adjacent properties.
  - Goal LU 3: Urban, commercial, and rural development are concentrated in strategic areas supported by targeted public and private investments.
  - Goal LU-5: A community that applies sustainable development patterns and principles.
- 6. Size of Tract:** The subject property is 5 acres, which can reasonably accommodate the proposed commercial development.
- 7. Other Factors:** The Conditional Use zoning procedure is designed to provide for a land use that is not permitted by the established zoning district, but due to individual site considerations or unique development requirements would be compatible with adjacent land uses under given conditions.

The Conditional Use is for Auto and Light Truck Repair.

The applicant has submitted a site plan in accordance with the requirements of the code. The site plan indicates commercial uses.

In accordance with the San Antonio City Unified Development Code, the Office of Historic Preservation reviews all demolition applications for any property located within the city limits of San Antonio. Approval of a zoning change does not imply approval of or take the place of such demolition review as directed by the UDC. To date, the Office of Historic Preservation has not received an application for demolition at this address and a demolition application with OHP will be required if demolition is a listed scope of work.

State Highway 181 is a TxDot Highway and will likely only allow one (1) access point to the property from Highway 181.
