Agenda Item Number: 3

Agenda Date: October 15, 2024

In Control: Public Safety Committee

DEPARTMENT: Police Department

DEPARTMENT HEAD: William McManus, Chief of Police

COUNCIL DISTRICTS IMPACTED: Citywide

SUBJECT:

Interlocal Cooperation Contract between Texas State University and the San Antonio Police Department

SUMMARY:

The San Antonio Police Department (SAPD) will provide the Public Safety Committee with a briefing on a proposed Interlocal Cooperation Contract between Texas State University and the San Antonio Police Department for the continued participation in the State of Texas' Tobacco Enforcement Program by conducting buy/stings to address and reduce the illegal sale or distribution of cigarettes, e-cigarettes, and tobacco products to persons who are younger than 21 years of age.

This Interlocal Cooperation Contract to participate in the State of Texas' Tobacco Enforcement Program is scheduled for City Council consideration at "A" Session on October 31, 2024.

BACKGROUND INFORMATION:

Since 2011, as part of the State of Texas' Tobacco Enforcement Program ("TEP"), the Texas School Safety Center at Texas State University ("Texas State") contracts with counties and municipalities to enable local law enforcement agencies, like the San Antonio Police Department ("SAPD"), to enforce Subchapter H, Chapter 161, Texas Health and Safety Code in a manner that can reasonably be expected to reduce the extent to which cigarettes, e-cigarettes, and tobacco products are illegally sold or distributed to persons who are younger than 21 years of age. Texas State relies on the local sheriffs, constables, or police departments to enforce this subchapter.

Selected law enforcement agencies providing services under this Interlocal Cooperation contract conduct on-site controlled buy/stings. The SAPD records and submits monthly activity reports to Texas State and receives reimbursement for each completed buy/sting conducted for the program.

The most recent Interlocal Cooperation Contract between SAPD and Texas State University, covering the period of January 4, 2024, through August 31, 2024, was approved by City Council in November 2023. This agreement funded a maximum of 900 separate buy/stings at a reimbursement rate of \$125 per sting for a total revenue of \$112,500. SAPD conducted 900 separate buy/stings and issued a total of 101 citations as part of the FY 2024 Tobacco Enforcement Program.

ISSUE:

This Interlocal Cooperation Contract between SAPD and Texas State University will allow a maximum 1,000 separate buy/stings at a reimbursement rate of \$125 per sting. Total reimbursement is estimated to be \$125,000. The term of this contract will be effective upon full execution and will terminate on August 31, 2025.

Approval of this contract will allow SAPD to participate in the State of Texas' Tobacco Enforcement Program by conducting controlled buy/stings to reduce children's access to tobacco.

FISCAL IMPACT:

Under the terms of the agreement, Texas State will pay SAPD for the allowed maximum of 1,000 separate buy/stings at a reimbursement rate of \$125 per sting. Total reimbursement collected under this contract is not to exceed \$125,000 for the term of the contract. Funds collected from this contract will be the Tobacco Enforcement account.

ALTERNATIVES:

None.

RECOMMENDATION:

Staff recommends that the Public Safety Committee supports the execution of an Interlocal Cooperation Contract with Texas State University and forward the item to the full City Council for approval at the October 31st “A” Session.
