Dear Mr. Melnick,

VIA appreciates the opportunity to participate on the Climate Ready Advisory Committee, and I submit Ms. Abigail Kinnison, Director of Capital Programs, as VIA's Ex Officio representative in this role.

Abigail oversees VIA's Passenger Amenities and Real Estate Service Divisions as well as serving as an executive management team member, thus she has the expertise necessary to represent the Agency on public transportation and land use related initiatives related to encouraging and enabling public transportation in our community.

Please let me know if you need additional information from me, or feel free to reach out directly to Abigail.

Sincerely,
