The applicant is rezoning to develop two dwelling units.

The applicant has submitted a site plan in accordance with the requirements of the code. The site plan indicates residential uses.

The subject property is located within the Fort Sam Houston Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, JBSA was notified of the proposed request. The Military has indicated that there are no objections to this request.

The subject property is located within the Martindale Army Airfield Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, Texas Army National Guard and JBSA were notified of the proposed request. The Military has indicated that there are no objections to this request.

The proposed rezoning maintains the residential base district but is seeking additional density for use as residential dwelling units. A rezoning application does not allow Short Term Rentals (STRs) as a use by right. Any applicant seeking to operate an STR must follow the appropriate City and Unified Development Code (UDC) processes and is required to apply and qualify for STR permit(s) through those processes. Short Term Rentals are governed by the UDC Section 16.1100. Also see Section 35-374.01 for STR density limitations, Section 35-399 for establishment regulations, and Section 35-482 for procedures regarding consideration of special exceptions.
