

# City of San Antonio

## Agenda Memorandum

**File Number:**  
**{{item.tracking\_number}}**

---

**Agenda Item Number:** {{item.number}}

**Agenda Date:** September 17, 2024

**In Control:** Airport Advisory Commission Meeting

---

**DEPARTMENT:** Aviation Department

**DEPARTMENT HEAD:** Jesus H. Saenz Jr.

**COUNCIL DISTRICTS IMPACTED:** Citywide

### **SUBJECT:**

Ground Transportation Center Phase 1 and Terminal A Ground Load Facility Projects Update at the San Antonio International Airport

### **SUMMARY:**

Development Administrator Sam Rodriguez will present to the Airport Advisory Commission with updates on two infrastructure projects at the San Antonio International Airport: Ground Transportation Center (GTC) Phase 1 and Terminal A Ground Load Facility. The briefing will provide information on both projects to the Commission for their input.

### **BACKGROUND INFORMATION:**

Recently, City Council approved moving forward with two major projects at the San Antonio International Airport. During the FY 2025 Aviation Department Budget presentation in August 2024, the department presented a pre-solicitation briefing on a design-build contract for the GTC project. This project will design and construct a new structure for additional public parking and

centralize the operations for VIA, shuttle and charter buses, taxis and rideshare. The intent is to release the solicitation in November for a contract award in summer 2025.

On September 5, 2024, City Council approved a change order to the design-build contract for the Terminal A Ground Load Facility which included the ability to accelerate other projects by incorporating them into this project. For example, the construction of a second baggage belt for the Federal Inspection Station in Terminal A, originally a stand-alone project, will now be done under this contract.

**ISSUE:**

Development Administrator Sam Rodriguez will present to the Airport Advisory Commission with updates on two infrastructure projects at the San Antonio International Airport: Ground Transportation Center (GTC) Phase 1 and Terminal A Ground Load Facility. The briefing will provide information on both projects to the Commission for their input.
