Describe your Educational history.	BA of Business Administration from Texas A and M University Corpus Christi
Describe your Professional History & Certification designations (Current and historical).	In 2012, I started my first company in the oilfield with my brother as my business partner and added multiple services lines, employees, and rental equipment. Over the past couple of years, I have been involved in other companies in various industries and continue to look for opportunities and growth in the business community. Today, I am part of a second oilfield company, own investment properties around San Antonio, and sell Frac Sand for a company out of Poteet. Managment is one of my strengths, but logistics

	and relationships is where I thrive.
Describe your Volunteer Experience & Community Service	Unfortunately, I haven't been able to volunteer over the past several years. My husband and I have four kids with three of them five years old and younger. Now that the kids are getting older, I am looking to be more involved in volunteering within the community.
