NOTICE OF PUBLIC HEARING BUILDING STANDARDS BOARD

As the owner, lienholder, mortgagee of record, or person responsible for the above property, you are hereby notified that pursuant to Article VIII, Chapter 6 of the City Code of San Antonio, Texas, a public hearing will be held before the City of San Antonio Building Standards Board (BSB) on May 1, 2025 at 9:00 a.m. at the Cliff Morton Development and Business Services Center, One Stop Building, located at 1901 S. Alamo St.

An investigation by the Code Enforcement Section has found the referenced property to be in violation of the San Antonio Property Maintenance Code (SAPMC). The specific violations observed are listed below:

Sub-Section	Section Description	Violation Detail
304.9 Overhang extensions	All overhang extensions including, but not limited to canopies, marquees, signs, metal awnings, fire escapes, standpipes and exhaust ducts shall be maintained in good repair and be properly anchored so as to be kept in a sound condition. When required, all exposed surfaces of metal or wood shall be protected from the elements and against decay or rust by periodic application of weather-coating materials, such as paint or similar surface treatment.	Repair all overhang extensions on structure with proper building permits.
304.13 Window, skylight and door frame	Every window, skylight, door, and frame shall be kept in sound condition, good repair, and weather tight.	Repair all structural window frames throughout interior and exterior structure with proper building permits.
604.3 Electrical system hazards	Where it is found that the electrical system in a structure constitutes a hazard to the occupants or the structure by reason of inadequate service, improper fusing, insufficient receptacle and lighting outlets, improper wiring or installation, deterioration, or damage, or for similar reasons, the code official shall require the defects to be corrected to eliminate the hazard.	Repair all electrical hazards throughout interior and exterior structure with proper building permits.

Notice of the violation and a correction order was provided to the person responsible. The Code Enforcement Section has initiated a hearing before the BSB. The purpose of this hearing is to determine whether the above property has been in violation of the SAPMC. If at the conclusion of the hearing the BSB finds that a violation existed, it may order action to be taken to abate the violation, assess a civil penalty up to \$1,000 per day, or both.

You or a designated representative may present testimony and evidence on your behalf at the hearing for the BSB's consideration. The Code Enforcement Section will present evidence regarding the condition of the property and will recommend actions to abate any violations found by the BSB.
