RECOMMENDATION:

Staff Analysis and Recommendation: Staff recommends Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on approval criteria below.

1. **Consistency:** The subject property is not located within a Neighborhood, Community, or Sector Plan therefore a finding of consistency is based on existing and surrounding zoning and uses.
2. **Adverse Impacts on Neighboring Lands:** Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed use is consistent with the established development pattern of the surrounding area. Surrounding properties are zoned “R-4” Residential Single-Family District and “C-2” Commercial District.
3. **Suitability as Presently Zoned:** The existing “C-2” Commercial District is not an appropriate zoning for the property and surrounding area. The proposed “R-4” Residential Single-Family District is more appropriate for the property. The applicant is rezoning to reflect the existing use of the property as a single-family home. Castroville Road has established residential uses. It is unlikely that commercial uses would occur on a property located between two existing single-family homes.
4. **Health, Safety and Welfare:** Staff has not found indication of likely adverse effects on the public health, safety, or welfare.
5. **Public Policy:** The request does not appear to conflict with any public policy objectives of the San Antonio Tomorrow Plan.

Housing Goals:

- Housing Goal 2: A variety of housing types (single-family detached, single-family attached, multifamily, as well as ownership and rental opportunities) is available at a variety of price and rent levels.
 - Housing Goal 3: Housing choices are available in walkable and bikeable neighborhoods located near transit, employment, retail, medical and recreational amenities.
6. **Size of Tract:** The 0.126 acre site is sufficient in size to accommodate the proposed residential development.
 7. **Other Factors:** The subject property is located within the Lackland AFB Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, JBSA was notified of the proposed request.
