Re: File No. 2523 – Category Determination Request for 2.185 acres **33 Champions Run**  
located on 33 Champions Run, San Antonio, Texas 78258.

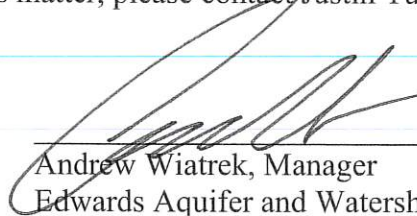

Dear Mr. Ranton,

On May 1, 2024, the Aquifer Protection and Evaluation Section of the San Antonio Water Systems (SAWS) received a letter issued by your office requesting a category determination for the above-referenced project. Based on a review of the documentation submitted and in accordance with Chapter 34, Article VI, Division 6, Section 34-925 of the City Code, Category 1 Classification of NCB 19218 Block 1 Lot 128 Champions Unit 2, approximately 2.185 acres is confirmed.

Please be aware that the occurrence of a “substantial alteration”, as identified in Section 34-926 of the City Code, may result in a loss of Category 1 status, and may cause a recategorization of the property of portion(s) thereof. Upon the expiration and/or modification of the plat(s), application(s), or permit(s) causing the property to be designated Category 1; the property will automatically be placed in its appropriate category as of the date of expiration.

If you have any questions regarding this matter, please contact Justin Turknett at (210) 233-3523.

Sincerely,
