Dear Mr. Tan:

On May 2, 2008, the Resource Protection Division of the San Antonio Water System received a letter issued by your office requesting determination of Category classification for the above-referenced project. Based on a review of the documentation submitted and other information in the possession of the Resource Protection Division, and in accordance with Chapter 34, Article VI, Division 6, Section 34-925 of the City Code, **Category 1** classification for the **Valvin Subdivision** is confirmed.

Please be aware that the occurrence of a "substantial alteration", as identified in Section 34-926 of the City Code, may result in a loss of Category 1 status and may cause a recategorization of the property or portions(s) thereof. Upon the expiration of the application(s) or permit(s) causing the property to be designated Category 1, the property will automatically be placed in its appropriate category as of the date of expiration.

If you have any questions regarding this matter, please contact the Aquifer Protection & Evaluation Section at 210/233-3520.
