Property Details

Property History: The property was annexed into the City of San Antonio by Ordinance 83132, dated December 31, 1995, and zoned Temporary “R-1” Single-Family Residence District. The property was rezoned by Ordinance 86429, dated August 14, 1997, to “B-2” Business District. Under the 2001 Unified Development Code, established by Ordinance 93881, dated May 03, 2001, the property zoned “B-2” Business District converted to the current “C-2” Commercial District. The property was rezoned by Ordinance 2016-02-18-0154, dated February 18, 2016, to the current “MPCD” Master Planned Community District.

ALTERNATIVES:

Current Zoning: “MPCD” Master Plan Community Development encourages the development of areas of mixed uses that are internally compatible in an effort to achieve well designed development and provide a more efficient arrangement of land uses, building and circulation systems.

Proposed Zoning: “MPCD” Master Plan Community Development encourages the development of areas of mixed uses that are internally compatible in an effort to achieve well designed development and provide a more efficient arrangement of land uses, building and circulation systems.

The request is to amend the Master Planned Community District site plan to allow drive-thru facilities on Parcel C-1.

FISCAL IMPACT:

None.

PROXIMITY TO REGIONAL CENTER/PREMIUM TRANSIT CORRIDOR:

The subject property is not within a Regional Center or within the Premium Transit Corridor.

RECOMMENDATION:

Staff Analysis and Recommendation: Staff recommends Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on approval criteria below.

1. **Consistency:** The subject property is located within the San Antonio International Airport Vicinity Land Use Plan and is currently designated as “Regional Commercial” in the future land use component of the plan. The requested “MPCD” base zoning district is consistent with the future land use designation.
2. **Adverse Impacts on Neighboring Lands:** Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed use is consistent with the established development pattern of the surrounding area.
3. **Suitability as Presently Zoned:** The existing “MPCD” Master Planned Community District is an appropriate zoning for the property and surrounding area. The “MPCD” base zoning district will remain for the property, however a change to the MPCD site plan is being proposed on Parcel C-1 to allow drive-thru facilities. This is an appropriate use for the property, as this area currently allows for commercial uses. The amendment to allow drive-thru facilities will encourage new development, specifically food service establishments on the property.
4. **Health, Safety and Welfare:** Staff has not found indication of likely adverse effects on the public health, safety, or welfare.
5. **Public Policy:** The request does appear to conflict with any public policy objectives.

Relevant Goals and Policies of the San Antonio International Airport Vicinity Land Use Plan may include:

- Objective 2.2 Encourage commercial development that respects the integrity of existing residential development.
- Objective 4.4 Support commercial redevelopment through comprehensive rezoning and incentive zoning.

6. **Size of Tract:** The 1.8940-acre site is of sufficient size to accommodate the proposed commercial development.
7. **Other Factors:** The request is to amend the Master Planned Community District site plan to allow drive-thru facilities for various uses on Parcel C-1. Currently, the site plan prohibits drive-thru uses on noted parcels. There are no other changes proposed to the site plan at this time.

The applicant has submitted a site plan in accordance with the requirements of the code. The site plan indicates commercial uses.
