ARTICLE 4. USE OF LEASED PREMISES

Lessee shall use the leased premises for any and/or all of the following aviation-related activities:

Solely for the parking of aircraft and the loading, unloading, storage and sorting of air cargo as well as general office uses related to an air cargo express operation.

ARTICLE 5. LEASE TERM

5.1 The term of this Lease Agreement shall be one (1) year, commencing on February 1, 2025 ("Commencement Date") and shall terminate on January 31, 2026, unless earlier terminated in accordance with this Lease Agreement, or upon the execution of a longer term lease for this location.

5.2 Lessor may terminate the Lease Agreement with 30 day written notice, but no sooner than July 31, 2025. Lessee may terminate agreement sooner in the event that a sublessee does not execute a sublease agreement.

5.3 The Lease term will at all times be subject to the provisions for recapture and/or early termination herein contained.

5.4 Holding Over.

It is agreed and understood that any holding over by Lessee, with Lessor's consent, after the termination of this Lease Agreement, shall not renew and extend same, but shall operate and be construed as a tenancy from month-to-month, upon all the terms and conditions set forth herein, except that rental shall be paid to Lessor by Lessee for all buildings on the Leased Premises at one hundred fifteen percent (115%) the total rental in effect as of the end of the primary term of this Lease Agreement or the ground rental rate established through appraisal. It is expressly agreed that acceptance of the foregoing rental by Lessor, in the event that Lessee fails or refuses to surrender possession, shall not operate to give Lessee any right to remain in possession beyond the period for which such amount has been paid nor shall it constitute a waiver by Lessor of its right to immediate possession

thereafter.

ARTICLE 6. INDEMNIFICATION

6.1 **LESSEE** covenants and agrees to **FULLY INDEMNIFY, DEFEND and HOLD HARMLESS**, the **CITY** and the elected officials, employees, officers, directors, volunteers and representatives of the **CITY**, individually and collectively, from and against any and all costs, claims, liens, damages, losses, expenses, fees, fines, penalties, proceedings, actions, demands, causes of action, liability and suits of any kind and nature, including but not limited to, personal or bodily injury, death and property damage, made upon the **CITY** directly or indirectly arising out of, resulting from or related to **LESSEE's** activities under this **LEASE**, including any acts or omissions of **LESSEE**, any agent, officer, director, representative, employee, consultant or subcontractor of **LESSEE**, and their respective officers, agents, employees, directors and representatives while in the exercise of performance of the rights or duties under this **LEASE**, all without however, the City waiving any governmental immunity available to the **CITY** under Texas Law and without waiving any defenses of the parties under Texas Law. **IT IS FURTHER COVENANTED AND AGREED THAT SUCH INDEMNITY SHALL APPLY EVEN WHERE SUCH COSTS, CLAIMS, LIENS, DAMAGES, LOSSES, EXPENSES, FEES, FINES, PENALTIES, ACTIONS, DEMANDS, CAUSES OF ACTION, LIABILITY AND/OR SUITS ARISE IN ANY PART FROM THE NEGLIGENCE OF CITY, THE ELECTED OFFICIALS, EMPLOYEES, OFFICERS, DIRECTORS AND REPRESENTATIVES OF CITY, UNDER THIS LEASE.** The provisions of this **INDEMNITY** are solely for the benefit of the parties hereto and not intended to create or grant any rights, contractual or otherwise, to any other person or entity. **LESSEE** shall promptly advise the **CITY** in writing of any claim or demand against the **CITY** or **LESSEE** known to **LESSEE** related to or arising out of **LESSEE's** activities under this **LEASE** and shall see to the investigation and defense of such claim or demand at **LESSEE's** cost. The **CITY** shall have the right, at its option and at its own expense, to participate in such defense without relieving **LESSEE** of any of its obligations under this paragraph.

The Certificate(s) shall be completed by an agent and signed by a person authorized by that insurer to bind coverage on its behalf. The City will not accept a Memorandum of Insurance or Binder as proof of insurance. The certificate(s) must have the agent's signature and phone number, and be mailed, with copies of all applicable endorsements, directly from the insurer's authorized representative to the City. The City shall have no duty to pay or perform under this Agreement until such certificate and endorsements have been received and approved by the City's Aviation Department. In no instance will City allow modification whereupon City may incur increased risk.

Lessee shall provide the City with said certificate and endorsement prior to the commencement of any work by the subcontractor. This provision may be modified by City's Risk Manager, without subsequent City Council approval, when deemed necessary and prudent, based upon changes in statutory law, court decisions, or circumstances surrounding this agreement. San Antonio, Texas 78216

7.7 Lessee agrees that with respect to the above required insurance, all insurance policies are to contain or be endorsed to contain the following provisions:

- Name the City, its officers, officials, employees, volunteers, and elected representatives as additional insureds by endorsement, as respects operations and activities of, or on behalf of, the named insured performed under contract with the City, with the exception of the workers' compensation and professional liability policies;
- Provide for an endorsement that the "other insurance" clause shall not apply to the City of San Antonio where the City is an additional insured shown on the policy;
- Workers' compensation, employers' liability, general liability and automobile liability policies will provide a waiver of subrogation in favor of the City.
- Provide advance written notice directly to City of any suspension, cancellation, non-renewal or material change in coverage, and not less than ten (10) calendar days advance notice for nonpayment of premium.

7.8 Within five (5) calendar days of a suspension, cancellation or non-renewal of coverage, Lessee shall provide a replacement Certificate of Insurance and applicable endorsements to City. City shall have the option to suspend Lessee's performance should there be a lapse in coverage at any time during this contract. Failure to provide and to maintain the required insurance shall constitute a material breach of this Agreement.

7.9 In addition to any other remedies the City may have upon Lessee's failure to provide and maintain any insurance or policy endorsements to the extent and within the time herein required, the City shall have the right to order Lessee to stop work hereunder, and/or withhold any payment(s) which become due to Lessee hereunder until Lessee demonstrates compliance with the requirements hereof.

7.10 Nothing herein contained shall be construed as limiting in any way the extent to which Lessee may be held responsible for payments of damages to persons or property resulting from Lessee's or its subcontractors' performance of the work covered under this Agreement.

7.11 It is agreed that Lessee's insurance shall be deemed primary and non-contributory with respect to any insurance or self insurance carried by the City of San Antonio for liability arising out of operations under this Agreement.

7.12 It is understood and agreed that the insurance required is in addition to and separate from any other obligation contained in this Agreement and that no claim or action by or on behalf of the City shall be limited to insurance coverage provided.

7.13 Lessee and any subcontractors and/or subtenants are responsible for all damage to their own equipment and/or property.

7.14 The City of San Antonio Aviation Department, Properties and Concessions Division, utilizes an insurance certificate tracking firm to verify all insurance forms required from lessees, contractors and subcontractors associated with any lease or contract. ARTICLE 8. [RESERVED]

ARTICLE 9. ADDITIONAL FEES AND CHARGES

9.1 If applicable, fuel flowage fees shall be paid by Lessee, its sublessees, permittees, and licensees (hereinafter, for purposes of this Article 9, collectively "Lessee"), to the Lessor for fuel delivered to Lessee at the Airport, in the amount per gallon, now or hereafter, established by City ordinance. Lessee agrees to keep accurate books, records and accounts of its purchase and sale of aircraft fuel delivered to it on the Airport premises. All such books, records, accounts, and supporting documentation, shall be preserved by Lessee for thirty-six (36) months, either at the Leased Premises or at the home or regional offices of Lessee, and made available, for audit purposes, to Lessor and its authorized agents or representatives, at the Leased Premises, upon request. Lessee agrees to remit, to the Aviation Director, payment and related statements, certified by the various suppliers, as to the amount of aircraft fuel delivered to the Leased Premises, by the 10th day of the month following such delivery. If no such delivery is made during a particular month, Lessee shall provide the Aviation Director with a written statement to that effect.

9.2 Lessee and all tenants and operators at the Airport, other than those engaged in the carriage of persons, cargo, mail or other property for hire (commercial aircraft operators), pursuant to City ordinance, are obligated to pay a fuel flowage fee on aircraft fuel delivered to them. Nothing herein shall relieve Lessee, its customers or others, from any field use charges levied generally by Lessor, directly or indirectly, upon the operation of aircraft at the Airport.

9.3 Fees and charges for miscellaneous items and services, including, but not limited to, employee badges, shall be assessed, by City ordinance, in connection with the ordinary usage of Airport facilities.

9.4 All rentals, fees and charges payable by Lessee to Lessor under the terms hereof, whether or not expressly denominated as rent, shall constitute rent for all purposes, including, but not limited to, purposes of the United States Bankruptcy Code.

ARTICLE 10. PRIVILEGES AND CONDITIONS

10.1 Lessor hereby grants to Lessee the following general, non-exclusive privileges, uses and rights, subject to the terms, conditions and covenants herein set forth:

"Common Airport facilities" shall include all necessary roadways, sidewalks, terminal facilities, restrooms and other common or public facilities appurtenant to said Airport.

10.1.2 The right of ingress to and egress from the Leased Premises, over and across common or public roadways serving the Airport for Lessee, its agents, servants, patrons, invitees, suppliers of service and furnishers of material. Said right shall be subject to such ordinances, rules and regulations as now, or may hereafter, apply at the Airport.

10.2 The granting and acceptance of this Lease Agreement is conditioned upon compliance with the covenant that the right to use said common Airport facilities, in common with others so authorized, shall be exercised subject to and in accordance with the laws of the United States, State of Texas and City of San Antonio, the rules and regulations promulgated by their authority with reference to aviation and navigation, and all reasonable and applicable rules, regulations and ordinances of Lessor, now in force or hereafter prescribed or promulgated by charter authority or by law.

10.3 Lessor reserves the right to enter the Leased Premises at any reasonable time for the purpose of inspecting same or verifying that fire, safety, sanitation regulations and other provisions contained in this Lease Agreement are being adhered to by Lessee.

ARTICLE 11. AS IS ACCEPTANCE AND CONDITION OF PREMISES

11.2 Lessee has had full opportunity to examine the Leased Premises. Except for environmental matters not caused by or reasonably discoverable by Lessee prior to the commencement of this Lease Agreement, Lessee's taking possession of the Leased Premises shall be conclusive evidence of Lessee's acceptance thereof in an "AS IS" condition, and Lessee hereby accepts same in its present condition as suitable for the purpose for which leased.

11.3 Lessee agrees that no representations respecting the condition of the Leased Premises and no promises to improve same, either before or after the execution hereof, have been made by Lessor or its agents to Lessee, unless contained herein or made a part hereof by specific reference.

ARTICLE 12. LIENS PROHIBITED

12.1 Lessee shall not suffer or permit any mechanics' or other liens to be filed against the fee of the Leased Premises, or against Lessee's leasehold interest in the land, buildings or improvements thereon, by reason of any work, labor, services or materials supplied, or claimed to have been supplied, to Lessee or to anyone holding the Leased Premises, or any part thereof, through or under Lessee.

12.2 If any such mechanics' lien or materialmen's lien described in **Section 13.1** above shall be recorded against the Leased Premises, or any improvements thereon, Lessee shall cause the same to be removed or, bonded around pursuant to the terms of the Texas Property Code. In the alternative, if Lessee, in good faith, desires to contest the same, it shall be privileged to do so; however, in such case, Lessee hereby agrees to indemnify and save Lessor harmless from all liability for damages occasioned thereby and shall, in the event of a judgment of foreclosure on said mechanics' lien, cause the same to be discharged and removed prior to sale of the property or execution of such judgment.

ARTICLE 13. MAINTENANCE AND REPAIR

13.1 Lessee shall pay or cause to be paid, any and all charges for water, heat, gas, electricity, sewer and any and all other utilities used on the Leased Premises (excluding telecommunication services, cable and satellite services), throughout the term of, or any extension of, this Lease Agreement, including, but not limited to, any connection fees and any and all additional costs related to utility connection, metering, maintenance, repair and usage.

13.1.1 Lessor and at Lessor's sole cost and expense, during the Term, make any reasonably necessary repairs to the foundation, exterior walls, downspout, gutters, roof, and paved areas of the Subleased Premises.

13.2 Except as may be otherwise provided herein, Lessee shall, throughout the term of this Lease Agreement and any extension hereof, assume the entire responsibility, cost and expense, for all repair and maintenance of the Leased Premises and all buildings and improvements thereon. Additionally, without limiting the foregoing, Lessee shall:

13.2.1 at all times maintain the buildings and improvements in a good state of repair and preservation, excepting ordinary wear and tear and obsolescence in spite of repair; and

13.2.2 replace or substitute any fixtures and equipment which have become inadequate, obsolete, worn out, unsuitable or undesirable, with replacement or substitute fixtures and equipment, free of all liens and encumbrances, which shall automatically become a part of the buildings and improvements; and

13.2.3 at all times keep the Leased Premises, its buildings, improvements, fixtures, equipment and personal property, in a clean and orderly condition and appearance; and

13.3 The adequacy of the performance of the foregoing maintenance and repair by Lessee shall be determined by the Aviation Director, whose reasonably exercised judgment shall be conclusive. Should Lessee refuse or neglect to undertake any such maintenance or repair, or if Lessor is required to perform any maintenance or repair necessitated by the negligent acts or omissions of Lessee, its employees, agents, assignees, subtenants or licensees, then Lessor shall have the right, but not the obligation, to perform such maintenance or repair on behalf of and for Lessee. The costs of such maintenance or repair, plus a fifteen percent (15%) overhead charge, shall be reimbursed by Lessee to Lessor no later than ten (10) days following receipt by Lessee of written demand from Lessor for same. In cases not involving maintenance or repair requiring exigent action, Lessor shall provide Lessee a written request that Lessee perform such maintenance or repair, at least thirty (30) days before Lessor effects such maintenance or repair on behalf of Lessee.

ARTICLE 14. TITLE

14.1 It is expressly understood and agreed that any and all items of personal property owned, placed or maintained by Lessee on the Leased Premises during the term hereof shall be and remain Lessee's property. Provided that Lessee is not in default under this Lease Agreement, it may remove or cause to be removed all such items from the Leased Premises. At Lessor's sole election, any such items remaining on the Leased Premises more than thirty (30) days after the expiration of the term hereof, shall then belong to Lessor without payment or consideration therefor.

ARTICLE 15. SIGNS

Lessee shall neither erect signs nor distribute advertising matter upon Airport Premises, without the prior written consent of the Aviation Director.

ARTICLE 16. REGULATIONS

Lessee's officers, agents, employees and servants shall obey all rules and regulations promulgated by Lessor, its authorized agents in charge of the Airport, or other lawful authority, to insure the safe and orderly conduct of operations and traffic thereon.

ARTICLE 17. QUALITY OF SERVICES

Lessee shall, at all times, furnish good, prompt and efficient services, adequate to meet demand for same at the Airport, furnish said services on a non-discriminatory basis to all users thereof, and charge non-discriminatory prices for each unit of sale or service; provided, however, that Lessee will be allowed to make reasonable and non-discriminatory discounts, rebates or other similar types of price reductions to volume purchasers.

ARTICLE 18. TIME OF EMERGENCY

During time of war or national emergency, Lessor shall have the right to lease the landing area or any part thereof to the United States for government use, and, if such lease is executed, the provisions of this Lease Agreement, insofar as they are inconsistent with those of the Government lease, shall be suspended.

ARTICLE 19. SUBORDINATION OF LEASE & RIGHT OF RECAPTURE

19.1 This Lease Agreement shall be subordinate to the provisions of any existing or future agreement between Lessor and the United States of America, to include any federal agencies, regarding operation or maintenance of the Airport, the execution of which has been or may be

required as a condition precedent to the expenditure of federal funds for the development of the Airport. Should the effect of such agreement with the United States be to take any of the property under lease, or substantially alter or destroy the commercial value of the leasehold interest granted herein, Lessor shall not be held liable therefore, but, in such event, Lessee may cancel this Lease Agreement upon ten (10) days' written notice to Lessor. Notwithstanding the foregoing, Lessor agrees that, in the event it becomes aware of any such proposed or pending agreement or taking, Lessor shall utilize its best efforts to give the maximum possible notice thereof to Lessee. Any portion of the Leased Premises recaptured from Lessee under this provision shall result in a proportionate abatement of rent as of the date the recapture is effectuated.

19.2 Lessor shall have the right to recapture any or all of the Leased Premises to the extent that such are necessary for the City's development, improvement, and or maintenance of the Airport's runways and taxiways; for protection or enhancement of flight operations; or for other development in compliance with any current or future Airport Master Plan. In the event of any such recapture, Lessee and Lessor shall execute a writing reflecting a corresponding adjustment to the Leased premises and rent. If Lessee is required to relocate to other Airport premises pursuant to this Article 21, Lessor shall assist Lessee to identify other substitute premises on the Airport, if available. Lessor shall assist Lessee with relocation costs without impact to the rental terms of this Lease Agreement.

ARTICLE 20. SECURITY

20.1 Lessee shall comply with all rules, regulations, statutes, orders, directives or other mandates of the United States or State of Texas, regarding Airport security requirements or measures.

20.2 Lessee shall comply with all current and future mandates of the Transportation Security Agency for background investigations of its personnel.

20.3 Lessee shall indemnify and hold harmless Lessor, its officers and employees from any charges, fines or penalties that may be assessed or levied by any department or agency of the United States or State of Texas, by reason of Lessee's failure to comply with any applicable security provision and/or requirement for compliance set forth herein.

ARTICLE 21. DEFAULT AND REMEDIES

21.1 Each of the following shall constitute an event of default by Lessee:

21.1.1 Lessee shall fail to pay any rent as provided for in this Lease Agreement and such failure shall continue for a period of ten (10) days after receipt by Lessee of written notice thereof.

21.1.2 Lessee shall fail to provide or maintain insurance as provided for in this Lease Agreement and such failure shall continue for a period of five (5) days after receipt by Lessee of written notice hereof provided, however, that Lessee shall not be

entitled to any notice from Lessor under this provision when failure to maintain insurance is due to a cancellation or expiration of policy or coverage.

- 21.1.3 Lessee shall neglect or fail to perform or observe any of the terms, provisions, conditions or covenants herein contained, and if such neglect or failure should continue for a period of thirty (30) days after receipt by Lessee of written notice of same, or if more than thirty (30) days shall be required because of the nature of the default, if Lessee shall fail within said thirty (30) day period to commence and thereafter diligently proceed to cure such default.
- 21.1.4 Lessee shall become insolvent; take the benefit of any present or future insolvency statute; make a general assignment for the benefit of creditors; file a voluntary petition in bankruptcy or a petition or answer seeking a reorganization or the readjustment of its indebtedness under the federal bankruptcy laws, or under any other law or statute of the United States or of any state thereof; or consent to the appointment of a receiver, trustee or liquidator of all or substantially all of its property.
- 21.1.5 An Order of Relief shall be entered, at the request of Lessee or any of its creditors, under federal bankruptcy, reorganization laws or any law or statute of the United States or any state thereof.
- 21.1.6 A petition under any part of the federal bankruptcy laws, or an action under any present or future insolvency law or statute, shall be filed against Lessee and shall not be dismissed within thirty (30) days after the filing thereof.
- 21.1.7 Pursuant to, or under the authority of, any legislative act, resolution, rule, or any court, governmental, agency or board order or decree or officer, a receiver, trustee, or liquidator shall take possession or control of all or substantially all of the property of Lessee and such possession or control shall continue in effect for a period of fifteen (15) days.
- 21.1.8 Lessee shall become a corporation in dissolution or voluntarily or involuntarily forfeit its corporate charter.
- 21.1.9 The rights of Lessee hereunder shall be transferred to, pass to or devolve upon, by operations of law or otherwise, any other person, firm, corporation or other entity, in connection with or as a result of any bankruptcy, insolvency, trusteeship, liquidation or other proceeding or occurrence described in **Subsections 21.1.4 through 21.1.8** of this Section 23.1.
- 21.1.10 Lessee shall voluntarily discontinue its operations at the Airport for a period of sixty (60) consecutive days.

21.2 In the event any default shall occur, Lessor then, or at any time thereafter, but prior to the removal of such condition of default, shall have the right, at its election, either to terminate this

Lease Agreement, by giving at least five (5) days written notice to Lessee, at which time Lessee will then quit and surrender the Leased Premises to Lessor, but Lessee shall remain liable as hereinafter provided, or enter upon and take possession of the Leased Premises (or any part thereof in the name of the whole), without demand or notice, and repossess the same as of the Lessor's former estate, expelling Lessee and those claiming under Lessee, without prejudice to any remedy for arrears of rent or preceding breach of covenant and without any liability to Lessee or those claiming under Lessee for such repossession. In addition to any other remedies herein, the parties shall be entitled to an injunction restraining the violation, or attempted violation, of any of the covenants, conditions or provisions hereof, or to a decree compelling performance of same; subject, however, to other provisions herein.

21.3 Lessor's repossession of the Leased Premises shall not be construed as an election to terminate this Lease Agreement nor shall it cause a forfeiture of rents or other charges remaining to be paid during the balance of the term hereof, unless a written notice of such intention be given to Lessee, or unless such termination is decreed by a court of competent jurisdiction.

21.4 Upon repossession, Lessor shall have the right, at its election and whether or not this Lease Agreement shall be terminated, to relet the Leased Premises or any part thereof for such period(s), which may extend beyond the term hereof, at such rent and upon such other terms and conditions as Lessor may, in good faith, deem advisable. Notwithstanding any law or anything contained herein to the contrary, to the full extent permitted under applicable law, Lessee and Lessor agree that Lessor's duty to relet the premises or otherwise to mitigate damages hereunder shall be limited to those requirements set forth in the Texas Property Code, as amended. Lessor shall in no event be liable, and Lessee's liability shall not be affected or diminished whatsoever, for failure to relet the Leased Premises, or in the event the Leased Premises are relet, for failure to collect any rental under such reletting, so long as the Lessor uses objectively reasonable efforts to comply with said Property Code. Lessor and Lessee agree that any such duty shall be satisfied and Lessor shall be deemed to have used objective reasonable efforts to relet the Premises and mitigate Lessor's damages by: (1) posting a "For Lease" sign on the Premises; (2) advising Lessor's lease agent, if any, of the availability of the Premises; and (3) advising at least one outside commercial brokerage entity of the availability of the Premises.

21.5 In the event that Lessor elects to relet, rentals received by same from such reletting shall be applied: first, to the payment of any indebtedness, other than rent due hereunder from Lessee under this Lease Agreement; second, to the payment of any cost of such reletting; third, to the payment of rent due and unpaid hereunder; and finally, the residue, if any, shall be held by Lessor and applied hereunder. Should that portion of such rentals received from such reletting during any month, which is applied to the payment of rent hereunder, be less than the rent payable during that month by Lessee hereunder, then Lessee shall pay such deficiency to Lessor. Such deficiency shall be calculated and paid monthly. Lessee shall also pay to Lessor, as soon as ascertained, any costs and expenses incurred by Lessor in such reletting not covered by the rentals received from such reletting of the Leased Premises.

21.6 If Lessor shall terminate this Lease Agreement or take possession of the Leased Premises by reason of a condition of default, Lessee and those holding under Lessee, shall forthwith remove their goods and effects from the Leased Premises. If Lessee or any such claimant shall fail to effect such removal forthwith, Lessor may, without liability to Lessee or those claiming under

Lessee, remove such goods and effects and store same for the account of Lessee or of the owner thereof at any place selected by Lessor, or, at Lessor's election, and upon giving fifteen (15) days' written notice to Lessee of date, time and location of sale, Lessor may sell the same at public auction or private sale on such terms and conditions as to price, payment and otherwise, as Lessor in its sole discretion may deem advisable. If, in Lessor's judgment, the cost of removing and storing, or of removing and selling any such goods and effects, exceeds the value thereof or the probable sale price thereof, as the case may be, Lessor shall have the right to dispose of such goods in any manner Lessor may deem advisable.

21.7 Lessee shall be responsible for all costs of removal, storage and sale, and Lessor shall have the right to reimburse the Airport Revenue Fund from the proceeds of any sale for all such costs paid or incurred by Lessor. If any surplus sale proceeds remain after such reimbursement, Lessor may deduct from such surplus any other sum due to Lessor hereunder and shall pay over to Lessee any remaining balance of such surplus sale proceeds.

21.8 If Lessor shall enter into and repossess the Leased Premises as a result of Lessee's default in the performance of any of the terms, covenants or conditions herein contained, then Lessee hereby covenants and agrees that it will not claim the right to redeem or re-enter the said Premises to restore the operation of this Lease Agreement, and Lessee hereby waives the right to such redemption and re-entrance under any present or future law, and does hereby further, for any party claiming through or under Lessee, expressly waive its right, if any, to make payment of any sum or sums of rent, or otherwise, of which Lessee shall have made default under any of the covenants of the Lease Agreement and to claim any subrogation of the rights of Lessee under these presents, or any of the covenants thereof, by reason of such payment.

21.9 All rights and remedies of Lessor herein created or otherwise existing at law are cumulative, and the exercise of one or more rights or remedies shall not be taken to exclude or waive the right to the exercise of any other. All such rights and remedies may be exercised and enforced concurrently, whenever and as often as deemed desirable.

21.10 If proceedings shall, at any time, be commenced for recovery of possession, as aforesaid, and compromise or settlement shall be effected either before or after judgment whereby Lessee shall be permitted to retain possession of said Premises, then such proceeding shall not constitute a waiver of any condition or agreement contained herein or of any subsequent breach thereof or to this Lease Agreement.

21.11 Any amount paid or expense or liability incurred by Lessor for the account of Lessee may be deemed to be additional rental and the same may, at the option of Lessor, be added to any rent then due or thereafter falling due hereunder.

ARTICLE 22. ASSIGNMENT AND SUBLET

22.1 Lessee shall not transfer or assign this Lease Agreement or Lessee's interest in or to the Leased Premises, or any part thereof, without having first obtained Lessor's prior written consent, which may be given only by or pursuant to an ordinance enacted by the City Council of the City of San Antonio, Texas; provided, however, that the foregoing shall not apply to and prevent the

assignment of this Lease Agreement to any corporation with which Lessee may merge or consolidate or which may succeed to a controlling interest in the business of Lessee. Notwithstanding the foregoing and for so long as any pledge or collateral assignment of Lessee's interest in the Lease Agreement shall be by instrument substantially in such form as shall have previously been approved by the City Council, the consent of Lessor to such pledge or collateral assignment may be given by Lessor acting by and through the Aviation Director.

22.2 Lessee shall not sublet the Leased Premises or any part thereof without having first obtained the Aviation Director's written consent. In the event Lessee requests permission to sublease, the request shall be submitted to the said Director, prior to the effective date of the sublease requested, and shall be accompanied by a copy of the proposed sublease agreements and of all agreements collateral thereto. The identity of the sublessee, the area or space to be subleased, the rental to be charged, the type of business to be conducted, reasonable financial history and all other information requested by said Director shall be specified. In the event of any recapture, Lessee's rental payments shall be adjusted on a pro-rata basis; provided, however, that all options of Lessor contained in **Article 21 – Default and Remedies** remain available to Lessor.

22.3 In the event of a sublease where the rental per square foot established in the sublease exceeds the rental for same established in the Lease Agreement, Lessee shall pay to Lessor, as additional rent, the excess of the rental received from the sublessee over that specified to be paid by Lessee herein per square foot, provided that Lessee may charge a reasonable fee for administrative costs in addition to the sublease rental, not to exceed fifteen percent (15%) of the specified sublease rental. Such fifteen percent (15%) shall not be considered as excess rental. Nothing herein shall prevent Lessee from charging a reasonable fee to others for the use of capital equipment and facilities on the subleased premises and charging for use of utilities and other services being paid for by Lessee. Should any method of computation of rental to be paid by a sublessee, other than computation based upon a rental rate per square foot be employed, the provisions of this paragraph will apply if the rental received for the proportionate area of the Leased Premises by Lessee exceeds the rental paid to Lessor for said proportionate area of the Leased Premises.

It is understood that Lessee will sublease the second floor of the office building to United Parcel Services (UPS) and the warehouse area will be subleased to Worldwide Flight Services (WFS). If at any point during the term of the agreement, if the lessee does not secure both sub-tenants, or in the event one of the sub-tenants departs during the term, lessee will only be responsible for making payments proportionate to the rented space and the Term of this agreement will automatically extend until such point rents collected by the lessee covers all of the costs associated with the work performed by SpawGlass for the Ops relocation project and paid by lessee. If the holdover clause is invoked for this reason, rents should not be adjusted to 115%, but rather should remain without an increase until such point all rents collected cover all expenses lessee has incurred from the Ops project.

22.4 Each transfer, assignment or subletting to which there has been consent shall be by written instrument, in a form satisfactory to Lessor, and shall be executed by the transferee, assignee or sublessee who shall agree, in writing, for the benefit of Lessor to be bound by and to perform the terms, covenants and conditions of this Lease Agreement. Four (4) executed copies of such written instrument shall be delivered to Lessor. Failure either to obtain Lessor's prior written consent or

to comply with the provisions herein contained, shall operate to prevent any such transfer, assignment or subletting from becoming effective.

22.5 Should the assignment of this Lease Agreement be approved by Lessor and to the extent that such assignee assumes Lessee's obligation hereunder, Lessee shall, by virtue of such assignment, be released from such obligation. Should the subletting of the Leased Premises be approved by Lessor, however, Lessee agrees and acknowledges that it shall remain fully and primarily liable under this Lease Agreement, notwithstanding any such sublease and that any such sublessee shall be required to attorn to Lessor hereunder.

22.6 The receipt by the Lessor of rent from an assignee, subtenant or occupant of the Leased Premises shall not be deemed a waiver of the covenant in this Lease Agreement against assignment and subletting or an acceptance of the assignee, subtenant or occupant as a tenant or a release of the Lessee from further observance or performance by Lessee of the covenants contained in this Lease Agreement. No provision of this Lease Agreement shall be deemed to have been waived by the Lessor, unless such waiver be in writing, signed by the Aviation Director.

ARTICLE 23. DAMAGE OR DESTRUCTION OF LEASED PREMISES

23.1 In the event any structure, Improvements, and/or betterments on the Leased Premises are destroyed or damaged to the extent that they are unusable, Lessee shall have the election of repairing or reconstructing structure, Improvements, and/or betterments substantially as they were immediately prior to such casualty, or in a new or modified design, or not to construct the Improvements. Lessee shall give the Director written notice of its election within sixty (60) days after the occurrence of such casualty. If the entirety or substantially all of the structure, Improvements, and/or betterments are damaged or destroyed and Lessee elects not to repair or reconstruct the damaged or destroyed structure, Improvements, and/or betterments within the sixty (60) day election period, the Director may terminate this Lease Agreement by written notice to Lessee given within sixty (60) days following expiration of Lessee's election period, whereupon (i) this Lease Agreement shall terminate and Lessee shall abandon the Leased Premises and (ii) the insurance proceeds covering the Improvements shall be paid to the owner of the structure, Improvements, and/or betterments as of the date of such damage or destruction (provided, however, Lessee shall have the right to retain there from its actual costs paid in making improvements to the damaged or destroyed Improvement). If such damage or destruction is to less than substantially all of the structure, Improvements, and/or betterments and Lessee elects not to repair or reconstruct the damaged or destroyed structure, Improvements, and/or betterments within the said 60-day period following such damage or destruction, then (i) this Lease Agreement shall be deemed modified (and the rentals hereunder adjusted) so as to terminate the Lease Agreement as to such structure, Improvements, and/or betterments, and (ii) the insurance proceeds covering the structure, Improvements, and/or betterments shall be paid to the owner of the structure, Improvements, and/or betterments as of the date of such damage or destruction (provided, however, Lessee shall have the right to retain there from its actual costs paid in making improvements to the damaged or destroyed structure, Improvements, and/or betterments). In the event of damage or destruction to any of the structure, Improvements, and/or betterments upon the Leased Premises, the City shall have no obligation to repair or rebuild the structure, Improvements, and/or betterments or any fixtures, equipment or other personal property installed by Lessee on the Leased Premises.

23.2 If Lessee elects to repair or reconstruct the structure, Improvements, and/or betterments, Lessee shall use its insurance proceeds from the policy covering the destroyed structure, Improvements, and/or betterments. If the insurance proceeds are not sufficient, Lessee agrees to pay the deficiency. If Lessee elects to repair or reconstruct, Lessee shall, at its expense, replace and repair any and all fixtures, equipment and other personal property necessary to properly and adequately continue its authorized activities on the Leased Premises. In no event shall Lessee be obligated to provide equipment and fixtures in excess of those existing prior to the damage or destruction. Lessee agrees that such work will be commenced and completed with due diligence.

23.3 Prior to any repair or reconstruction described above, Lessee shall submit plans and specifications to the Director for his written approval. Such repair or reconstruction shall be in accordance therewith. Any changes must be approved in writing by the Director.

ARTICLE 24. LAWS AND ORDINANCES

Lessee agrees to comply promptly with all laws, ordinances, orders and regulations affecting the Leased Premises, including, but not limited to, those related to its cleanliness, safety, operation, use, and business operations. Lessee shall comply with all Federal and State regulations concerning its operation on the Airport and shall indemnify and hold harmless Lessor, its officers and employees, from any charges, fines or penalties that may be assessed or levied by any department or agency of the United States or the State of Texas, by reason of Lessee's failure to comply with the terms of this Article or with any other terms set forth in this Lease Agreement.

ARTICLE 25. REGULATIONS

Lessee's officers, agents, employees and servants shall obey all rules and regulations promulgated by Lessor, its authorized agents in charge of the Airport, or other lawful authority, to insure the safe and orderly conduct of operations and traffic thereon.

ARTICLE 26. TAXES AND LICENSES

Lessee shall pay, on or before their respective due dates, to the appropriate collecting authority, all Federal, State and local taxes and fees, which are now or may hereafter be levied upon the Lessee, Leased Premises (including leasehold taxes), the business conducted thereon or upon any of Lessee's property used in connection therewith. Lessee shall also maintain, in current status, all Federal, State and local licenses and permits required for the operation of its business.

ARTICLE 27. NONDISCRIMINATION & AFFIRMATIVE ACTION REGULATIONS

27.1 Lessee, as a party to a contract with the City, understands and agrees to comply with the

Non-Discrimination Policy of the City contained in Chapter 2, Article X of the City Code and further, shall not discriminate on the basis of race, color, religion, national origin, sex, sexual orientation, gender identity, veteran status, age or disability, unless exempted by state or federal law, or as otherwise established herein. As part of said compliance, Lessee shall adhere to Lessor's Non-Discrimination Policy in the solicitation, selection, hiring or commercial treatment of vendors, suppliers or commercial customers, further, Lessee shall not retaliate against any person for reporting instances of such discrimination.

27.2 Lessee agrees to comply with pertinent statutes, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance. This provision obligates Lessee for the period during which Federal assistance is extended to the airport through the Airport Improvement Program. In cases where Federal assistance provides, or is in the form of personal property; real property of interest therein; structure or improvements thereon, this provision obligates the Lessee for the longer of the following periods: (a) the period during which the property is used by the City or Lessee for a purpose for which Federal assistance is extended, or for another purpose involving the provision of similar services or benefits; or (b) the period during which the City or Lessee retains ownership or possession of the property.

27.3 Lessee for itself, its heirs, representatives, successors and assigns, as a part of the consideration hereof, does hereby covenant and agree, as a covenant running with the land, that in the event facilities are constructed, maintained or otherwise operated on the Leased Premises, for a purpose for which a Federal Aviation Administration activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, that Lessee shall maintain and operate such facilities and services in compliance with all requirements imposed by the Nondiscrimination Acts and Regulations listed in the attached List of Pertinent Nondiscrimination Acts and Authorities attached hereto as **Exhibit 2** (as may be amended), such that no person on the grounds of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities.

27.4 Lessee for itself, its representatives, successors and assigns, as a part of the consideration hereof, does hereby covenant and agree, as a covenant running with the land, that: (1) no person, on the grounds of race, color, creed, sex, age, religion, national origin or handicap, shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination, in the use of said facilities; (2) that in the construction of any improvements on, over or under such land and the furnishing of services thereon, no person on the grounds of race, color, creed, sex, age, religion, national origin or handicap shall be excluded from participation, denied the benefits of, or otherwise be subjected to discrimination; and (3) that Lessee shall use the Leased Premises in compliance with all other requirements imposed by or pursuant to the attached List of Pertinent Nondiscrimination Acts and Authorities attached hereto as **Exhibit 2**.

27.5 In the event of breach of any of the above nondiscrimination covenants, City will have the right to terminate this Lease Agreement and to enter or re-enter and repossess said land and the facilities thereon, and hold the same as if this Lease Agreement had never been entered into.

ARTICLE 28. FORCE MAJEURE

Each party shall be excused from performing any obligation provided for in this Lease Agreement (except Lessee's obligation to pay rent) so long as performance of the obligation is prevented, delayed, retarded or hindered by Act of God, fire, earthquake, flood, explosion, war, riot, inability to procure or a general shortage of labor, equipment, facilities, materials or supplies, or any other cause not within the reasonable control of the hindered party, but excluding failure caused by a party's financial condition or negligence.

ARTICLE 29. NOTICES

Notices required by this Lease Agreement to be given by one party to the other shall be in writing and sent by (i) United States certified, or express mail, postage prepaid, (ii) recognized national courier (such as FedEx, UPS, DHL), (iii) personal delivery, (iv) facsimile transmission, to the addresses listed below, or such other addresses as the parties may designate in writing. Service of process must be made in accordance with state law.

ARTICLE 30. CONFLICT OF INTEREST

30.1 The Charter of the City of San Antonio and the City of San Antonio Code of Ethics prohibit a City officer or employee, as those terms are defined in Section 2-52 of the Code of Ethics, from having a direct or indirect financial interest in any contract with the City. An officer or employee has a "prohibited financial interest" in a contract with the City or in the sale to the City of land, materials, supplies or service, if any of the following individual(s) or entities is a party to the contract or sale:

- a City officer or employee; his or her spouse, sibling, parent, child or other family member within the first degree of consanguinity or affinity;
- an entity in which the officer or employee, or his or her parent, child or spouse directly or indirectly owns (i) 10 percent or more of the voting stock or shares of the entity, or (ii) 10 percent or more of the fair market value of the entity; or
- an entity in which any individual or entity listed above is (i) a subcontractor on a City contract, (ii) a partner or (iii) a parent or subsidiary entity.

30.2 Pursuant to the subsection above, Vendor warrants and certifies, and this Agreement is made in reliance thereon, that by contracting with

the City, Vendor does not cause a City employee or officer to have a prohibited financial interest in the Contract. Vendor further warrants and certifies that it has tendered to the City a Contracts Disclosure Statement in compliance with the City's Ethics Code. ARTICLE 31. TEXAS LAW TO APPLY

All obligations under this Lease Agreement are performable in Bexar County, Texas, and shall be construed pursuant to the laws of the State of Texas, except where state law shall be preempted by any rules, laws or regulations of the United States.

ARTICLE 32. GENERAL PROVISIONS

32.1 Gender. Words of either gender used in this Lease Agreement shall be held and construed to include the other gender, and words in the singular number shall be held to include the plural, unless the context otherwise requires.

32.2 Captions. The captions of the provisions contained herein are for convenience in reference and are not intended to define, extend or limit the scope of any provision of this Lease Agreement.

32.4 Incorporation Of Required Provisions. Lessor and Lessee incorporate herein by this reference all provisions lawfully required to be contained herein by any governmental body or agency.

32.5 Severability. If any clause or provision of this Lease Agreement is illegal, invalid or unenforceable under present or future laws, it is the parties' intention that the remainder hereof not be affected. In lieu of each clause or provision that is illegal, invalid or unenforceable, the parties intend that there be added, as a part of this Lease Agreement, a clause or provision, as similar in terms to such illegal, invalid or unenforceable clause or provision, as may be possible, yet be legal, valid and enforceable.

32.6. Wages. Lessee shall pay at least the minimum wage, as required by Federal and State statutes and City ordinances, to employees of its operations hereunder.

32.7 Relationship of Parties. Nothing contained herein shall be deemed or construed by the parties hereto, or by any third party, as creating the relationship of principal and agent, partners, joint venturers or any other similar such relationship, between the parties hereto. It is understood and agreed that neither the method of computation of rent, nor any other provision contained herein, nor any acts of the parties hereto, creates a relationship other than one of Lessor and Lessee.

32.8 Nonexclusive Rights. It is understood and agreed that nothing herein contained shall be construed to grant to Lessee any exclusive right or privilege within the meaning of Section 308 of ~~the Federal Aviation Act for the conduct of any activity on the Airport, except that, subject to the~~

terms and provisions hereof, Lessee shall have the right to exclusive possession of the Leased Premises.

32.9 Removal of Disabled Aircraft. Lessee shall promptly remove any disabled aircraft that is in the care, custody, or control of Lessee from any part of the Airport (other than the Leased Premises) (including, without limitation, runways, taxiways, aprons, and gate positions) and place any such disabled aircraft in such storage areas as may be designated by the Director. Except as to aircraft subject to bailment and/or for which Lessee is owed money from a customer, Lessee may store such disabled aircraft only for such length of time and on such terms and conditions as may be established by Lessor. If Lessee fails to remove any of disabled aircraft promptly, the Director may, but shall not be obligated to, cause the removal of such disabled aircraft, provided, however, the obligation to remove or store such disabled aircraft shall not be inconsistent with federal laws and regulations and Lessee agrees to reimburse Lessor for all costs of such removal, and Lessee further hereby releases Lessor from any and all claims for damage to the disabled aircraft or otherwise arising from or in any way connected with such removal by Lessor unless caused by the negligence or recklessness of Lessor.

32.10 Airport Access License/Permit. Lessor reserves the right to establish a licensing or permit procedure for vehicles requiring access to the Airport operational areas and to levy directly against Lessee or its suppliers a reasonable regulatory or administrative charge (to recover the cost of any such program) for issuance of such Airport access license or permit.

32.11 Compliance With Part 77, Title 14 C.F.R. Lessee agrees to comply with the notification and review requirements covered in Part 77, Title 14 Code of Federal Regulations, FAA Regulations, in the event future construction of a building is planned for the leased premises, or in the event of any planned modification or alteration of any present or future building or structure situated on the leased premises. Lessee shall coordinate and obtain approval for the use of any cranes or other equipment and machinery which may constitute a hazard obstruction to navigable air space utilized by users of San Antonio International Airport. All use of such equipment shall be coordinated through the Stinson Airport Manager.

32.12 Reservations Re: Airspace And Noise. There is hereby reserved to Lessor, its successors, and assigns, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the leased premises.

32.13 Inspection Of Books And Records. Each party hereto, at its expense and on reasonable notice, shall have the right from time to time to inspect and copy the books, records, and other data of the other party relating to the provisions and requirements hereof, provided such inspection is made during regular business hours and such is not prohibited by the United States Government.

32.14 Noise Control. Lessee, for itself and each of its officers, representatives, agents, employees, guests, patrons, contractors, subcontractors, licensees, subtenants, invitees, or suppliers shall not conduct any operation or activity on the Leased Premises, or elsewhere at Airport, in which the sound emitting therefrom is of such volume, frequency or intensity at such time as to constitute a nuisance. The Aviation Director shall have the sole and exclusive authority to determine what constitutes a nuisance under the provisions of this Lease Agreement except that operations and activities having noise levels not in violation of federal, State, or local governmental standards

shall not be deemed a nuisance.

32.15 Time Is Of The Essence. Time shall be of the essence in complying with the terms, conditions and provisions of this Lease Agreement.

32.16 Vehicular And Equipment Parking. Vehicular and equipment parking in areas other than the Leased Premises by Lessee, its officers, representatives, agents, employees, guests, patrons, volunteers, contractors, subcontractors, licensees, suppliers or other invitees shall be restricted to such areas at Airport as are designated by the Airport Director.

32.17 Approvals By Lessor/ Authority Of Aviation Director. Whenever this Lease Agreement calls for approval by Lessor, such approval shall be evidenced, in writing, by either the Aviation Director or the City Manager of the City of San Antonio or designee. The Aviation Director shall administer this Lease Agreement on behalf of Lessor. Unless otherwise provided herein or required by applicable law, the Aviation Director shall be vested with all rights, powers, and duties of Lessor herein.

ARTICLE 33. CUMULATIVE REMEDIES - NO WAIVER - NO ORAL CHANGE

Specific remedies of the parties under this Lease Agreement are cumulative and do not exclude any other remedies to which they may be lawfully entitled, in the event of a breach or threatened breach hereof. The failure of either party ever to insist upon the strict performance of any covenant of this Lease Agreement, or to exercise any option herein contained, shall not be construed as its future waiver or relinquishment thereof. Lessor's receipt of a rent payment, with knowledge of the breach of any covenant hereof, shall not be deemed a waiver of such breach.

ARTICLE 34. PARTIES BOUND

This Lease Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, executors, administrators, legal representatives, successors and assigns, as permitted hereby.

ARTICLE 35. ENTIRE AGREEMENT

This Lease Agreement comprises the final and entire agreement, including all terms and conditions thereof, between the parties hereto, and supersedes all other agreements, oral or otherwise, regarding the subject matter hereof, none of which shall hereafter be deemed to exist or to bind the parties hereto. The parties intend that neither shall be bound by any term, condition or representation not herein written. Further, no change, modification or discharge, or deletion by either party of any provision of this Lease Agreement shall be deemed to have been made or be effective, unless in writing and signed by both parties.

ARTICLE 36. ENVIRONMENTAL COMPLIANCE

36.1 Lessee shall, in conducting any activity or business on the Leased Premises, including environmental response or remedial activities, comply with all environmental laws, including, but not limited to, those regarding the generation, storage, use, transportation and disposal of solid wastes, hazardous materials, toxic chemicals, special wastes or other contaminants, and all laws, regulations and notice requirements pertaining to releases or threatened releases of hazardous materials, toxic chemicals, special wastes or other contaminants into the environment. Lessee shall not cause the release, or permit its employees, agents, permittees, contractors, subcontractors, sublessees, or others in Lessee's control, supervision, or employment, to release (whether by way of uncapping, pouring, spilling, spraying, spreading, attaching or otherwise), into or onto the Leased Premises or any other location upon or above the Airport (including the air, ground and ground water thereunder and the sewer and storm water drainage systems thereon), any quantity of hazardous substances (as defined or established from time to time by applicable local, state, or federal law and including, among other things, hazardous waste and any other substances that have been or may in the future be determined to be toxic, hazardous or unsafe). To the extent any such release may exceed quantities or volumes permitted by applicable federal, Texas or local law, Lessee shall immediately notify the Aviation Director, TCEQ, and Local Emergency Planning Committee, as may be required under the federal Emergency Planning and Community Right To Know Act. The Lessee, or any occupant of Leased Premises, shall be responsible for compliance with said Act, in the event of any such release.

36.2 Lessee shall remedy any release or threatened release caused by Lessee's operations at the Airport, as described above and, whether resulting from such release or otherwise, remove any hazardous materials, special wastes and any other environmental contamination caused by Lessee on, under or upon the Leased Premises, as may be required by a governmental or regulatory agency responsible for enforcing environmental laws and regulations. Such work shall be performed, at Lessee's sole expense, after Lessee submits to Lessor a written plan for completing such work. Lessor shall have the right to review and inspect all such work at any time, using consultants and representatives of its choice, at Lessor's sole cost and expense. Specific cleanup levels for any environmental remedial work shall be designed to meet all of the applicable environmental laws and regulations, to the satisfaction of the appropriate government or regulatory agency responsible for enforcing environmental laws and regulations.

36.3 Lessee agrees to defend, indemnify and hold harmless Lessor, its elected and appointed officials, officers, agents and employees, from and against any and all reasonable losses, claims, liability, damages, injunctive relief, injuries to person, property or natural resources, costs, expenses, enforcement actions, actions or causes of action, fines and penalties, arising as a result of action or inaction of Lessee, its employees, agents or contractors, in connection with the release, threatened release or presence of any hazardous material, contaminants, or toxic chemicals at, on, under, over or upon the Leased Premises and Airport, whether or not foreseeable, regardless of the source or timing of occurrence, release, threatened release, presence or discovery of same. The foregoing indemnity includes, without limitation, all reasonable costs at law or in equity for removal, clean-up, remediation and disposal of any kind, as well as all reasonable costs associated with

determining whether the Airport is in compliance, and causing the Airport to be in compliance with, all applicable environmental laws and regulations and all reasonable costs associated with claims for damages to persons, property or natural resources. In the event that Lessor is named in any enforcement action or lawsuit by any party in connection with the environmental condition of the Leased Premises caused by the action or inaction of the Lessee, Lessee shall defend Lessor and indemnify and hold harmless Lessor from any reasonable costs, damages, fines and penalties resulting therefrom.

36.4 In addition to any other rights of access herein regarding the Leased Premises, Lessor shall, upon reasonable notice, have access thereto in order to inspect and confirm that the Lessee is using same in accordance with all applicable environmental laws and regulations.

36.5 Lessee, at Lessor's request, shall make available for inspection and copying, upon reasonable notice and at reasonable times, any or all of the non-privileged documents and materials Lessee has prepared pursuant to any environmental law or regulation, which may be retained by Lessor or submitted to any governmental regulatory agency; provided, such documents and materials relate to environmental regulatory compliance and pertain to the Airport or the Leased Premises. If any environmental law or regulation requires Lessee to file any notice or report of a release or threatened release of regulated materials on, under or about the Leased Premises or the Airport, Lessee shall promptly submit such notice or report to the appropriate governmental agency and simultaneously provide a copy of such report or notice to Lessor. In the event that any written allegation, claim, demand, action or notice is made against Lessee regarding Lessee's failure or alleged failure to comply with any environmental law or regulation, Lessee, as soon as practicable, shall notify Lessor in writing and provide same with copies of any such written allegations, claims, demands, notices or actions so made.

36.6 The parties to this Lease Agreement, including the tenants or sublessees who may enjoy a future right of occupation through Lessee, acknowledge a right and a duty in Lessor, exercised by the Aviation Director, to review safety and potential environmental impacts of any proposed operation, business, maintenance or other activity of the Lessee and its sublessees. To this end, said Aviation Director shall have authority to disapprove an activity of the Lessee and/or any sublessee, on the basis of a risk assessment. The parties understand that Airport premises are not intended for use involving refining, processing, manufacturing, maintenance, overhaul, or similar heavy industrial activities entailing use, storage, manufacture, or transport of critical volumes of regulated or hazardous materials or toxic chemicals. For purposes of this Lease Agreement, "critical volumes" are those which, in the discretion and judgment of the Aviation Director, pose or may pose an unreasonable risk to Airport property, its occupants, employees or the traveling public. Discretion and judgment are reserved to the Aviation Director due to the fact that combinations and proximity of such materials are synergistic. The Aviation Director's decision in this regard is final, and said Director shall exercise such review prior to any lease or sublease, from time to time, as he may deem necessary for appropriate risk assessment of existing leases and subleases.

ARTICLE 37. AUTHORITY TO ENTER INTO AGREEMENT

Lessee warrants and represents that it has the right, power, and legal capacity to enter into, and perform its obligations under this Lease Agreement, and no approvals or consents of any persons are necessary in connection with it. The execution, delivery, and performance of this Lease Agreement by the undersigned Lessee representatives have been duly authorized by all necessary corporate action of Lessee, and this Lease Agreement will constitute a legal, valid, and binding obligation of Lessee, enforceable in accordance with its terms.
