WHEREAS, in April 2024, the City of San Antonio signed a Memorandum of Understanding with the Department of Energy in support of the Advanced Research Project Agency-Energy (ARPA-E) Program, co-sponsored by CPS Energy and the University of Texas at San Antonio, to support research and promote the use of innovative energy technologies focused on airports; and

WHEREAS, Imagen Energy, Inc. is an awardee under ARPA-E's SCALEUP ("Seeding Critical Advances for Leading Energy technologies with Untapped Potential") program and wishes to provide experimental software and network enabled electric vehicle charging equipment to be installed and utilized at San Antonio International Airport, pursuant to the ARPA-E Memorandum of Understanding (MOU); and

WHEREAS, the San Antonio International Airport is currently home to six electric on-road vehicles, eight hybrid vehicles, and 18 off-road vehicles which can utilize these charging units; and

WHEREAS, the San Antonio International Airport's electrified maintenance fleet is expanding and will need to have access to EV chargers near the terminal to allow for quick charges during working hours; and

WHEREAS, this ordinance will authorize the installation and transfer of two DC Fast Chargers for Electric Vehicle use at the San Antonio International Airport through the partnership with Advanced Research Project Agency - Energy (ARPA-E) with the estimated value of the transferred property and associated costs at approximately \$300,000.00, with the City responsible for the installation costs associated with the transfer in an amount not to exceed \$50,000.00, and funding available from the Airport Operating and Maintenance Fund FY 2025 Adopted Budget; **NOW THEREFORE:**

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SAN ANTONIO:

SECTION 1. The City Manager, or designee, is hereby authorized to execute an Electric Vehicle Charging Equipment Transfer Agreement with Imagen Energy, Inc., a copy of which is attached as **Exhibit 1**,
