

# **Item 21**

## **Contractors for REHABARAMA Program**

# Summary

---

- An ordinance approving the selection of seven qualified contractors for home rehabilitation projects
- \$500,000 previously allocated from the general fund

# Background

---

- REHABARAMA is a housing preservation program focused on prolonging the useful life of San Antonio's older housing stock.
- Selected homes were constructed prior to 1960. The majority of applicants are long-time homeowners around 30% AMI level

# Issue & Recommendation

---

- RFQ was issued on February 21, 2024
- Out of 9 responses, 7 contractors were selected
- Homeowners will contract directly with qualified contractors from the list
- Staff recommends approval
