

Peer-to-Peer Sharing Operating Agreement

Item 15

Jesus H. Saenz, Jr.

Director of Airports, Aviation Department

November 21, 2024

Background

Peer-to-Peer (P2P) vehicle sharing services provides an alternative to rideshare operator and more traditional ground transportation service operators by allowing customers to rent a personal vehicle for a short period of time.

Agreement & Fiscal Terms

- **Term:** 1 year with 2 additional 1-year extensions
- **Privilege Fee:** Operator will pay 10% of gross receipts

As part of the agreement:

- Vehicle owners will pay the posted parking fee
- Vehicle exchanges limited to public parking areas (garages & surface lots)
- Vehicles subject to inspection, and RVs, trailers, cargo haulers, etc. are not permitted.
