

City Council A-Session

**Item #20 – Professional Services Agreement:
Underground Storm Drain Video Inspection Program**

December 5, 2024

Razi Hosseini, P.E., R.P.L.S., Director/City Engineer, Public Works Department

Background

- Estimated 800 miles of underground storm drain pipes of various ages, materials and condition
- Condition of about 40 miles of storm drain pipe will be assessed with proposed contract

Location: Citywide

Funding: Storm Water Operating Fund

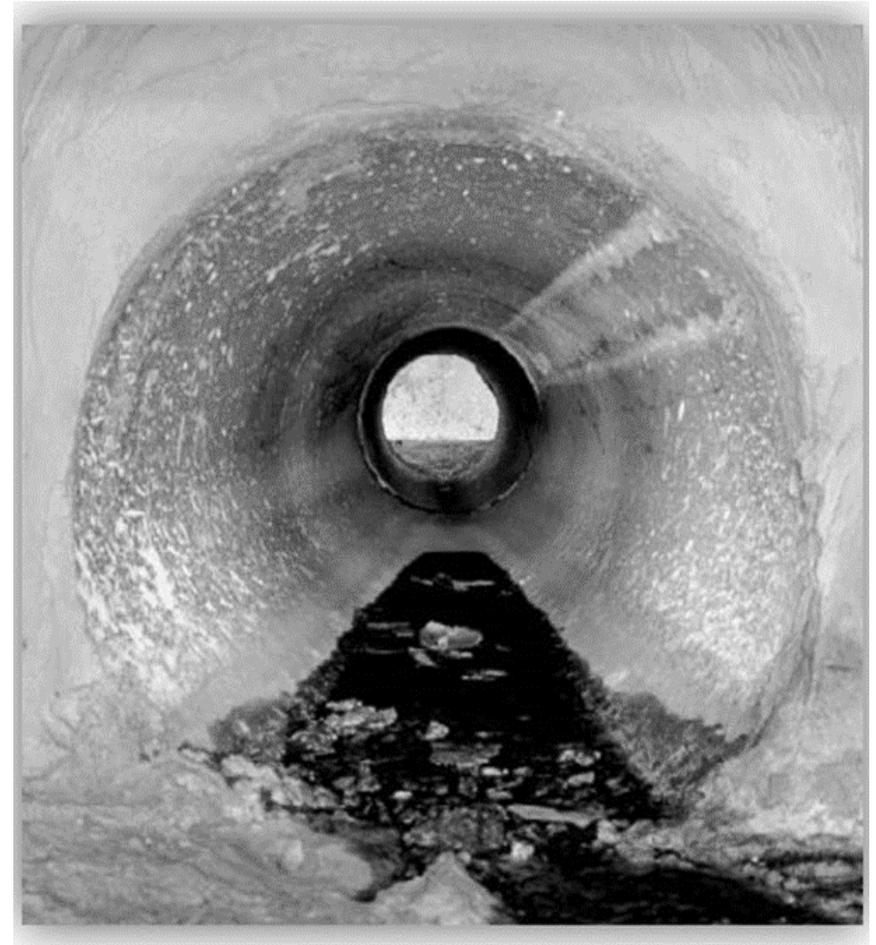

Scope of Work

Services to be provided include, but not limited to:

- Provide inventory of data and condition assessment for underground storm drain pipes.
- Include pipe material, size and condition into City's mapping and asset management systems.

Contract Terms

- Annual agreement value of \$1.6 Million
- Three (3) year term
- Total program spending authorization value of \$4.8 million

Recommendation

Approval of this Professional Services Agreement with AG3 Group, LLC in an amount not to exceed \$4.8 million for a total of a three-year term contract for the Underground Storm Drain Video Inspection Program.
