Dear Mr. Cupit:

On June 30, 2020, the Aquifer Protection and Evaluation Section of the San Antonio Water System (SAWS) received a letter issued by your office requesting a category determination for the above-referenced project. Based on a review of the documentation submitted and in accordance with Chapter 34, Article VI, Division 6, Section 34-925 of the City Code, Category 3 classification of Estancia Ranch Subdivision, Approximately 271.88 Acres is confirmed.

In accordance with Ordinance No. 81491, an Aquifer Protection Plan for all Category 2 and 3 properties is required to be submitted to and approved by the Aquifer Protection & Evaluation Section of the San Antonio Water System prior to the release of Plats and/or Building Permits.

Should any documentation become available that would alter this Category designation, the documentation may be submitted to the San Antonio Water System for review and possible Category re-designation.

If you have any questions regarding this matter, please contact Bruce Keels at (210) 233-3173.
