

10.8 Employer Engagement Subcommittee Agenda

PrimeGov Posting Language

1. Ready to Work Program Update

Subject: Presentation of recent Ready to Work programmatic data.

Summary: WDO staff will present the latest programmatic data to the Subcommittee members.

Background Information: As program participants continue to enter training, WDO staff will report out to the Board and Subcommittees on participant outcomes to update them on the program's progress.

Issue: By providing up-to-date program metrics to the Subcommittee members on a regular basis, they can be better equipped to provide program input and to speak to the progress of the program when representing Ready to Work in the public.

Alternatives: This item is only for briefing purposes.

Fiscal Impact: No fiscal impact of this item.

Recommendations: This item is only for briefing purposes.

2. RTW Training Providers Job Placement Data Review

Subject: Work session on RTW job placement strategies.

Summary: Subcommittee members will discuss prospective strategies to strengthen ties between case managers and local employers to boost job placements.

Background Information: Advisory Board members have expressed interest in holding a working session to recommend additional methods to increase the 6-month quality job placement percentage for Ready to Work.

Issue: As employer representatives in high-demand industries, Subcommittee members have unique expertise to share on effective job placement strategies.

Alternatives: This item is only for briefing purposes.

Fiscal Impact: No fiscal impact of this item.

Recommendations: This item is only for briefing purposes.

3. Discussion: Requests for Target Occupation Additions

Subject: Potential Target Occupation Additions

Summary: SAWORX to present updated data as of October 2024

Background Information: Vet Technologists and Technicians, Court Reporters, and Teaching Assistants except Postsecondary occupations were previously brought to the Advisory Board for Discussion

Issue: Providing data on Target Occupations allows Subcommittee members to make more educated recommendations on improvements and better represent Ready to Work to the public.

Alternatives: This item is only for briefing purposes.

Fiscal Impact: No fiscal impact of this item.

Recommendations: This item is only for briefing purposes.

4. Region 20 TOPP Update

Subject: Update on Region 20 TOPP.

Summary: Region 20 will provide updates on TOPP.

Background Information: Advisory Board members have expressed interest following the progress of TOPP.

Issue: Region 20 has recently presented information on the Teacher Orientation and Preparation Program which the subcommittee expressed interest in following up with data and information.

Alternatives: This item is only for briefing purposes.

Fiscal Impact: No fiscal impact of this item.

Recommendations: This item is only for briefing purposes.
