As a condition of such consent, if such consent is granted, CONTRACTOR shall remain liable for completion of the services outlined in this Agreement in the event of default by the successor CONTRACTOR, assignee, transferee or subcontractor.
- 12.5 Any attempt to transfer, pledge or otherwise assign this Agreement or the performance of any duties hereunder without said written approval, shall be void ab initio and shall confer no rights upon any third person. Should CONTRACTOR assign, transfer, convey, delegate, or otherwise dispose of any part of all or any part of its right, title or interest in this Agreement, City may, at its option, cancel this Agreement and all rights, titles and interest of CONTRACTOR shall thereupon cease and terminate, in accordance with Article VII. Termination, notwithstanding any other remedy available to City under this Agreement. The violation of this provision by CONTRACTOR shall in no event release CONTRACTOR from any obligation under the terms of this Agreement, nor shall it relieve or release CONTRACTOR from the payment of any damages to City, which City sustains as a result of such violation.

XIII. INDEPENDENT CONTRACTOR

CONTRACTOR covenants and agrees that CONTRACTOR is an independent contractor and not an officer, agent, servant or employee of City; that CONTRACTOR shall have exclusive control of and exclusive right to control the details of the work performed hereunder and all persons performing same, and shall be responsible for the acts and omissions of its officers, agents, employees, contractors, subcontractors and consultants; that the doctrine of "*respondeat superior*" shall not apply as between City and CONTRACTOR, its officers, agents, employees, contractors, subcontractors and consultants, and nothing in this Agreement shall be construed as creating the relationship of employer-employee, principal-agent, partners or joint venturers between City and CONTRACTOR. The Parties hereto understand and agree that the City shall not be liable for any claims which may be asserted by any third party occurring in connection with services to be performed by the CONTRACTOR under this Agreement and that the CONTRACTOR has no authority to bind the City.

XIV. [Reserved]

XV. CONFLICT OF INTEREST

15.1 The Charter of the City of San Antonio and the City of San Antonio Code of Ethics prohibit a City officer or employee, as those terms are defined in Section 2-52 of the Code of Ethics, from having a direct or indirect financial interest in any contract with the City. An officer or employee has a "prohibited financial interest" in a contract with the City or in the sale to the City of land, materials, supplies or service, if any of the following individual(s) or entities is a party to the contract or sale:

- a City officer or employee; his or her spouse, sibling, parent, child or other family member within the first degree of consanguinity or affinity;
- an entity in which the officer or employee, or his or her parent, child or spouse directly or indirectly owns (i) 10 percent or more of the voting stock or shares of the entity, or (ii) 10 percent or more of the fair market value of the entity; or
- an entity in which any individual or entity listed above is (i) a subcontractor on a City contract, (ii) a partner or (iii) a parent or subsidiary entity.

15.2 Pursuant to the subsection above, CONTRACTOR warrants and certifies, and this Agreement is made in reliance thereon, that it, its officers, employees and agents are neither officers nor employees of the City. CONTRACTOR further warrants and certifies that it has tendered to the City a Contracts Disclosure Statement in compliance with the City's Ethics Code.

XVI. AMENDMENTS

Except where the terms of this Agreement expressly provide otherwise, any alterations, additions or deletions to the terms hereof, shall be effected by amendment, in writing, executed by both City and CONTRACTOR. The Director may execute contract amendments on behalf of the City without further action by the San Antonio City Council, in the following circumstances: (A) an increase in contract funding in an amount not exceeding (a) twenty-five percent (25%) of the total amount of this contract or (b) \$25,000.00, whichever is the lesser amount: provided, however, that the cumulative total of all amendments increasing funding and executed without City Council approval pursuant to this subsection during the term of this contract shall not exceed the foregoing amount; (B) no cost extensions up to two years; (C) budget adjustments authorized by the City or funding agency so long as the total dollar amount of the budget remains unchanged; (D) modifications to the Scope of Work due to the adjustment described in subsection (A) of this Section or for any other reason, so long as the terms of the amendment are reasonably within the parameters set forth in the original Scope of Work; and (E) changes in state or federal regulations mandated by the funding agency.

XVII. SEVERABILITY

If any clause or provision of this Agreement is held invalid, illegal or unenforceable under present or future federal, state or local laws, including but not limited to the City Charter, City Code, or ordinances of the City of San Antonio, Texas, then and in that event it is the intention of the Parties hereto that such invalidity, illegality or unenforceability shall not affect any other clause or provision hereof and that the remainder of this Agreement shall be construed as if such invalid, illegal or unenforceable clause or provision was never contained herein; it is also the intention of the Parties hereto that in lieu of each clause or provision of this Agreement that is invalid, illegal, or unenforceable, there

be added as a part of the Agreement a clause or provision as similar in terms to such invalid, illegal or unenforceable clause or provision as may be possible, legal, valid and enforceable.

XVIII. LICENSES/CERTIFICATIONS

CONTRACTOR warrants and certifies that CONTRACTOR's employees, subcontractors and any other person designated to provide services hereunder has the requisite training, license and/or certification to provide said services, and meets all competence standards promulgated by all other authoritative bodies, as applicable to the services provided herein.

XIX. AUDIT

- 19.1 If the CONTRACTOR expends \$1,000,000.00 or more of funds provided under this Agreement, or cumulative funds provided by or through City, then during the term of this Agreement, the CONTRACTOR shall have completed an independent audit of its financial statements performed within a period not to exceed one hundred twenty (120) days immediately succeeding the end of CONTRACTOR's fiscal year, expiration or early termination of this Agreement, whichever is earlier. CONTRACTOR understands and agrees to furnish Metro Health a copy of the audit report within a period not to exceed twenty (20) days upon receipt of the report. In addition to the report, a copy of the corrective action plan, summary schedule of prior audit findings, management letter and/or conduct of audit letter are to be submitted to Metro Health by CONTRACTOR within twenty (20) days upon receipt of said report or upon submission of said corrective action plan to the auditor.
- 19.2 CONTRACTOR agrees to reimburse the City or supplement any disallowed costs with eligible and allowable expenses based upon reconciled adjustments resulting from CONTRACTOR's Single Audit. Reimbursement shall be made within 20 calendar days of written notification regarding the need for reimbursement.
- 19.3 CONTRACTOR agrees and understands that upon notification from federal, state, or local entities that have conducted program reviews and/or audits of the CONTRACTOR or its programs of any findings about accounting deficiencies, or violations of CONTRACTOR's financial operations, a copy of the notification, review, investigation, and audit violations report must be forwarded to Metro Health within a period of ten (10) business days upon the CONTRACTOR's receipt of the report.
- 19.4 If CONTRACTOR expends less than \$1,000,000.00 of funds provided by or through the City, then during the term of this Agreement, the Contractor shall complete and submit an unaudited financial statement(s) within a period not to exceed ninety (90) days immediately succeeding the end of CONTRACTOR's fiscal year or termination of this Agreement, whichever is earlier. Said financial statement shall include a balance sheet and income statement prepared by a bookkeeper and a cover letter signed by CONTRACTOR attesting to the correctness of said financial statement.
- 19.5 All financial statement(s) must include a schedule of receipts and disbursements by budgeted cost category for each program funded by or through the City.
- 19.6 The City reserves the right to conduct or cause to be conducted an audit or review of all funds received under this Agreement at any and all times deemed necessary by City. The City Internal Audit Staff, a Certified Public Accounting (CPA) firm, or other personnel as designated by the City, may perform such audit(s) or reviews. The City reserves the right to determine the scope of every audit. In accordance herewith, CONTRACTOR agrees to make available to City all accounting and Project records. CONTRACTOR acknowledges that this provision shall not limit the City from additional follow-up to audits or reviews, as necessary, or from investigating items of concern that may be brought to the City's attention which are other than routine.
- 19.7 CONTRACTOR shall during normal business hours, make available to City and/or the applicable state or federal governing agency or any other auditing entity, records, documents, reports, and evidence with respect to all matters covered by this Agreement and shall continue to be so available for a minimum period of three (3) years or whatever period is determined necessary based on the Records Retention guidelines, established by applicable law for this Agreement. Said records shall be maintained for the required period beginning

immediately after Agreement termination, save and except there is litigation or if the audit report covering such agreement has not been accepted, then the CONTRACTOR shall retain the records until the resolution of such issues has satisfactorily occurred. The auditing entity shall have the authority to audit, examine and make excerpts, transcripts, and copies from all such books, records, documents and evidence, including all books and records used by CONTRACTOR in accounting for expenses incurred under this Agreement, all contracts, invoices, materials, payrolls, records of personnel, conditions of employment and other data relating to matters covered by this Agreement.

- 19.8 The City may, in its sole and absolute discretion, require the CONTRACTOR to use any and all of the City's accounting or administrative procedures used in the planning, controlling, monitoring and reporting of all fiscal matters relating to this Agreement, and the CONTRACTOR shall abide by such requirements.
- 19.9 When an audit or examination determines that the CONTRACTOR has expended funds or incurred costs which are questioned by the City and/or the applicable state or federal governing agency, the CONTRACTOR shall be notified and provided an opportunity to address the questioned expenditure or costs.
- 19.10 Should any expense or charge that has been reimbursed be subsequently disapproved or disallowed as a result of any site review or audit, the CONTRACTOR will immediately refund such amount to the City no later than ten (10) business days from the date of notification of such disapproval or disallowance by the City. At its sole option, Metro Health may instead deduct such claims from subsequent reimbursements; however, in the absence of prior notice by City of the exercise of such option, CONTRACTOR shall provide to City a full refund of such amount no later than ten (10) business days from the date of notification of such disapproval or disallowance by the City. If CONTRACTOR is obligated under the provision hereof to refund a disapproved or disallowed cost incurred, such refund shall be required and be made to City by check, cashier's check or money order. Should the City, at its sole discretion, deduct such claims from subsequent reimbursements, the CONTRACTOR is forbidden from reducing Project expenditures and CONTRACTOR must use its own funds to maintain the Project.
- 19.11 CONTRACTOR agrees and understands that all expenses, fees, fines and penalties associated with the collection of delinquent debts owed by CONTRACTOR shall be the sole responsibility of the CONTRACTOR and shall not be paid from any Project funds received by the CONTRACTOR under this Agreement.
- 19.12 If the City determines, in its sole discretion, that CONTRACTOR is in violation of the above requirements, the City shall have the right to dispatch auditors of its choosing to conduct the required audit and to have the CONTRACTOR pay for such audit from non-City resources.

XX. ADMINISTRATION OF AGREEMENT AND RESTRICTIONS ON USE OF FUNDS

- 20.1 CONTRACTOR agrees to comply with all the terms and conditions that the City must comply with as a recipient of the CDC Grant funding.
- 20.2 In the event that any disagreement or dispute should arise between the Parties hereto pertaining to the interpretation or meaning of any part of this Agreement or its governing rules, regulations, laws, codes or ordinances, the City Manager or the Director of Metro Health, as representatives of the City and the Parties ultimately responsible for all matters of compliance with the CDC Grant funding and City rules and regulations, shall have the final authority to render or secure an interpretation.
- 20.3 CONTRACTOR shall not use funds awarded from this Agreement as matching funds for any federal, state or local grant without the prior written approval of the Director of Metro Health.
- 20.4 Within a period not to exceed thirty (30) calendar days after the expiration, or early termination, date of the Agreement, CONTRACTOR shall submit all required deliverables to City. CONTRACTOR understands and agrees that in conjunction with the submission of the final report, the CONTRACTOR shall execute and deliver to City a receipt for all sums and a release of all claims against the Project.
- 20.5 CONTRACTOR shall maintain financial records, supporting documents, statistical records, and all other books, documents, papers or other records pertinent to this Agreement or the grant in accordance with the

official records retention schedules established within the Local Government Records Act of 1989 and any amendments thereto, or for such period as may be specifically required by 45 C.F.R §75, as applicable, whichever is longer. Notwithstanding the foregoing, CONTRACTOR shall maintain all Agreement and related documents for no less than three (3) years from the date of City's submission of the annual financial report covering the funds awarded hereunder. If an audit, litigation, or other action involving the records has been initiated before the end of the three (3) year period, CONTRACTOR agrees to maintain the records until the end of the audit, litigation, or other action is completed, whichever is later.

- 20.6 CONTRACTOR shall make available to City, the State, funding agency or any of their duly authorized representatives such books, records, reports, documents, papers, policies and procedures as may be necessary for audit, examination, excerpt, transcription, and copy purposes, for as long as such records, reports, books, documents, and papers are retained. This right also includes timely and reasonable access to CONTRACTOR's facility and to CONTRACTOR's personnel for the purpose of interview and discussion related to such documents. CONTRACTOR shall, upon request, transfer certain records to the custody of City or the State, or funding agency when City, or State or funding agency determines that the records possess long-term retention value.
- 20.7 Metro Health is assigned monitoring, fiscal control, and evaluation of certain projects funded by the City with general, state or federal funds, including the Project covered by this Agreement. Therefore, CONTRACTOR agrees to permit City and/or State and/or the federal funding agency to evaluate, through monitoring, reviews, inspection or other means, the quality, appropriateness, and timeliness of services delivered under this Agreement and to assess CONTRACTOR's compliance with applicable legal and programmatic requirements. At such times and in such form as may be required by Metro Health, the CONTRACTOR shall furnish to Metro Health and the grantor of the funds, if applicable, such statements, reports, records, data, all policies and procedures and information as may be requested by Metro Health and shall permit the City and grantor of the funds, if applicable, to have interviews with its personnel, board members and program participants pertaining to the matters covered by this Agreement. CONTRACTOR agrees that the failure of the City to monitor, evaluate, or provide guidance and direction shall not relieve the Contractor of any liability to the City for failure to comply with the terms of the Project or the terms of this Agreement.
- 20.8 City may, at its discretion, conduct periodic, announced monitoring visits to ensure program and administrative compliance with this Agreement and Project goals and objectives. City reserves the right to make unannounced visits to CONTRACTOR, or CONTRACTOR subcontractor, sites when it is determined that such unannounced visits are in the interest of effective program management and service delivery.
- 20.9 City agrees that it will present the findings of any such review to the CONTRACTOR in a timely manner and will attempt to convey information of Program strengths and weaknesses and assist with Program improvement.
- 20.10 Unless otherwise provided herein, all reports, statements, records, data, policies and procedures or other information requested by Metro Health shall be submitted by CONTRACTOR to City within five (5) working days of the request. The Parties agree that a shorter time frame may be necessary for response in the case of the single audit and shall cooperate to meet deadlines necessary to comply with the single audit requirements. In the event that CONTRACTOR fails to deliver the required reports or information or delivers incomplete information within the prescribed time period, the City may, upon reasonable notice, suspend reimbursements to CONTRACTOR until such reports are delivered to City. Furthermore, the CONTRACTOR ensures that all information contained in all required reports or information submitted to City is accurate.
- 20.11 Unless disclosure is authorized by the City, CONTRACTOR agrees to maintain in confidence all information pertaining to the Project or other information and materials prepared for, provided by, or obtained from City including, without limitation, reports, information, project evaluation, project designs, data, other related information (collectively, the "Confidential Information") and to use the Confidential Information for the sole purpose of performing its obligations pursuant to this Agreement. CONTRACTOR shall protect the Confidential Information and shall take all reasonable steps to prevent the unauthorized disclosure, dissemination, or publication of the Confidential Information. If disclosure is required (i) by law or (ii) by order of a governmental agency or court of competent jurisdiction, CONTRACTOR shall give the Director of Metro Health prior written notice that such disclosure is required with a full and complete description

regarding such requirement. CONTRACTOR shall establish specific procedures designed to meet the obligations of this Article, including, but not limited to execution of confidential disclosure agreements, regarding the Confidential Information with CONTRACTOR's employees and subcontractors prior to any disclosure of the Confidential Information. This Article shall not be construed to limit the funding agency's, State's or the City's authorized representatives' right to obtain copies, review and audit records or other information, confidential or otherwise, under this Agreement. Upon termination or expiration of this Agreement, CONTRACTOR shall return to City all copies of materials related to the Project, including the Confidential Information. All confidential obligations contained herein (including those pertaining to information transmitted orally) shall survive the termination of this Agreement. The Parties shall ensure that their respective employees, agents, and contractors are aware of and shall comply with the aforementioned obligations.

In addition, CONTRACTOR must take reasonable measures to safeguard protected personally identifiable information and other information the HHS awarding agency or City designates as sensitive or the City considers sensitive consistent with applicable Federal, state, local, and tribal laws regarding privacy and obligations of confidentiality.

- 20.12 Prohibited Political Activity. CONTRACTOR agrees that no funds provided from or through the City shall be contributed or used to conduct political activities for the benefit of any candidate for elective public office, political party, organization or cause, whether partisan or non-partisan, nor shall the personnel involved in the administration of the Project provided for in this Agreement be assigned to work for or on behalf of any partisan or non-partisan political activity.
- 20.13 CONTRACTOR agrees that no funds provided under this Agreement may be used in any way to attempt to influence, in any manner, a member of Congress or any other State or local elected or appointed official.
- 20.14 The prohibitions set forth in Sections 20.12 and 20.13 above include, but are not limited to, the following:
- (A) an activity to further the election or defeat of any candidate for public office or for any activity undertaken to influence the passage, defeat or final content of local, state or federal legislation;
 - (B) working or directing other personnel to work on any political activity during time paid for with City funds, including, but not limited to activities such as taking part in voter registration drives, voter transportation activities, lobbying, collecting contributions, making speeches, organizing or assisting at meetings or rallies, or distributing political literature;
 - (C) coercing personnel, whether directly or indirectly, to work on political activities on their personal time, including activities such as taking part in voter registration drives, voter transportation activities, lobbying, collecting contributions, making speeches, organizing or assisting at meetings or rallies, or distributing political literature; and
 - (D) using facilities or equipment paid for, in whole or in part with City funds for political purposes including physical facilities such as office space, office equipment or supplies, such as telephones, computers, fax machines, during and after regular business hours.
- 20.15 To ensure that the above policies are complied with, CONTRACTOR shall provide every member of its personnel paid out of Agreement funds with a statement provided by CONTRACTOR of the above prohibitions and have each said individual sign a statement acknowledging receipt of the policy. Such statement shall include a paragraph that directs any staff person who has knowledge of violations or feels that he or she has been pressured to violate the above policies to call and report the same to Metro Health. CONTRACTOR shall list the name and number of a contact person from Metro Health on the statement that CONTRACTOR's personnel can call to report said violations.
- 20.16 CONTRACTOR agrees that in any instance where an investigation of the above is ongoing or has been confirmed, reimbursements paid to the CONTRACTOR under this Agreement may, at the City's discretion, be withheld until the situation is resolved, or the appropriate member of the CONTRACTOR's personnel is terminated.

- 20.17 Sections 20.12 through 20.16 shall not be construed to prohibit any person from exercising his or her right to express his or her opinion or to limit any individual's right to vote. Further, CONTRACTOR and staff members are not prohibited from participating in political activities on their own volition, if done during time not paid for with Agreement funds.
- 20.18 Adversarial proceedings. Except in circumstances where the following is in conflict with federal law or regulations pertaining to these funds, the CONTRACTOR agrees to comply with the following special provisions,
- (A) Under no circumstances will the funds received under this Agreement be used, either directly or indirectly, to pay costs or attorney fees incurred in any adversarial proceeding against the City or any other public entity; and
 - (B) The CONTRACTOR, at the City's option, could be ineligible for consideration to receive any future funding while any adversarial proceeding against the City remains unresolved.

The certification in this clause is a material representation of fact relied upon by City. If it is later determined that CONTRACTOR knowingly rendered an erroneous certification, in addition to remedies available to City, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. CONTRACTOR agrees to comply with the requirements of 2 CFR Part 180, Subpart C while this offer is valid and throughout the period of any contract that may arise from this Agreement CONTRACTOR further agrees to include a provision requiring such compliance in its lower tier covered transactions.

conditions, covenants or guarantees of this Agreement shall not be construed or held to be a waiver of any succeeding or preceding breach of the same or any other term, condition, covenant or guarantee herein contained. Further, any failure of either Party to insist in any one or more cases upon the strict performance of any of the covenants of this Agreement, or to exercise any option herein contained, shall in no event be construed as a waiver or relinquishment for the future of such covenant or option. XXIV. PROHIBITION ON CONTRACTS WITH COMPANIES BOYCOTTING ISRAEL

Texas Government Code §2271.002 provides that a governmental entity may not enter into a contract with a company for goods or services, unless the contract contains a written verification from the company that it:

- (1) does not boycott Israel; and
- (2) will not boycott Israel during the term of the contract.

This section only applies to a contract that:

- (1) is between a governmental entity and a company with 10 or more full-time employees; and
- (2) has a value of \$100,000 or more that is to be paid wholly or partly from public funds of the governmental entity.

"Boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

"Company" means a for-profit organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations that exists to make a profit. This term does not include a sole proprietorship.

By submitting an offer to or executing contract documents with the City of San Antonio, Company hereby verifies that it does not boycott Israel, and will not boycott Israel during the term of the contract. City hereby relies on Company's verification. If found to be false, City may terminate the contract for material breach.

XXV. PROHIBITION ON CONTRACTS WITH COMPANIES BOYCOTTING CERTAIN ENERGY COMPANIES

This section only applies to a contract that:

- (1) is between a governmental entity and a company with 10 or more full-time employees; and

- (2) has a value of \$100,000 or more that is to be paid wholly or partly from public funds of the governmental entity.

"Company" means a for-profit organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations that exists to make a profit. This term does not include a sole proprietorship.

"Boycott energy company" means, without an ordinary business purpose, refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with a company because the company: (A) engages in the exploration, production, utilization, transportation, sale, or manufacturing of fossil fuel-based energy and does not commit or pledge to meet environmental standards beyond applicable federal and state law; or (B) does business with a company described in (A).

Texas Government Code §2274 provides that a governmental entity may not enter into a contract with a company for goods or services, unless the contract contains a written verification from the company that it: (1) does not boycott energy companies; and (2) will not boycott energy companies during the term of the contract.

By submitting an offer to or executing contract documents with the City of San Antonio, Company hereby verifies that it does not boycott energy companies and will not boycott energy companies during the term of the contract. City hereby relies on Company's verification. If found to be false, City may terminate the contract for material breach.

XXVI. PROHIBITION ON CONTRACTS WITH COMPANIES THAT DISCRIMINATE AGAINST FIREARM AND AMMUNITION INDUSTRIES

This section only applies to a contract that:

- (1) is between a governmental entity and a company with 10 or more full-time employees; and
- (2) has a value of \$100,000 or more that is to be paid wholly or partly from public funds of the governmental entity.

This term does not include a sole proprietorship.

"Discriminate against a firearm entity or firearm trade association": (A) means, with respect to the entity or association, to: (i) refuse to engage in the trade of any goods or services with the entity or association based solely on its status as a firearm entity or firearm trade association; (ii) refrain from continuing an existing business relationship with the entity or association based solely on its status as a firearm entity or firearm trade association; or (iii) terminate an existing business relationship with the entity or association based solely on its status as a firearm entity or firearm trade association.

Texas Government Code §2274 provides that a governmental entity may not enter into a contract with a company for goods or services, unless the contract contains a written verification from the company that it: (1) does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association; and (2) will not discriminate during the term of the contract against a firearm entity or firearm trade association.

By submitting an offer to or executing contract documents with the City of San Antonio, Company hereby verifies that it does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association; and will not discriminate during the term of the contract against a firearm entity or firearm trade association. City hereby relies on Company's verification. If found to be false, City may terminate the contract for material breach.
