Airport Infrastructure Grants (AIG) Program

- Grants program formed under the Infrastructure Investment and Jobs Act to address runways, taxiways, safety and sustainability projects, airport transit connects, and roadway projects
- Since FY 2022, the City has been awarded **\$23,794,427** in AIG funds for projects at San Antonio International and Stinson Municipal Airports

Stinson Runway 9/27 Sealant & Threshold Failure Repair Project

- This project replaces the threshold area of Runway 27 and seals the entire runway surface to extend the useful life.
- This grant award will fund a portion of the design and construction work.

Fiscal Impact

- Approves accepting, upon award, federal grant funding in the amount of \$1.171 Million:
 - \$721,000 - FAA AIG Grant Program
 - \$450,000 - Non-Primary Entitlement (NPE) Funds
- Approves City's Match of \$670,677 from appropriated Interim Airport Financing Funds.
- As a general reliever airport for SAT, Stinson Municipal Airport is eligible for NPE funds which can be used for maintenance, revenue-producing projects, and other eligible expenses.
