SUBJECT:

Release of approximately 0.5 acre from the City of San Antonio's Extraterritorial Jurisdiction (ETJ) as petitioned by the landowner.

SUMMARY:

Ordinance authorizing the release of approximately 0.5 acre of real property, consisting of one tract of land generally located at 19970 FM 1283, Mico, Texas in Medina County, from the City of San Antonio's Extraterritorial Jurisdiction as petitioned by the landowner.

BACKGROUND INFORMATION:

In the 88th (R) Texas legislative session, Senate Bill (SB) 2038 was passed and is effective as of September 1, 2023. The newly enacted Local Government Code, Chapter 42, Subchapters D and E codified and established a petition process for the release of certain property from a city's ETJ. This new law does not apply to certain areas in the ETJ, including areas within five miles of an active military base, areas within 15 miles of an active military base in counties with over 2 million in population, areas that were voluntarily annexed into cities' ETJ in certain counties, certain areas legally designated as industrial districts, or areas subject to a strategic partnership agreement.

The landowner owns approximately 0.5 acre, consisting of one tract of land generally located northwest of the intersection of FM 1283 and County Road 371 in Medina County, Texas within San Antonio's ETJ. The address of the property is 19970 FM 1283, Mico, Texas, 78056 and consists of Medina County Appraisal District (MCAD) Parcel ID Number 56718. The landowner submitted a petition to the City of San Antonio (City) requesting the release of the property from San Antonio's ETJ on March 6, 2025. However, there were no field notes included at that time. The landowner then submitted a copy of the deed, which include field notes, on March 24, 2025. The City verified that the petition and revised field notes comply with the newly enacted Subchapters of Chapter 42 of the Texas Local Government Code.

ALTERNATIVES:

As staff has verified the process has been correctly followed, there is no alternative action for the City to take.

FISCAL IMPACT:

RECOMMENDATION:
