- 3. Suitability as Presently Zoned:** The existing "MF-33" Multi-Family District is an appropriate zoning for the property and surrounding area. The proposed "NC" Neighborhood Commercial District is also appropriate. The proposed rezoning is requested to develop a small-scale retail operation. The subject property is appropriately located on a corner lot at the perimeter of a residential neighborhood which can accommodate the low-intensity, small-scale uses permitted by the "NC" Neighborhood Commercial District. Furthermore, the proposed zoning district can act as a buffer between the more intense commercial districts to the south and residential districts to the north.
