

# **ACS No-Cost Clinics Contract Amendments**

**City Council “A” Session - Item 32**

*August 8, 2024*

# Background

---

ACS works with two community partners to provide over 4,800 free microchips and vaccines per year for San Antonio pets

Each clinic provides free microchips and core vaccines, which include Rabies, DHPP/DAPP, and FVRCP

Each partner conducts 2 clinics per month, serving between 100-120 pets per clinic

Partners are provided with microchips and reimbursed \$20 per pet served
